

**ACKNOWLEDGMENT OF DEVELOPER RESPONSIBILITY
TO TRANSFER POWER ACCOUNT
FOR STREET LIGHTS IN NEW SUBDIVISIONS**

Date: _____

Project Name: _____

The City of Hinesville Code of Ordinances Article VI. - Required Improvements, Section 6.1 specifies the required improvements necessary for plat approval. The street lights and poles that are considered primary improvements and unfinished primary improvements **shall be installed within six (6) months** from the date of final plat approval by the Hinesville City Council. The developer is responsible for the street light utility bill until such date that the improvements have been completed and inspected by LCPC. It is the responsibility of the developer to contact the City of Hinesville Finance Department (in writing) by either email to kryon@cityofhinesville.org or by mailing a letter to the City of Hinesville Finance Department at 115 E. M. L. King, Jr. Drive, Hinesville, GA 31313

The developer hereby acknowledges this requirement by signing this letter. The City of Hinesville will not be responsible for the street lighting utility bill until the request for the lighting transfer has been filed to the power company by the developer. This is a requirement for all final plats that are filed for recording.
