Notes: (A) Separate permits are required for building, electrical, gas, and mechanical (HVAC) and plumbing systems.

(B) Wetland impact due to construction will require a permit from the Army Corp of Engineers. Permit holder agrees to hold the City of Hinesville harmless on any construction covered by this permit resulting construction in wetlands area.

(C) This permit is valid for only six (6) months from the issuance date.

I hereby certify that I have read and examined this application and know the same to be true and correct. All prevision of Laws and ordinances governing this type of work will be complied with weather specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regarding construction or the performance of construction.
