Conditional Use

Dear property owner,

You are receiving this letter because you own property that is within 200 feet of the property of Ricky Reeves on Leroy Coffey Highway (parcel # 206091 - see reverse side of this letter). M. E. Sack Engineering has requested a conditional use on behalf of owner Ricky Reeves, a tree service business including staging activities and managing timber materials. You are invited to attend and speak at the following public hearings regarding this request, if you wish:

- The Liberty Consolidated Planning Commission – **February 17, 2026, at 4:30 pm**, at the Liberty County Annex, 2nd floor, 112 N. Main St in Hinesville.
- The Liberty County Board of Commissioners – **March 3, 2026, at 6:00 pm**, at the Liberty County Annex, 2nd floor, 112 N. Main St in Hinesville.

If you are in opposition to this conditional use and have made contributions aggregating \$250.00 or more to any local government official considering this application in the two (2) years preceding the filing of this rezoning petition you must disclose this fact five (5) days prior to the first hearing of this action if it is your intent to speak at this meeting.

If you have any questions or would like additional information about this rezoning petition, please email me at lparks@thelcpc.org or call (912) 408-2041.

Sincerely,

A handwritten signature in cursive script that reads "Lori Parks".
