To Hold
A Location and Design Public Hearing Open House
For P.I. 522570
Liberty County**

On Thursday, March 04, 2021 at Charles Shuman Recreation Center, 800 Tupelo Trail, Hinesville, GA 31313, Georgia Department of Transportation (DOT) will hold a Public Hearing Open House concerning the project listed above.

This project proposes to construct the US 84 Connector, a new roadway within Liberty County, Georgia. The proposed project would consist of a 2-lane highway with 12-foot lanes and 10-foot outside shoulders (4-foot paved, 6-foot grass). The alignment of the road begins at US 84/Oglethorpe Highway, approximately 0.5 miles southwest of its intersection with State Route (SR) 119. The alignment would continue east, parallel to SR 119, and bridge over the Atlantic and Gulf Railroad (CSX Railroad). The US 84 Connector would intersect with Arnall Drive, Carter Drive, Walthourville Cemetery Road, and Tibet Road (also called Tibet Highway) and then tie into SR 119. The proposed project is approximately 2.8 miles in length on a proposed typical 130-foot right-of-way.

The purpose of this Location and Design Public Hearing Open House is to provide the public with an opportunity to view the project, ask questions, and comment on the project. The Open House will be held from 4:00 p.m. to 6:00 p.m. utilizing two one-hour sessions. It will be informal, and the public is encouraged to register in advance for a timed slot at www.dot.ga.gov/AboutGDOT/PublicOutreach or by calling at (912) 876-2164.
