(Space Holder for Transit Resolution)

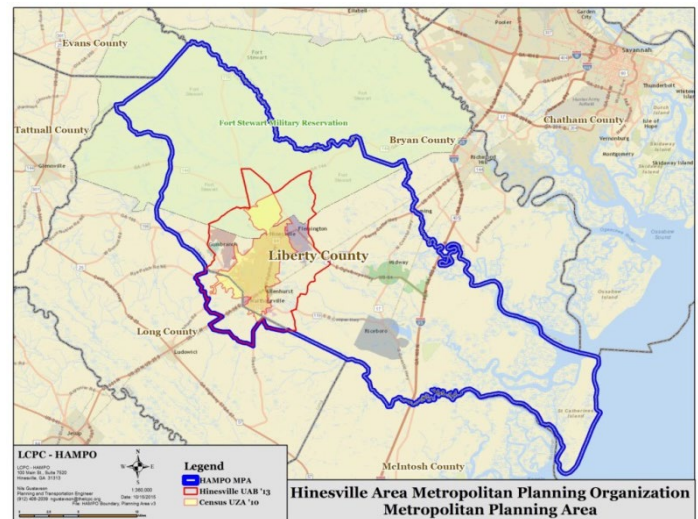

# INTRODUCTION

As a result of the 2000 Census, the Hinesville Area Metropolitan Planning Organization (HAMPO) was established as a federally designated transportation planning agency to address transportation planning within the urbanized portions of Liberty and Long Counties. According to federal law, the transportation planning process must be carried out by MPOs for designated urbanized areas that exceed a population of 50,000, as well as the area expected to become urbanized within the next 20 years.

HAMPO is staffed by the Liberty Consolidated Planning Commission (LCPC) and operates under the leadership of a Policy Committee comprised of elected officials and other decision makers from each participating jurisdiction, the Georgia Department of Transportation, and other state and federal agencies. A Technical Coordinating Committee and Citizens Advisory Committee provide valuable input to the Policy Committee on transportation issues. HAMPO is comprised of members representing Fort Stewart, Liberty County, Long County, and the municipalities of Hinesville, Allenhurst, Flemington, Gum Branch, Midway, Riceboro and Walthourville.

In 2005, the Memorandum of Understanding<sup>1</sup> (MOU) with the Georgia Department of Transportation, affirmed by Governor Perdue, designated the Liberty Consolidated Planning Commission (LCPC) as the recipient and management entity for all planning funds and activities associated with HAMPO.

The 2010 census population for the Hinesville Urban Area (UZA) is 51,456, with a total MPA population of roughly 70,000. In 2013, the Urbanized Area Boundary (UAB) was approved and in 2015, the MPA was updated to reflect the 2010 UZA and the 2013 UAB. The updated MPA was approved by the Governor on December 09, 2015 and is shown in the adjacent figure.

## A. UPWP DEVELOPMENT AND PARTICIPATION PROCESS

The FY 2021 Unified Planning Work Program (UPWP) for the Hinesville Area Metropolitan Planning Organization (HAMPO) is an annual statement of work that describes the transportation planning activities to be performed from July 1, 2020 to June 30, 2021.

All Metropolitan Planning Organizations are required to maintain a continuing, cooperative and comprehensive transportation planning process. All plans and programs, including this Unified Planning Work Program (UPWP), are prepared pursuant to the following:

<sup>1</sup> HAMPO MOU is included in the appendix of this report

- The Fixing America's Surface Transportation (FAST) Act, Public Law No. 114-94, December 4, 2015,
- The Moving Ahead for Progress in the 21st Century Act (MAP-21), Public Law No. 112-141, July 6, 2012, as amended by the Surface Transportation and Veterans Health Care Choice Improvement Act of 2015, Public Law No. 114-41, July 31, 2015 and other authorizing legislation to be enacted,
- FTA's authorizing legislation in effect in FY 2012 or a previous fiscal year, except as superseded by the FAST Act cross-cutting requirements that apply, and
- Appropriations Acts or Continuing Resolutions funding the U.S. Department of Transportation.

The UPWP details the transportation planning activities for the coming year, reports on previous work, provides fiscal information, assigns responsibilities, and provides guidance for implementation of adopted goals, objectives and planning priorities of the MPO.

To conform with the approved FHWA and GDOT UPWP format, the FY 2021 UPWP is organized into five major elements and then subdivided into specific tasks for each element as shown in the following table.

<b>1. Program Support and Administration</b>	
1.1	Program Coordination
1.2	Operations and Administration
1.3	Training and Professional Development

4.11	Metropolitan Transportation Plan Development
4.12	Transportation Improvement Program
4.13	Strategic Planning Studies
<b>5. Transit Planning</b>	
5.1	Program Support and Administration

5.2	Long Range Transportation Planning
5.3	Short Range Transportation Planning
5.4	Transportation Improvement Plan
5.5	Strategic Planning Studies

The development of the annual HAMPO UPWP is a continuous, cooperative, and iterative process. HAMPO staff initiates the process at the start of each fiscal year, notifying the PC, TCC, and CAC members of the timeline and schedule for input and action items. The annual UPWP development schedule typically adheres to the following schedule but is subject to change as necessary.

	JUL	AUG	SEP	OCT	NOV	DEC	JAN	FEB	MAR	APR	MAY	JUN
INITIATE PLAN DEVELOPMENT												
SEEK MPO COMMITTEE FEEDBACK ON ANNUAL GOALS AND AREAS OF EMPHASIS												
STAFF DEVELOPS DRAFT REPORT INCORPORATING COMMITTEE FEEDBACK

STAFF REVIEWS COMMENTS AND MODIFIES UPWP												
FINAL UPWP REVIEWED BY CAC/TCC AND RECOMMENDED TO HAMPO PC												
UPWP ADOPTED BY HAMPO PC AND AUTHORIZING RESOLUTION SIGNED												
FINAL DOCUMENT TRANSMITTED TO GDOT AND FHWA FOR CONCURRENCE												

Note: Schedule represents the typical HAMPO process and is subject to modification

HAMPO continues to promote and encourage public participation in all facets of the MPO planning process. All MPO committee meetings are open to the public, with meeting agendas and materials published in advance. In addition, all planning products are prepared with multiple opportunities for participation throughout the process. This process is governed by the HAMPO Public Participation Plan and the HAMPO Memorandum of Understanding which can be found on the HAMPO website at <http://thelcpc.org/hampo-organization/>

The review and adoption of the UPWP follows the HAMPO committee process and includes a minimum of four public meetings with opportunity for comment, and response to all comments. These public meetings coincide with the regular HAMPO committee meetings as published in the HAMPO annual calendar of meetings.

**Committees**

HAMPO is operated under the leadership of a Policy Committee comprised of decision makers from each participating jurisdiction, the Georgia Department of Transportation, and other state and federal agencies. HAMPO's Technical Coordinating Committee and Citizens Advisory Committee provide valuable input to the Policy Committee on transportation issues. Transportation planning activities occur in a coordinated planning environment and achieving this coordination is through the HAMPO Committee structure.

The three committees meet on a regular schedule six times a year. Agenda are distributed seven days in advance and a call to the public is always included.

The **Policy Committee** (PC) is made up of the chief elected and appointed officials from all of the municipalities within the HAMPO region of Liberty County and urbanized portion of Long County, as well as executives from the local, state and federal agencies concerned with transportation planning. It serves as the forum for cooperative transportation decision-making and establishes transportation related policies in support of the area's overall goals and objectives. The PC reviews and approves all HAMPO activities and studies. The PC is entrusted with ensuring that the HAMPO transportation projects are current and prioritizes transportation projects recommended in the planning process.

The **Technical Coordinating Committee** (TCC) is made up of key government and agency transportation staff members who are involved in technical aspects of transportation planning. The TCC provides technical guidance, reviews and evaluates transportation studies, and provides recommendations to the Policy Committee. The chief elected official of each municipality appoints the TCC representative for their respective jurisdictions.

The **Citizens Advisory Committee** (CAC) is representative of a cross-section of the community and functions as a public information and involvement committee. Committee members review HAMPO programs and studies and provide recommendations to the Policy Committee. The CAC is entrusted with informing the PC of the community's perspective while providing information to the community about transportation policies and issues. CAC members are appointed by the Policy Committee from recommendations from their respective municipality, county or organization. Members are typically active citizens in their jurisdictions with an interest in both community and transportation issues.

The following tables details the HAMPO PC, TCC, and CAC Committee membership.

## **UPWP Amendments**

HAMPO is able to amend its UPWP and budget in two ways:

An administrative modification is authorized by the Executive Director to correct clerical errors or adjust the dollar amount in any work element if the overall budget does not increase or decrease by more than 5%. Documentation of an administrative modification is a descriptive letter sent to GDOT, FHWA, FTA and the Policy Committee membership and incorporation into the UPWP document.

An amendment requires approval by the MPO Policy Committee for changes to the work scope and/or changes that increases or decreases the overall budget amount by more than 5%. Amendments are presented by resolution to the Policy Committee and require an affirmative vote by a majority of members present to become effective. Documentation of an amendment is a descriptive letter sent to GDOT, FHWA, and FTA and incorporation into the UPWP document.

## **MPO Past Accomplishments**

Throughout fiscal year 2020 the Hinesville Area Metropolitan Planning Organization (HAMPO) worked collaboratively with all committees, staff, and oversight agencies to successfully execute the following tasks:

- Successful preparation of base and future year socio-economic data used in the update of Travel Demand Model (TDM) for the HAMPO area.
- Maintained a coordinated, comprehensive and continuous multimodal planning process by participating in GAMPO, CRC, CoreMPO and other state and national organizations meetings focused on legislative actions impacting transportation planning and funding.
- Updated land use data for GIS.
- Successful creation of maps for performance measures.

## **B. FY 2021 UPWP Planning Focus Areas**

The overall planning program of FY 2021 UPWP is designed to comply with the requirements of the U.S. Department of Transportation (USDOT) Fixing America's Surface Transportation Act (FAST Act) as signed into law on December 4, 2015.

Performance based planning and programming remains the primary focus area in 2021. HAMPO, in coordination with state DOTs, is required to set performance measure targets and report on progress in a number of areas including safety, infrastructure condition, congestion reduction, system reliability, freight movement and economic vitality, environmental sustainability, and reduced project delivery delays.

HAMPO's transportation planning efforts is performance based with ongoing efforts to refine, benchmark and measure our progress against performance measures. The 2021 work program continues the process of defining our performance planning by associating the national goals, planning factors, and performance measures into HAMPO's proposed work activities. A matrix is provided on pages 16 and 17 that summarizes this effort.

### **Planning Priorities for 2021**

- Complete TIP Update (2020 – 2024) – The Transportation Improvement Program (TIP) is a detailed capital program of funded highway, transit, and multimodal projects for the MPO planning area. The current HAMPO TIP for FY 2018 – 2021 was adopted by the Policy Committee on August 10, 2017 and amended on February 14, 2019 to incorporate performance management and measures. HAMPO recognizes the need to perform a TIP update and will work collaboratively with local, state and federal planning partners to achieve this priority.
- Complete 2045 Metropolitan Transportation Plan (MTP) Update - The Metropolitan Transportation Plan (MTP) is a federally mandated transportation planning document with a 25-year planning horizon. The MTP identifies the MPOs vision, goals and objectives, and strategies that will promote the movement of people and goods throughout the MPO planning region. The MTP is required to be updated every five years. The HAMPO Policy Committee adopted the 2015-2040 MTP on September 10, 2015. Two MTP supplements were subsequently completed with the Non-Motorized and Transit Operational Plan on February 9, 2017 and the Regional Freight Plan on November 16, 2017. HAMPO received a Georgia Association of Metropolitan Planning Organizations (GAMPO) Special Planning (PL) funding grant in FY 2019 to support the development of the 2045 MTP. HAMPO has been actively engaged in the MTP planning process, with work programmed to continue throughout the first quarter of FY 2021. The HAMPO 2045 MTP has a federally mandated adoption deadline of September 10, 2020. This effort will also support all public workshops and review of the 2045 MTP documents prior to adoption in September of FY 2021.
- Implementation of the freight plan during the 2045 MTP update. This will ensure that all recommendation and projects highlighted in the planning documented are reviewed and incorporated accordingly into the MTP development process.
- Support local, state, and federal efforts to enhance Multimodal Accessibility and Safety – One of the key goals and objectives identified during the development of the 2045 MTP planning process was

the need for enhanced non-motorized transportation facilities within the HAMPO region. Due to increasing numbers of bicycle and pedestrian crashes and growing vehicular congestion and delay, bicycle and pedestrian infrastructure has become an area of emphasis. Examples of key initiatives and projects currently underway includes:

- Design and construction of controlled access medians and safety enhancements on US 84 / SR 38 in Hinesville, funded through GDOT Lump Sum Safety program
- Transportation Special Purpose Local Option Sales Tax (TSPLOST) referendum scheduled for March 24, 2020 with considerable emphasis on bicycle and pedestrian infrastructure
- Ongoing efforts to identify and prioritize 49 U.S.C. 5307 and SPLOST funded sidewalk and bus stop safety infrastructure projects for Liberty Transit

HAMPO will prioritize efforts to support these local, state and federal initiatives, and others identified in the 2045 MTP.

- Support local, state, and federal efforts to implement recommendations of the 2045 Metropolitan Transportation Plan.
- Review and update of MPO's Bylaws, Public Participation Plan and all other administrative documents for the HAMPO to ensure continued compliance with federal and state legislations.
- Support the efforts of the 2020 census count within the HAMPO region with focus review of areas surrounding the HAMPO UZAs that are projected to trend urban in the 2020 census count. MPO staff will continue the implementation of the State's performance targets, as well as facilitate and make available the annual update of the Systems Performance Report. Amendments to the necessary planning documents will be made to incorporate these targets as needed.
- Review and update the MPO's Memorandum of Understanding (MOU) as the 2020 census Information becomes available and changes in MPO boundaries may occur.

## **C. Performance Based Planning**

### **National Goals**

The FAST Act goals provide structure and guidance to the USDOT, State and provincial DOTs and nation's 400+ MPOs to strive towards in their transportation planning efforts. The FAST Act states the following:

Highway National Goals (Highways 23 U.S.C. 150(b)) - It is in the interest of the United States to focus the Federal-aid highway program on the following national goals:

- (1) Safety: To achieve a significant reduction in traffic fatalities and serious injuries on all public roads.
- (2) Infrastructure condition: To maintain the highway infrastructure asset system in a state of good repair.
- (3) Congestion reduction: To achieve a significant reduction in congestion on the National Highway System.
- (4) System reliability: To improve the efficiency of the surface transportation system.
- (5) Freight movement and economic vitality. To improve the National Highway Freight Network, strengthen the ability of rural communities to access national and international trade markets, and support regional economic development.

- (6) Environmental sustainability. To enhance the performance of the transportation system while protecting and enhancing the natural environment.
- (7) Reduced project delivery delays. To reduce project costs, promote jobs and the economy, and expedite the movement of people and goods by accelerating project completion through eliminating delays in the project development and delivery process, including reducing regulatory burdens and improving agencies' work practices.

Transit National Goals 49 U.S.C. 5301(b) - The purposes of this chapter are to:

- (1) Provide funding to support public transportation.
- (2) Improve the development and delivery of capital projects.
- (3) Establish standards for the state of good repair of public transportation infrastructure and vehicles;
- (4) Promote continuing, cooperative and comprehensive planning that improves the performance of the transportation network.
- (5) Establish a technical assistance program to assist recipients under this chapter to more effectively and efficiently provide public transportation service.
- (6) Continue federal support for public transportation providers to deliver high quality service to all users, including individuals with disabilities, seniors, and individuals who depend on public transportation.
- (7) Support research, development, demonstration, and deployment projects dedicated to assisting in the delivery of efficient and effective public transportation service.
- (8) Promote the development of the public transportation workforce.

## **Planning Factors**

To achieve the national goals of the FAST Act, the FY 2021 UPWP work tasks incorporate the ten Federal Planning Factors from the FAST Act and the HAMPO goals and objectives as stated in the 2040 MTP. HAMPO will be documenting performance measures to gauge compliance with the goals as shown on the “National Performance Matrix” exhibit on the following pages. This matrix outlines HAMPO’s regional performance measures in context with the national, state, and regional transportation goals as well as the Federal Planning Factors and Measures.

The following goals and objectives are associated with national planning factors and are synthesized from the current HAMPO 2040 MTP.

HAMPO goals and objectives align with the planning factors as follows:

## **National Planning Factors:**

- 1) Support the economic vitality of the metropolitan area, especially by enabling global competitiveness, productivity and efficiency while promoting consistency among transportation improvements and state and local planned growth and economic development patterns.

**2040 MTP Goal:** Promote Economic Development

**Objectives:**

- Minimize congestion
- Enhance freight connection

- Provide transportation alternatives
  - Implement projects to support freight movement
- 2) Increase the safety of the transportation system for motorized and non-motorized users.  
**2040 MTP Goal:** Improve Safety and Security  
**Objectives:**
- Minimize accidents and conflicts
- 3) Increase the Security of the transportation system for motorized and non-motorized users.  
**2040 MTP Goal:** Improve Safety and Security  
**Objectives:**
- Prepare for coordinated incident responses
- 4) Increase the accessibility and mobility of people and for freight:  
**2040 MTP Goal:** Invest in Mobility Options  
**Objectives:**
- Maximize accessibility for populations to employment centers
  - Encourage multimodal use
  - Provide adequate access to all population
  - Implement projects to support freight movement
  - Invest in mobility options
- 5) Protect and enhance the environment, promote energy conservation, improve quality of life, and promote consistency between transportation improvements and State and local planned growth and economic development patterns.  
**2040 MTP Goal:** Protect Natural and Cultural Resources; Promote Quality of Life  
**Objectives:**
- Minimize impacts on wetlands and historic resources
  - Preserve/Enhance community character
- 6) Enhance the integration and connectivity of the transportation system, across and between modes, for people and freight.  
**2040 MTP Goal:** Implement Projects to Support Freight Movement  
**Objectives:**
- Provide efficient and safe multimodal connections
  - Provide efficient, reliable freight corridors
  - Implement projects to support freight movement
  - Invest in mobility options
- 7) Promote efficient system management and operation.  
**2040 MTP Goal:** The MTP does not directly list this goal  
**2021 UPWP Goal:** Promote efficient system management and operation  
**Objective:**
- Utilize technology and other strategies, to improve transportation management.
- 8) Emphasize the preservation of the existing transportation system.

**2040 MTP Goal:** Support local planning initiatives; Encourage coordination

**Objectives:**

- Coordinate with local planning partners
- Coordinate with state and regional partners Maximize transportation system
- Promote projects that increase capacity and safety without widening.

- 9) Improve transportation system resiliency and reliability; Reduce or mitigate the storm water impacts of the surface transportation system.

**Draft 2045 MTP Goal:** Improve resiliency and reliability reviews; insure compliance with stormwater best management practices.

**Draft Objectives:**

- Review developments for resilience and reliability (i.e. sea level rise, storm surge)
- Consider alternate routes for evacuations in long range planning.
- Insure local ordinances are current with erosion, sediment and pollution regulations

- 10) Enhance travel and tourism.

**Draft 2045 MTP Goal:** Enhance travel and tourism.

**Draft Objectives:**

- Improve gateways aesthetics and educational signage
- Coordinate highway improvements with local visitor centric organization

## **National Performance Measures**

Performance management increases the accountability and transparency of the Federal-aid highway program and provides for a framework to support improved investment decision making through a focus on performance outcomes for the national transportation goals. MPO's coordinate with their state's DOT on data sources and methods to achieve uniformity.

FHWA through the rule making process established the following performance measures:

- **Fatalities and serious injuries**, both number and rate per vehicle mile traveled on all public roads:
  - 5-year rolling averages for fatality
  - 5-year rolling averages for injury
  - Fatality **rates** by 100 million Vehicle Miles Traveled (VMT )
  - Serious injury **rates** by 100 million VMT
  - Number of Non-motorized Fatalities and Non-motorized Serious Injuries

Data Sources: Georgia Electronic Accident Reporting System, GDOT's GEOCOUNTS traffic data, HAMPO GIS, GDOT GIS, GDOT VMT

- **MAP-21: Pavement condition** on the Interstate System and on remainder of the National Highway System (NHS):
  - Interstate pavement condition (MAP-21 requires 5% Max in poor condition)

- Percentage of pavements on the Interstate System in good condition;
- Percentage of pavements on the Interstate System in poor condition;
- Percentage of pavements on the NHS (excluding the Interstate System) in good condition;
- Percentage of pavements on the NHS (excluding the Interstate System) in poor condition.

Data Source: GDOT's Highway Economic Requirements System-State (HERS-ST) model

- **MAP-21: Bridge condition** on the NHS:

- Percentage of NHS bridges classified as in good condition; and
- Percentage of NHS bridges classified as in poor condition

Data Source: National Bridge Inventory (NBI)

- Performance of the Interstate System and the remainder of the NHS:

- **Congestion** is the amount of time during the year when highway users have experienced excessive delay. The measure is the times during the day when vehicles are travelling at speeds below 35 mph for freeways or expressways and 15 mph for all other NHS roadways.
- **Travel time reliability** is when the longer travel times are no more than 50 percent higher than what would be normally expected by users between the hours of 6:00 a.m. to 8:00 p.m.
- **Performance** will be measured by percent peak hour travel times that meet expectations for the Interstate System and NHS.

Data Source: National Performance Management Research Data Set (NPMRDS)

- Freight movement on the Interstate System

- **Truck Travel Time** Reliability (TTTR)

Data Source: National Performance Management Research Data Set (NPMRDS)

## **Regional Performance Measures**

HAMPO will be tracking its performance using both the finalized national measures as listed above and regional performance measures as shown in the National Performance Matrix exhibit on the following pages.

## **Performance Measures Reporting**

HAMPO will issue a report annually stating and tracking progress on the performance measures highlighted in the UPWP. This report will be issued prior to end of the fiscal year.

Planning Activity Matrix:

- Equipment and Supplies
- Congestion Management
- Transit/Paratransit
- Intermodal Planning
- Air Quality Planning
- Highway Planning
- ITS
- Air Quality Management
- Model Development and Applications

These work elements have been collapsed into other UPWP tasks for FY 2021, all of which addresses each element and the associated planning activities factors as detailed in the respective task description for FY 2021.

## **D. UPWP TASKS AND PHASES**

---

The following sections detail the work program by elements and tasks for fiscal year 2021.

### **Task 1: ADMINISTRATION**

---

The administrative elements for FY 2021 are the implementation of an effective administrative structure to carry out the goals and objectives of the HAMPO Policy Committee and the UPWP. The overall objective is to facilitate and coordinate the transportation planning process of the MPO in compliance with federal and state laws and requirements. The operation of HAMPO is accomplished through the coordination and communication of program goals and objectives among the area residents, HAMPO staff, local elected officials and staff, Georgia Department of Transportation, Federal Highway Administration, Federal Transit Administration, representatives of Fort Stewart, Coastal Region Metropolitan Planning Organization, Coastal Regional Commission, and other federal and state planning partners.

#### **1.1. Program Coordination**

**Objective:** This element provides resources to establish an effective decision-making environment by coordinating the regional planning activities of the HAMPO with neighboring MPO's, departments within the Liberty Consolidated Planning Commission, Liberty County and its municipalities, Long County, local and regional transit providers, GDOT, the Georgia Association of Metropolitan Planning Organizations (GAMPO), Coastal Regional Commission (CRC), Federal oversight agencies, and other transportation stakeholders.

**Previous Work:** The FY 2020 staff activities are detailed below:

- Coordinated with MPO staff and oversight agencies to prepare for regularly schedule HAMPO committee meetings.
- HAMPO staff attended GAMPO meetings hosted at GDOT Headquarters in Atlanta, GA on September 30, 2019 and March 30, 2020.
- HAMPO staff coordinated with neighboring MPOs by attending CORE-MPO Policy Committee meetings and providing updates on current and future activities to the Board. HAMPO also provides the CORE MPO with a reciprocal opportunity to present updates at Policy Committee meetings.
- HAMPO staff coordinated with the US Census Bureau for socio-economic data collection and development.
- Facilitated and document coordination of study activities and requests for information.
- HAMPO staff provided the necessary consultation, analysis and staff support to conduct the federally mandated Metropolitan Transportation Planning process, and coordinated the process and products with the efforts of the LCPC, Georgia DOT, Liberty County and its municipalities, Long County, Liberty Transit, Coastal Regional Commission, Liberty Economic Development Authority, Federal Highway Administration and Federal Transit Administration.

**FY 2021 Activities:** HAMPO staff will work with GDOT and other agencies and jurisdictions to provide and maintain coordinated, comprehensive, and continuous multimodal planning process. Staff will perform the following actions:

- Participate with GAMPO, CRC, Core MPO and other state and national organizations on the role of MPOs in statewide and metropolitan transportation planning, legislative actions impacting transportation planning, and funding.
- Function as the local expert in transportation, assisting planning partners in transportation project development, sharing planning products, and providing a forum for regional decision making.
- Host HAMPO policy, technical, and citizens committee meetings and HAMPO subcommittee meetings.
- Facilitate and document coordination of study activities and requests for information.
- Provide the necessary consultation, analysis, and staff support to conduct the federally mandated metropolitan transportation planning process.
- Coordinate the transportation planning process with other MPOs, Georgia Department of Transportation, Georgia Ports Authority, Coastal Regional Commission and other stakeholders. This coordination may occur via telephone, electronic mail, and/or in person meetings.
- Coordinate with peer MPOs within the Coastal Region on planning activities in the HAMPO area. Peer MPOs include the Coastal Region MPO and the Brunswick Area Transportation Study (BATS) MPO.
- Participate in Georgia Association of Metropolitan Planning Organization meetings and PL Funds Review Committee meetings typically scheduled in April, June, and September at the GDOT Headquarters in Atlanta, GA.
- Facilitate enhanced coordination with agencies and stakeholders in support of the 2045 MTP planning effort.
- Facilitate and make available annual update of System Performance Report.
- Attendance at workshops and conferences pertinent to the MPO, including but not limited to GPA, GTA, AMPO, GAMPO, and APA.
- Continue to coordinate with FHWA, FTA, GDOT, CAT as well as regional and local planning partners to implement Performance Based Planning and Programming according to published final rules, and to consult with other planning officials responsible for other types of planning activities.
- Participation in FHWA Georgia Freight Partnership meeting(s).
- Communicate all updates on census resources with GIS department to ensure full participation from communities and accuracy of count taken.
- Communicate with Fort Stewart Army Base representatives to gain access to count information taken on census day for use in all future MPO planning.

**Products:**

- Correspondence, memoranda, presentations, white papers, informational flyers, and policy recommendations in support regional cooperation and coordination.

**Transportation Planning Related Activities of other Agencies:**

FHWA, FTA, GDOT – Webinars, Conference Calls, Workshops, Committee Meetings  
GAMPO – Semi-Annual Work Sessions; PL Funds Review Committee Meetings  
GDOT, Liberty County, Long County, City of Hinesville, City of Flemington, City of Walthourville, City of Allenhurst, City of Riceboro, City of Midway, City of Gumbranch

**Target Start and End Dates:** July 1, 2020 – June 30, 2021

**Lead Agency:** HAMPO

**Funding FY 2021:**

1.1 Program Coordination				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	9,600.00	-	2,400.00	12,000.00

## 1.2. Operations and Administration

**Objective:** The objective for this task is to manage the HAMPO work program, conduct accurate record keeping and documentation of MPO activities, and perform general administrative activities of the MPO.

**Previous Work:** FY 2020 activities are detailed below:

- Annual MPO certifications and audits were filed.
- Drafted and achieved approval of the budget and local match.
- Maintained budgetary reporting including timesheet documentation.
- Maintained MPO project files and records.
- Processed MPO related correspondence and regulatory reports.
- Provided the necessary consultation, analysis, and staff support to conduct the federally mandated metropolitan transportation planning process.
- Staffed all MPO meetings and provide the necessary administrative support to ensure their efficient function.
- Developed meeting materials for all HAMPO meetings, including agendas, sign-in sheets, in-kind forms, supporting materials, PowerPoint presentation slides, and minutes.
- Executed all official documents and filed/published as appropriate to meet Federal and State requirements.
- Developed advertisements to meet Federal and State requirements as detailed in the Public Participation Plan.
- Maintained all project files and records in both hard copy and electronic formats.
- Developed FY 2020 Quarterly and Annual Reports and submitted to GDOT and FHWA as documentation for reimbursement requests.
- Maintained the HAMPO website and related content.
- Reviewed HAMPO Committee membership to identify vacancies and worked to revise the roster as needed to best facilitate the 3-C planning process.

- Developed a comprehensive task schedule for FY 2020 to ensure all deadlines were met and UPWP deliverables advanced in compliance with State and Federal guidelines.
- Developed administrative documents for FY 2020, including:
  - HAMPO FY 2020 file binders
  - Organizational Documents binder

**FY 2021 Activities:** In FY 2021, this task will provide for the administrative and operational tasks for HAMPO. Tasks include:

- Perform general administrative tasks necessary to facilitate the 3C planning process.
- Develop meeting materials for all HAMPO meetings, including agendas, sign-in sheets, in-kind forms, supporting materials, PowerPoint presentation slides, and minutes.
- Prepare and achieve approval of the local match budget.
- Process financial transactions and timecards.
- Maintain MPO project files and records.
- Process MPO related correspondence and regulatory reports.
- Maintain the HAMPO web site and related content.
- Execute all official documents and file/publish as appropriate to meet Federal and State requirements.
- Develop advertisements to meet Federal and State requirements as detailed in the Public Participation Plan.
- Maintain all project files and records in both hard copy and electronic formats.
- Develop FY 2021 Quarterly and Annual Reports and submit to GDOT and FHWA as documentation for reimbursement requests.
- Review HAMPO Committee membership to identify vacancies and work to revise the roster as needed.
- Develop a comprehensive task schedule for FY 2021 to ensure all deadlines are met and UPWP deliverables advance in compliance with State and Federal guidelines.
- Monitor FAST Act re-authorization process and prepare legislative updates for HAMPO committee meetings.
- Developed administrative documents for FY 2021, including:
  - HAMPO FY 2021 file binders
  - Updated Organizational Documents binder
- Review and update of existing MPO bylaws to facilitate new performance planning legislation.

**Products:**

- Committee presentations, agendas, sign-in sheets, supporting materials, and minutes.
- MPO quarterly and annual reports / certifications.
- Digital and hard-copy records for MPO activities and reporting.
- General administration records.
- Updated HAMPO bylaws.

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** This is a continuing activity for the fiscal year. July 1, 2020 - June 30, 2021

**Lead Agency:** HAMPO

**Funding Source:**

1.2 Operations, Admin.				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	19,200.00	-	4,800.00	24,000.00

### 1.3. Training/Employee Education

**Objective:** Maintain professional competency and improve the knowledge of the MPO's staff in transportation planning through conferences, workshops, and educational programs.

**Previous Work:** In FY 2020, staff attended the following training opportunities:

- AMPO Annual Conference 10/21/2019 to 10/25/2019
- Georgia Planning Association Fall Conference 10/2/2019 – 10/4/2019
- Georgia Transit Association Annual Conference 12/4/2019 – 12/6/2019
- Conducted orientation/training for new CAC committee members 1/28/2020.
- Staff participated in webinars on specialized topics such as public involvement, performance measures, freight Data, and other transportation topics.

**FY 2021 Activities:** This is a continuing activity in FY 2021 to provide education and training for MPO staff to enable the MPO to effectively carry out the transportation planning process.

- Attend GIS training courses to improve visualization techniques.
- Participate in webinars on specialized topics such as performance measures and other transportation topics.
- Attend conferences and workshops including AMPO, GPA, GTA, APA, and GAMPO.
- Attend GDOT and FHWA sponsored training opportunities when available.
- Conduct staff led training for newly appointed committee members and new HAMPO staff members.

**Products:**

- Attendance at various training opportunities, meetings and conferences.
- Travel documentation and trip reports.
- Training materials acquired at conferences.

**Transportation Planning Related Activities of other Agencies:** None

**Target Start and End Dates:** This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding Source:**

1.3 Training/ Employee Education				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	3,000.00	-	750.00	3,750.00

#### 1.4. Equipment and Supplies

**Objective:** The objective of this task is to provide HAMPO the necessary technological equipment and data collection equipment to carry out the transportation planning process.

**Previous Work:** There were not any equipment purchases in FY 2020.

**Project Description:** No equipment purchases are projected for FY 2021. However, printed MPO meeting materials, supplies and documents will be provided for all HAMPO committee meetings.

**Product:** MPO committees meeting materials.

**Transportation Planning Related Activities of other Agencies:** None

**Target Start and End Dates:** This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding Source:**

1.4 Equipment and Supplies				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	200.00	-	50.00	250.00

#### 1.5. Contracts/Grants

**Objective:** The objective for this task is to apply for and achieve approval of highway planning assistance grants. In support of the grants, maintain records as required under Federal and State regulations for contracts administered by the MPO.

**Previous Work:** The FY 2020 staff activities are detailed below:

- The FY 2019 highway planning assistance contract was closed by issuing the final reimbursement and final report.
- Prepared and submitted the quarterly reimbursements and status reports for FY 2020.

- Staff activities were submitted in timesheet format for review against UPWP tasks and bills coded accordingly.
- Staff maintained a monthly meeting schedule with Hinesville financial officer to track Federal and State grants currently open and coordinate annual audit proceedings and documentation.

**FY 2021 Activities:** FY 2021 contract and grant activities are anticipated to be consistent with FY 2020 tasks.

- Quarterly grant status reports and reimbursements will be prepared and submitted for open contracts.
- Closeout reports will be prepared and filed for FY 2020 contracts ready for closeout.
- On March 26, 2018 the PL Supplemental Review Committee approved \$200,000 in PL supplemental for the 2040-2045 MTP update. Grant management including reimbursements, status reports, and closeout documentation will be prepared and submitted.

**Products:**

- Quarterly and final status reports and reimbursements
- Meeting notes for monthly financial officer coordination

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding Source:**

1.5 Contracts/Grants				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	4,800.00	-	1,200.00	6,000.00

## 1.6. UPWP

**Objective:** Develop an annual planning work program for HAMPO that meets local, federal and state requirements.

**Previous Work:**

- Developed the draft and final FY 2021 UPWP
- Prepared meeting materials for HAMPO CAC, TCC, and PC meetings to facilitate adoption of the FY 2021 UPWP
- Prepared public and agency comment period materials and circulated to HAMPO planning partners and the public.

- Documented comments and included them HAMPO comment log as meeting materials and an appendix to the final FY 2021 UPWP.
- Performed one Administrative Modification to the FY 2020 UPWP on March 5, 2020 and presented the information to the HAMPO committees at the special called March CAC and TCC meetings and the PC regularly scheduled April meeting.

**FY 2021 Activities:**

- Prepare and update the annual UPWP including work tasks, cost estimates and financial reports.
- Coordinate with HAMPO Committees as well as State and Federal transportation agencies for their input to achieve an approved document.
- Track the progress of objectives in the UPWP to ensure compliance with the approved tasks.
- Ensure timely submittal for compliance with the 30-day reviews by USDOT for any documents requiring public participation.
- Update UPWP to reflect the updated goals and objectives of the 2045 MTP schedule for adoption in September 2020.

**Products:**

- Draft and Final FY 2021 UPWP
- Meeting materials supporting HAMPO adoption of the UPWP
- Comment logs documenting feedback from oversight agency review and public comment periods
- Documentation of Administrative Modifications and/or Amendments to the FY 2021 UPWP, as needed

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** The UPWP is a continuous work effort throughout the fiscal year with the major milestone of Policy Committee consideration of approval during their April 2021 meeting. A detailed planning and adoption schedule can be seen on page 2 of this document.

## **Task 2: PUBLIC INVOLVEMENT**

---

The HAMPO Policy Committee recognizes that public involvement is the essential component of the MPO planning process. The committee will continue to support implementing innovative programs to educate and involve citizens over the next year to increase awareness and citizen participation.

### **2.1. Community Outreach/Education**

**Objective:** The objective of community outreach and education is to accomplish community input into the transportation planning process in accordance with the HAMPO 2018 Public Participation Plan.

**Previous Work:**

- Maintained HAMPO website content to ensure opportunities for participation in the planning process were advertised and accessible.
- Based on recommendations from member agencies, the Policy Committee appointed new members to the Citizens Advisory Committee.
- Provided planning and project information at the request of the general public, local governments or agencies.
- Conducted HAMPO Planning 101 training for newly elected officials and newly appointed CAC members.
- Supported enhanced 2045 MTP public outreach efforts including community workshops, pop-up meetings, public survey circulation and promotion, lunch and learn events at community civic groups, and development of presentation slides and interactive exercises for Liberty Countywide Retreat.
- Staff maintained the transportation comment log and presented these comments to the committees for input and concurrence.

**FY 2021 Activities:**

- Meet with community groups and individuals, as well as the media, to provide information on the current HAMPO planning program, identified transportation deficiencies, and community issues and concerns related to transportation.
- Continue to assess the MPO webpage to ensure accuracy and ease of access for the public.
- Support consultant efforts for public outreach during the development and adoption of the 2045 MTP.
- Continue to promote open seats for the CAC to ensure adequate representation of the community in the MPO planning process.
- Accept general comments and complaints from the public and facilitate review and response procedures with HAMPO Committee oversight.
- Facilitate public comment periods for updates to HAMPO documents, including the PPP, MTP, TIP, UPWP, and other required updates.
- Continue to utilize the HAMPO website as a forum for public engagement and information sharing.

**Products:**

- Comment log documentation
- Compliance documentation for HAMPO 2018 Public Participation Plan
- Regular and special called CAC meetings
- Documentation of community presentations
- Public and Stakeholder outreach for 2045 MTP adoption

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

FHWA	8,000.00	-	2,000.00	10,000.00

## **2.2. Environmental Justice/Title VI**

Objective: Accomplish full and fair participation by underserved communities in the transportation decision-making process. During project planning and development prevent the denial of, reduction in or significant delay in the receipt of transportation improvements by minority and low-income populations; prevent disproportionate impacts to the minority and/or low-income populations in transportation services and projects. Be the ADA advocate for the community and educate the community on Civil Rights.

**Previous Work:**

- Completed annual Title VI report and submitted to GDOT for review and concurrence.
- Numerous development projects were reviewed with comments made to improve the ADA path of travel for access and pedestrian circulation.
- Facilitated quick response funding for ADA ramp and crossing on US 84/SR 38 adjacent to the Super Walmart shopping plaza.
- Screened Title VI technical memo prepared for the HAMPO 2045 MTP update and worked collaboratively to identify disadvantaged populations in need of focused outreach opportunities.

**FY 2021 Activities:**

- Continue to reach out to the Limited English Proficiency and the other underserved communities for inclusion in the transportation planning process
- Communicate with the Citizen's Advisory Committee and other parties such as schools, health agencies, and non-profits through public involvement techniques to increase participation and public outreach to the EJ communities.
- Utilize Title VI assessment data to target traditionally underserved communities for marketing and outreach during the publication of the 2045 MTP 30-day comment period.
- Monitor and track 2020 US Census Bureau results and data for use in updating Title VI, EJ, and LEP populations in the HAMPO region.
- Complete Title VI annual report and submit to GDOT for review and concurrence.
- Perform screening of HAMPO website for opportunities to improve user experience for members of the disabled and LEP community.

**Product:**

- ADA compliance reviews on new developments
- GDOT Title VI assurances and outreach documentation
- Annual Title VI report

**Transportation Planning Related Activities of other Agencies:** Liberty Transit Steering Committee - Title VI/EJ compliance

**Target Start and End Dates:** July 1, 2020 – June 30, 2021

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO, City of Hinesville for Liberty Transit

FHWA	3,200.00	-	800.00	4,000.00

### 2.3. Participation Plan

Objective: The objective of the Participation Plan is to ensure full and fair participation by all communities in the transportation decision-making process. This process is detailed in the adopted HAMPO 2018 Public Participation Plan.

**Previous Work:**

- Coordinated public participation compliance for the 2045 MTP update and other planning efforts.

- Reviewed Participation Plan requirements in preparation for TIP Amendments and ongoing community engagement.

**FY 2021 Activities:**

- Continue the evaluation and facilitation of any HAMPO plan or project for compliance with the adopted Public Participation Plan.
- Review and update of current Public Participation Plan to ensure compliance with new federal and state legislations.

**Product:**

- Public participation documentation for the FY 2018-2021 TIP if amended
- Public participation documentation for the 2045 MTP adoption
- Updated Public Participation Plan

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** July 1, 2020 – June 30, 2021

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO,

## Task 3: DATA COLLECTION

Data collection, organization, and analysis are critical to the MPO decision making process. Data collection and analysis includes population trends, socioeconomic information, current and future land use data, environmental factors, transportation networks, jurisdictional boundaries, road centerline data, traffic counts, accidents and other data needed for effective transportation planning.

### 3.1. Socio-Economic Data

**Objective:** The objective HAMPO's socio-economic data is to accomplish presentation of quality data for use with the PP, Title VI/EJ and transportation planning to prioritize transportation investments and identify/mitigate negative impacts from projects. The 2020 census is presenting both opportunities and challenges to improve the data quality and HAMPO will be working with partners to assist in this critical effort.

**Previous Work:**

- Accessed and analyzed latest US Census Bureau American Community Survey Socio-economic data for use in support of grants, TIP, MTP, multi-modal and transit planning.
- Developed future horizon SE data for use in the HAMPO 2045 MTP travel demand model.
- Responded to GDOT comments on 2045 SE data and transmit revised data and memo.
- Hosted coordination meetings with local staff to review draft and final data sets.
- Presented 2015 base year SE data and 2045 horizon year SE data to all HAMPO committees in anticipation of travel demand model results.

**FY 2021 Activities:**

- Continue to update and maintain the socio-economic data records in ArcGIS data server upon the release of updated US Census Bureau data.
- Monitor 2020 US Census data collection efforts and prepare for updates to all HAMPO mandated reports if substantial changes are documented.
- Finalize all 2045 MTP SE data efforts and incorporate into the final report and appendices.
- Monitor land use permitting and development activities in the MPO region to identify any substantial developments disproportionate with future SE assumptions.
- Provide SE data and maps in digital format to participating agencies, organizations, and planning partners.

**Product:**

- Series of GIS layers that represent socio-economic data for the HAMPO region.
- Documentation of land use permitting, and development activities used to develop and update SE data for on going transportation planning needs.
- Transmittal memos and digital file packages for requested data transfers.

**Transportation Planning Related Activities of other Agencies:** US Census Bureau – Conducting 2020 US Census count and dissemination of information and data.

**Target Start and End Dates:** July 1, 2020 – June 30, 2021

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding Source:**

3.1 Socio-Economic Data				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	800.00	-	200.00	1,000.00

**3.2. Land Use Monitoring**

**Objective:** The objective of land use monitoring is to provide expertise to the development community and our member agencies to mitigate the impacts to the transportation network from development. This is accomplished by review and comment on development plans, traffic studies, and reports in support of the Metropolitan Transportation Plan. Maintenance of land use information is included in this task.

**Previous Work:**

- Major commercial development continued in the SR38/US84 corridor resulting in transportation impacts analysis and review for each proposed project. These projects were reviewed against past studies and the MTP to align intersections were possible and cause the new public infrastructure to meet standards.
- Additional projects were reviewed to ensure compliance with the requirements of the MTP.
- Performed transportation impacts analysis for each zoning action was expanded to include multimodal infrastructure such as transit, bicycle and pedestrian accessibility.
- Maintained records for all new land development permits and certificates of occupancy for use in SE data development and performance-based planning efforts.
- Created land development maps for Liberty and Long County for presentation to MPO committees and for incorporation into the 2045 MTP.
- Supported LCPC efforts to update zoning and development codes to include requirements for traffic impact analysis and mitigation measures.

**FY 2021 Activities:**

- Continue ongoing coordination of the land use planning activities of Liberty Consolidated Planning Commission with the comprehensive transportation planning activities of the MPO.
- Continue to review site plans in conjunction with the development review process initiated by LCPC.
- Perform enhanced analysis and coordination with planning partners for developments with perceived impacts to the HAMPO transportation network.

**Products:**

- Traffic studies, reports and review comments based on development proposals
- Updated land use data for GIS mapping

**Transportation Planning Related Activities of other Agencies:**

- Georgia Department of Transportation (coordination of state highway encroachment permits)
- Liberty Consolidated Planning Commission

**Target Start and End Dates:** July 1, 2020 – June 30, 2021

This is a continuing activity for the fiscal year

**Lead Agency:** HAMPO

**Funding Source:**

**3.2 Land Use Monitoring**

Agency	Federal \$	State \$	Local \$	Total \$
FHWA	8,000.00	-	2,000.00	10,000.00

**3.3. Air Quality Management**

HAMPO is not in a non-attainment and maintenance area so this section is not applicable.

**3.4. Transportation Surveys, Models, and Analysis**

**Objective:** Seek public comment on levels of service for highways and multimodal by use of surveys, maintain current data for the traffic demand model (TDM), and provide the data set for project analysis and/or prioritization.

**Previous Work:**

- Finalized public survey results from 2045 MTP and presented findings to MPO committees for review.
- Performed interactive stakeholder surveys using mobile web-based mobile device apps to prioritize local goals and objectives for transportation investments.
- Worked collaboratively with consultant team to develop interactive games for public workshops and pop-up meetings that function as surveys to understand the transportation investment priorities of the public.
- Developed and submitted Travel Demand Model networks 1 – 6 to GDOT Modeling for review and comment.
- Supported local efforts to ensure an accurate and complete 2020 Census survey.
- Worked with consultant team to address comments issued by GDOT and submitted final network files for TDM scenarios.
- Analyzed TDM outputs and circulated Levels of Service (LOS) maps to HAMPO committees for review and comment.
- Utilized 2015 and 2045 V/C and LOS data for performance-based planning efforts of the 2045 MTP, including identification of new projects and prioritization of unconstrained project list.
- Coordinated with planning partners regarding Safety/Access Management projects not recognized as capacity adding by the TDM.

**FY 2021 Activities:**

- Document final model data for the 2045 MTP and incorporate into the final document and appendix.
- Review TDM report prepared and submitted by GDOT Modeling and publish to the HAMPO website for public and stakeholder access.

**Product:**

- Record retention of 2045 MTP Travel Demand Model results

- Website publication of TDM report
- Transmittal memos and digital file transfers for model data, as needed upon request

**Transportation Planning Related Activities of other Agencies:**

- GDOT Modeling – Development of final HAMPO 2045 MTP Travel Demand Model Report

**Target Start and End Dates:** July 1, 2020 – June 30, 2021. This is a continuing activity for the fiscal year.

### 3.5. System Monitoring

**Objective:** The objective for this sub-element is to gather and analyze data including traffic volumes and accidents for performance-based planning. HAMPO efforts also include in-house traffic counting to supplement or verify GDOT's annual count effort.

**Previous Work:**

- Utilized “GEARS” (Georgia Electronic Accident Reporting System) data for system monitoring.
- Utilized “TADA” (Traffic Analysis and Data Application) data for system monitoring.
- Updated the GIS data set (maps) using GDOT’s prior year, traffic study and HAMPO traffic counts and posted these to the web site for access by the developers.
- Updated system performance report and coordinated with MPO staff on uploading it to the website.
- Continued coordination with GDOT District 5 Traffic Operations regarding implementation of multimodal infrastructure recommended by the road safety audit on EG Miles Parkway.
- Analyzed traffic data for Veterans Parkway Phase III following completion of the widening for final phase of performance-based transportation planning process. Documented pre and post construction LOS and V/C data demonstrating successful application of the FAST Act mandated planning process.
- Coordinated with GDOT District 5 regarding US 84/SR 38 safety analysis performed from Patriots Trail to Ralph Quarterman.

**FY 2021 Activities**

- Continue to utilize “GEARS” (Georgia Electronic Accident Reporting System) and Traffic Analysis and Data Application (TADA) data for system monitoring.

- Update system performance report and publish it to the website.
- Continue post implementation system performance reporting for projects in CST phase or recently completed, including SR 119 /Airport Road.
- Continue to coordinate with GDOT District 5 regarding US 84/SR 38 safety analysis and resulting Lump Sum Safety project.

**Product:**

- System performance report
- Post implementation summaries for projects with completed CST phase and adequate post implementation data available for analysis
- Coordination meetings with GDOT District 5 staff regarding safety projects

**Transportation Planning Related Activities of other Agencies:**

GDOT District 5 – Programming, design and construction of safety projects to address crash hotspots on US 84/SR 38 in Hinesville and Flemington.

GDOT – Collection, processing, and publication of data in TADA and GEARS web-based data applications. Collaboration for annual System Performance Report update.

**Target Start and End Dates:** July 1, 2020 – June 30, 2021

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

## Task 4: System Planning

System planning is an integral part of HAMPO's planning process as the Policy Committee considers solutions to transportation issues facing the Metropolitan Planning Area. During FY 2021, HAMPO will continue to work with partner agencies to implement the Transportation Improvement Program and Metropolitan Transportation Plan. HAMPO will also address other transportation issues such as bicycle and pedestrian access, freight planning, and inter-modal connectivity to improve the overall transportation system.

### 4.1. Congestion Management

HAMPO is not a Transportation Management Area so this task is not applicable.

### 4.2. Transit/Paratransit

Transit and paratransit planning is conducted utilizing 49 U.S. Code § 5303 funding. See task 5 of this report for additional information.

#### **4.3. Intermodal (i.e. airports and ports)**

Intermodal planning activities are incorporated in sections 4.5 Bicycle and Pedestrian Planning, 4.10 Freight Planning, and 4.11 Metropolitan Transportation Plan Development.

#### **4.4. Air Quality**

HAMPO is not in a non-attainment and maintenance area so this task is not applicable.

#### **4.5. Bike/Ped**

**Objective:** The objective of this element is to ensure that pedestrian and bicycle facilities are addressed at the planning stage for new projects and that the gaps in the existing network are identified and closed as funding or other opportunities arise. This element is closely coordinated with transit planning. See element 5.4.

##### **Previous Work:**

- Continued working with the Coastal Georgia Greenway to identify opportunities to improve multipurpose bicycle paths on US 17.
- Updated HAMPO Committees on the status of the East Coast Greenway implementation and presented funding opportunities for design and implementation of trail segments planned for the HAMPO region.
- Continued coordination with the Georgia Pedestrian Safety Task Force for the implementation of the HAMPO Non-Motorized Plan and Transit Operations Plan recommendations.
  - The 10% local match requirement for \$800,000 in Section 5307 funding was achieved for the Main Street/Shaw Road and Downtown ADA improvements project. Qualifications were accepted and ranked in March 2018 placing the project on schedule to complete construction in FY 2020.
- Supported local efforts to identify Safe Routes to School projects for incorporation into the FY 2020 TSP/OST Referendum project list.
- Supported Liberty Transit efforts to prioritize installation of transit supportive infrastructure such as bus stop amenities and sidewalks.
- Supported City of Hinesville TE grant efforts for Ryon Avenue Realignment Project.

##### **FY 2021 Activities:**

- Continue to support East Coast Greenway and Coastal Georgia Greenway by sharing information and funding opportunities with local planning partners and MPO committee members.
- Screen land development submittals for multimodal infrastructure.
- Continue to support City of Hinesville TE funded design efforts for Ryon Avenue Realignment project.
- Review all 2045 MTP projects for bicycle and pedestrian infrastructure elements.

- Ensure all HAMPO Non-Motorized Plan and Liberty Transit prioritized bicycle and pedestrian projects are incorporated into the 2045 MTP.

**Product:**

- Identification and notification of funding for pedestrian and bike projects
- Land development review ensuring inclusion of bicycle and pedestrian facilities where feasible
- Communication with GDOT District 5 for incorporation of bicycle and pedestrian facilities in maintenance projects, where feasible.

**Transportation Planning Related Activities of other Agencies:** GDOT Planning and District 5 – Coordination when bicycle and pedestrian programming is requested

**Target Start and End Dates:** July 1, 2020 – June 30, 2021

**Lead Agency:** HAMPO

**Funding Source:**

4.5 Bike/Ped				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	3,000.00	-	750.00	3,750.00

#### 4.6. Model Development and Applications

HAMPO's travel demand model (TDM) was updated in FY 2020 in support of the 2045 Metropolitan Transportation Plan; therefore, no work is included in FY 2021.

#### 4.7. GIS Development and Applications

**Objective:** This sub-element provides the resources necessary to maintain HAMPO's Geographic Information System (GIS) platform that is used to prepare exhibits that are specific and relevant to the transportation planning process. UPWP elements such as system monitoring and socioeconomic data contribute to the GIS platform and are then presented holistically with other data sets. Combining multiple layers together through GIS produces map exhibits that are critical to the transportation planning process.

**Previous Work:**

- Produced GIS exhibits throughout the year primarily to support agenda items for the HAMPO committees, public and stakeholder engagement, and HAMPO web site graphics.
- Updated traffic count maps and major road tractor trailer freight movements using line symbology.

- GIS data including MTP and TIP projects, TDM outputs, road centerlines and associated data, and MPO boundaries were accessed for accuracy and transmitted to MTP consulting team for use in performance-based planning.
- Utilized local land use data, collected in the Land Use Monitoring task efforts, to produce local development maps for Liberty County, Long County and all local municipalities.

**FY 2021 Activities:**

- Continue to maintain the HAMPO GIS database and layers
- Map exhibits as needed to support the 3C MPO planning process
- Develop TIP project summary maps and project sheet maps
- Receive 2045 MTP GIS shapefiles and map packages from consultant teams and incorporate them into the HAMPO GIS database
- Work collaboratively with City of Hinesville GIS Department and Liberty County Tax Assessors GIS team to ensure consistency with transportation and land use data sets
- Review all 2020 census data for the MPO area including data received from Fort Stewart Military Base.

**Product:**

- Map exhibits for the TIP, project evaluations and committee presentations

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding Source:**

4.7 GIS Development and Applications				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	7,000.00	-	1,750.00	8,750.00

#### **4.8. Highway Planning**

Work on this task is included in the TIP, MTP and other UPWP sections.

#### **4.9. Intelligent Transportation System (ITS)**

As deployment of ITS systems becomes a national reality, HAMPO will add this element to advocate for installation of transportation features in support of ITS. Opportunities to increase knowledge on Intelligent Transportation Systems are included in the training element.

#### **4.10. Freight Planning**

**Objective:** The objective of freight planning is to ensure that intermodal system planning for the freight component is included in the metropolitan transportation planning process. This includes implementation and support of the MTP projects to increase freight efficiency; obtaining input from freight stakeholders; GDOT, neighboring MPOs, ports, and the public.

**Previous Work:**

- Summarized findings of the HAMPO Freight Study for incorporation into the MTP existing conditions, operational, and safety analysis.
- Monitored Georgia Ports Authority growth through “State of the Ports” presentations and website publications.
- Utilized NPMRDS data to identify bottle necks in the MPO region.
- Monitored regional transportation projects that will impact freight-based distribution including I-95 maintenance and the I-95 at Belfast Keller Interchange.

**FY 2021 Activities:**

- Ensure integration of the HAMPO Freight Plan into the 2045 MTP report.
- Ensure integration of MidCoast Regional Airport’s program of projects into the 2045 MTP, including the newly scoped airport access roadway.
- Continue to monitor development and growth at Port of Savannah and Port of Brunswick as well as associated regional enhancements such as the I-95 / Belfast Siding interchange in Richmond Hill servicing a proposed 1,100-acre industrial park.
- Coordinate with planning partners regarding operational upgrades recommended in the HAMPO Freight Study.

**Product:**

- Fully integrated HAMPO Freight Plan and Midcoast Regional Airport program of projects with 2045 MTP report
- Documentation of meetings regarding freight supportive operational enhancements

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** July 1, 2020 – June 30, 2021

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding Source:**

4.10 Freight Planning				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	1,600.00	-	400.00	2,000.00

**4.11. Metropolitan Transportation Plan**

**Objective:** In accordance with the FAST Act and other federal regulations; maintain the HAMPO Metropolitan Transportation Plan (MTP) in good standing; incorporate the ten Planning Activity Factors and the Planning Emphasis Areas in the transportation planning process, and implement the MTP projects and policies on an ongoing basis.

**Previous Work:**

- Assisted in evaluating transportation projects proposed by the transportation committees, local official, citizens, or GDOT officials
- Supported consultant efforts during the development of all MTP update materials and products
- Maintained project records and reviewed draft plan deliverables submitted by consultant team

**FY 2021 Activities:**

- Finalize the HAMPO performance based, multimodal 2045 MTP, ensuring all federal and state requirements are met
- Continue to support consultant efforts during the development of all MTP update materials and products
- 2045 MTP Amendments and Administrative Modifications
  - Amended/Modified document
  - HAMPO committee meeting slides
  - Public comment period materials and documentation (Amendments only)

Website content for TIP Amendment / Modification publications **Product:**

- Draft and Final 2045 MTP and supporting documentation
  - Documentation of oversight agency review comments and actions
  - Documentation of 30-day public comment period and actions
  - Presentation slides for MPO adoption of the 2045 MTP
  - Resolution for PC approval and signature

**Transportation Planning Related Activities of other Agencies:** FHWA, GDOT Planning and GDOT Intermodal – review and comment on draft 2045 MTP

**Target Start and End Dates:** July 1, 2020 – November 1, 2020

**Lead Agency:** HAMPO

**Funding Source:**

4.11 Metropolitan Transportation Plan				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	9,032.81	-	2,258.20	11,291.01

#### 4.12. Transportation Improvement Plan

**Objective:** To develop and maintain a Transportation Improvement Program (TIP) in cooperation with local and state planning partners.

**Previous Work:**

- Worked with MPO planning partners to secure lump sum safety funding for US 84 Access Management in Flemington and Hinesville
- Coordinated with GDOT Office of Planning on the 2018-2021 TIP amendment #5
- Completed 2018 – 2021 TIP Amendment #5
  - Amended TIP Document
  - Developed HAMPO committee meeting slides
  - Developed public comment period documentation in accordance with Public Participation Plan requirements
  - Updated HAMPO website publishing draft and final 2018 – 2021 TIP Amendment #5

**FY 2021 Activities:**

- TIP Kick-off coordination meeting with GDOT Planning and District
- Complete a HAMPO 2021-2024 TIP update
- Perform TIP Amendments and Administrative Modifications as required
- Provide status for current projects at each HAMPO committee meeting

**Product:**

- 2021 – 2024 TIP
- TIP Amendments and Administrative Modifications
  - Amended/Modified document
  - HAMPO committee meeting slides
  - Public comment period materials and documentation (Amendments only)
  - Website content for TIP Amendment / Modification publications

**Transportation Planning Related Activities of other Agencies:** GDOT Planning – TIP Kick-off meeting, review and comment of draft materials

**Target Start and End Dates:** July 1, 2020 – June 30, 2021

Maintenance of the TIP is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding:**

4.12 Transportation Improvement Plan				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	8,200.00	-	2,050.00	10,250.00

**4.13. Special Transportation Studies**

**Objective:** The sub-element represents any PL or 5303 special planning studies that provide the MPO with the capability to develop planning studies to meet identified needs and locally identified transportation initiatives. The MPO will also respond to requests from other agencies or the general public and address planning needs not otherwise covered in the UPWP.

**Previous Work:**

- In FY 2019, a Special Transportation Study (PL Supplemental) was initiated by HAMPO through a competitive RFP procurement process to update the HAMPO 2020-2045 Metropolitan Transportation Plan. This work continued throughout FY 2020 with consultant support.

**Description:**

- 2045 MTP update activities will extend into the first quarter of FY 2021 with an adoption deadline of October 2020.
  - 30-day public comment period
  - Agency review and comment
  - Final plan preparation
  - MPO presentations and action to adopt the MTP

**Transportation Planning Related Activities of other Agencies:** GDOT Highway and Intermodal, FHWA, and FTA – Review and comment on draft HAMPO 2045 MTP

**Target Start and End Dates:** July 1, 2020 – October 15, 2020

**Funding:**

4.13 2045 MTP Update: PI# 0016087 (\$200k)				
Agency	Federal \$	State \$	Local \$	Total \$
FHWA	50,181.00	-	12,545.40	62,727.00

*The estimated amount of UPWP Task 4.13: 2045 MTP special PL funding for FY 2021 is based on estimated charges through May 8, 2020. HAMPO will carry out administrative modification to revise FY 2021 UPWP updating the actual special PL funding expected to be spent during FY 2021 following invoicing period as of June 30, 2020.*

## Task 5: TRANSIT PLANNING

Transit planning is funded per an annual federal section 5303 planning assistance grant to provide for effective, affordable and accessible public transportation options and alternatives in the Metropolitan Planning Area.

Our objectives are to:

- Provide planning, administration, and coordination in support of transit and associated public infrastructural improvements both regionally and inside the Metropolitan Planning Area.
- Improve mobility by expanding modal choice through increased transit and alternative transportation facilities and services with emphasis on underserved populations.
- Integrate walkability planning into development, local, HAMPO and regional plans.

### Budget Summary for Fiscal Year 2021:

**5.1 Program Support and Administration**

(FTA - ALI code 44.21.00)

*FTA C 8100.1C Activity Line Item Description:*

*"Include basic overhead, program support, and general administrative costs directly chargeable to the FTA project; examples include direct program support, administration, interagency coordination, citizen participation, public information, local assistance, and Unified Planning Work Program (UPWP) development. (If direct program administrative and support costs are included in each work or activity, do not enter them a second time in this category)".*

**Objective:**

To administer and operate the MPO transit planning process by coordinating MPO functions with Georgia Department of Transportation, the Federal Transit Administration and all involved stakeholders, including time and financial accounting for MPO transit planning-related activities during the fiscal year.

Provide regional coordination for transit planning and efforts to increase ridership for transit systems with continued emphasis on coordination between our transit providers. There are currently seven

“local” transit systems in our region with each striving to accomplish their specific mission. Urban systems are Liberty Transit and Chatham Area Transit. Rural service is provided by Coastal Regional Coaches. Other government sponsored systems are the school bus system and Veterans services. Private systems are taxi services and medical transport.

**Previous Work (FY 2020):**

- MPO Committee meetings
- GAMPO Annual Spring and Fall Conference
- GPA Planning Conference
- Core MPO and CRC Policy meetings
- LCPC Financial Audit Report, Unqualified
- FY 2020 5303 Quarterly Status Reports, and Reimbursements and Close Out
- FY 2020 UPWP Development

**Description:**

This is a continuing annual activity providing the administrative and operational tasks for HAMPO in the following areas:

**Administration:**

- Host all HAMPO committee and sub-committee meetings (policy, technical, and citizens) with agendas, minutes, mailings, presentations and staff reports
- Maintain time and financial records
- Maintain project files
- MPO related correspondence
- Maintain HAMPO Web Site

**Training/Employee Education:**

- Attend and participate in conferences and trainings on planning factors and emphasis areas.
- Attend GIS training courses to improve visualization techniques.
- Webinars on specialized transit topics
- Attend Title VI and EJ training

**Contracts and Grants:**

- Annual and final status reports and reimbursements
- 5303 FY 2021 transit planning assistance grant administration
- 5303 FY 2022 transit planning assistance grant

**Unified Planning Work Program:**

- Coordinate with HAMPO Committees as well as State and Federal transportation agencies for their input to achieve an approved document
- Track the progress of objectives in the UPWP to ensure compliance with the approved tasks
- Adhere to the requirements of the MPO certification
- Submit for compliance review and approval documents such as TIP's, Contracts, RFP's etc..
- 5303 FY 2021 transit UPWP

- 5303 FY 2022 transit UPWP

**Public Involvement, Environmental Justice/Title VI and Participation Plan:**

- Ensure that citizens have been provided with adequate, appropriate and meaningful opportunities to participate in the MPO planning and decision-making process.
- Meet with community groups, individuals as well as the media to reach a broader cross section of the public
- Facilitate public information meetings on transportation projects
- Ensure that outreach activities are made available in English and Spanish for the 2010 Census defined LEP population that exceeds the 5% threshold for Spanish speaking.
- Continually improve HAMPO's website for ease of access and current Title VI/EJ documents
- Be the ADA advocate and educator for the community
- Use Geographic Information Systems (GIS) mapping to locate underserved populations within the MPA to assess the benefits and burdens of existing and planned transportation system investments on these populations.
- Coordinate with the 5307 fixed route system operator (Liberty Transit) to improve their Title VI/EJ beyond the state template minimums. This is critical to support their efforts to improve complimentary paratransit service (CPS), Associated Transit Improvements and service changes.

**Products:**

- 5303 Grant Status Reports and Reimbursements
- HAMPO and Transit Steering Committee Meetings
- Presentations to Community Groups and meeting with citizens
- News releases on HAMPO work products

**Transportation Planning Related Activities of other Agencies:**

- Liberty Transit Steering Committee

**Start/Finish Dates:**

- Administration is an ongoing task for the fiscal year: July 1, 2020 – June 30, 2021

**Lead Agency:** HAMPO

**Funding:**

## **5.2 Long Range Transportation Planning (MTP) - System Level**

**(FTA - ALI code 44.23.01)**

### *FTA C 8100.1C Activity Line Item Description:*

*“a. Long Range Transportation Planning (LRTP)—System Level. Include only the costs of activities specifically emphasizing long range transportation system planning and analysis; examples include long range travel forecasting and modeling including appropriate data base development and maintenance for transportation in the entire metropolitan area or State, system analysis, sketch planning, system plan development, reappraisal or revision, and all long-range Transportation System Management (TSM) activities.*

*b. Long Range Transportation Planning (LRTP)—Project Level. Include only the costs of examples include corridor and subarea studies, cost effectiveness studies, feasibility and location studies, and the preparation of related draft environmental impact studies.”*

### **Objective:**

In accordance with the FAST Act and other federal regulations, perform transit planning in accordance with the approved 2015-2040 Metropolitan Transportation Plan (MTP) and supplements. Transit planning will be in accordance with the national transit goals, Planning Activity Factors and the Planning Emphasis Areas to support the MTP.

### **Previous Work:**

- In FY 2020, major focus was performing Transit Planning in compliance with the 2040 MTP and implementing the Planning Non-Motorized Plan and Transit Operations Plan updates.
- Closely supported the development of the performance based, multimodal 2045 Metropolitan Transportation Plan

### **FY 2021 Activities:**

Activities focus on long range transit planning for the Metropolitan Planning Area. In FY 2021, work on the MTP will include:

- Coordination and management of the 2045 MTP update
- Maintain and implement the MTP in accordance with Public Participation and Title VI Plan
- Develop reports and information to fund transit improvements throughout the MPA
- Continue to work with GDOT and local partners in prioritizing and implementing projects in the MTP and TIP, this includes attending meetings and conducting analysis where needed for a comprehensive and coordinated MTP
- Transit System surveys and data collection activities will be conducted to gather information regarding the system's current performance and provide recommendations to maximize ridership. This and other information will be used for comprehensive planning for transit in HAMPO's study area. Coordination with the Coastal Regional Commission, GDOT, Chatham Area Transit, and current NEHS service providers will be integral to FY 2020 and FY 2021 MTP planning efforts.

### **Products:**

- Report on implementation of 2040 MTP in quarterly and annual status reports.

- Create map exhibits for the MTP and TIP for the “list of projects” and post to the web site.
- Socio-Economic Data for the 2045 MTP project.

**Transportation Planning Related Activities of other Agencies:**

- GDOT Transit - Coordination with the State’s MTP and for performance measures.
- Transit Planning per the Group Asset Management Plan

**Start/Finish Dates:**

- July 1, 2020 – June 30, 2021. This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding:**

Agency	Federal \$	State \$	Local \$	Total \$
FTA, GDOT	20,000.00	2,500.00	2,500.00	25,000.00

**5.3 Short Range Transportation Planning (S RTP)**

(FTA - ALI code 44.24.00)

*FTA C 8100.1C Activity Line Item Description:*

*“Include only the costs of activities specifically emphasizing short range transportation system or project planning and analysis proposed in the next three to five years; examples include management analyses of internal operations such as management/administration, maintenance, personnel, and labor relations; service planning including appropriate data base development and maintenance; Transportation Development Plan (TDP) preparation; financial management planning, including alternative fare box policies; and all short range Transportation System Management (TSM) activities including vanpool/ridesharing, high occupancy vehicles, parking management.”*

**Objective:**

Provide planning support to the local urbanized transit system to encourage strategic management and operations improvements to facilitate increased access to citizens wishing to utilize public transportation.

**Previous Work:**

- Coordinated 5307 Associated Transit Improvements for sidewalk improvements and ADA barrier removal for improved access to bus stops. Achieved funding in FY 2015, 2016, and 2017.
- Maintained and updated socio-economic GIS databases.
- Supported Liberty Transit efforts to prepare for competitive rebid of Contract Operator RFQ in 4<sup>th</sup> quarter of FY 2020.

**FY 2021 Activities:**

- Adjustments to current and potential service will be recommended as studies indicate potential ridership to increase opportunities. Additional analysis will focus on development of all transportation facilities, including bikeways and walkways that will function as an intermodal transportation system. Improvements will be identified to enhance the usability and community-friendliness of the transit system environment to improve pedestrian and bicycle access.
- Coordination on regional intercity transit opportunities.
- Coordination of implementing demand response service and matching (downsizing) Liberty Transit's revenue vehicle fleet.

**Product:**

- Perform GIS collection, organization, and mapping analysis. Data collection includes population trends, socioeconomic information, current and future land use data, environmental features, transportation networks, jurisdictional boundaries, and other data needed for effective transportation planning.
- 5307 Sidewalk project planning
- Implement Transit Coordination and Bicycle/Pedestrian Facilities Plan
- Coordinate implementation of Hinesville's Transit Development Plan.
- Reports and other documents and supporting documentation will be prepared and provided to GDOT as needed.
- Add to the MPA's multi modal transportation networks by review and comment on development plans, traffic studies, and reports.
- Seek public comment on levels of service for highways and multimodal by use of surveys, maintain current data for the traffic demand model (TDM), and provide the data set for project analysis and/or prioritization.
- Development plans reviewed for transit opportunities and adequacy of multi-modal infrastructure.

**Transportation Planning Related Activities of other Agencies:**

- Liberty Transit Steering Committee - coordination and professional staff support
- GDOT Transit - coordination

**Target Start and End Dates:**

- This is a continuing activity for the fiscal year: July 1, 2020 – June 30, 2021

## **5.4 Transportation Improvement Program (TIP)**

(FTA - ALI code 44.25.00)

*FTA C 8100.1C Activity Line Item Description:*

*"Include only the costs of activities specifically emphasizing TIP development and monitoring"*

### **Objective:**

To develop and maintain a Transportation Improvement Program (TIP) in cooperation with local and state planning partners.

### **Previous Work:**

In FY 2018, the 2018-2021 TIP was approved by the Governor September 28, 2017.

### **Description:**

- In FY 2021, HAMPO will maintain and update the TIP as required. The TIP includes detailed sections on the 5307 Liberty Transit and 5304 Coastal Regional Coaches as administered by Coastal Regional Commission.

### **Product:**

- 2018-2021 TIP amendments as needed
- Status reports of current projects provided at HAMPO committee meetings
- Continued coordination with the GDOT Office of Planning on the 2021 – 2024 TIP update

### **Transportation Planning Related Activities of other Agencies: GDOT Planning**

#### **Target Start and End Dates**

- Maintenance of the TIP is a continuing activity for the fiscal year: July 1, 2020 – June 30, 2021

## **HAMPO MPO FY 2021 UPWP** **Oversight Agencies Comment Log**

### **FHWA Comments**

#### **General**

- I encourage this MPO to create a separate section somewhere at the beginning of this document to summarize and highlight its noteworthy accomplishments during FY 2020.

*MPO's Response: The FY 2021 UPWP has been revised to include a section highlighting past MPO accomplishments.*

- Please revisit last year's comments to see if they were addressed. If not, how they will be addressed during FY 2021.

*MPO's Response: MPO staff reviewed comments received on the FY 2020 UPWP and has address all comments with the exception on the size of the document. MPO staff has reviewed each section of the FY 2021 UPWP to ensure information included is as concise without removing pertinent details from the document.*

#### **Section A – UPWP Development and Participation process:**

- 3rd paragraph, second sentence: Please revise “annual priorities” to be consistent with actual “Annual Priorities” section of remove this paragraph entirely as annual priorities look beyond the goals of an MTP.

*MPO's Response: The FY 2021 UPWP has been revised accordingly.*

- 5th paragraph, first sentence: Please edit to include PC. Currently, CAC is highlighted twice.

*MPO's Response: The FY 2021 UPWP has been revised accordingly.*

- UPWP Amendments: Remove last paragraph/sentence stating UPWP amendments to the FY 2021 UPWP are on pg. 4.

*MPO's Response: The FY 2021 UPWP has been revised accordingly.*

#### **Section B – FY 21 Planning Focus Areas:**

- Please include 2020 Census as a FY 2021 priority and outline associated activities under the relevant Tasks / Subtasks

*MPO's Response: The FY 2021 UPWP document has been updated to include the 2020 Census as planning priority for FY 2021 along with associated tasks included for relevant tasks/subtasks.*

- I recommend activities to re-evaluate and update the MPO's Bylaws, Participation Plan, COOP, etc.

*MPO's Response: The FY 2021 UPWP has been updated to include activities to review and update the MPO's bylaws and PPP where necessary.*

- Performance management continues to be a priority, please, include annual TPM target setting as a priority and outline associated activities to accomplish this task;

*MPO's Response: The FY 2021 UPWP has been updated to include TPM as a planning focus area for upcoming fiscal year.*

- Freight Planning tasks with identified activities. This MPO has a fairly current Freight Plan, how is it being implemented and evaluated; how is coordination and with who; ways to assess/evaluate any implemented freight related projects and/or strategies? Freight representation; etc.

*MPO's Response: The FY 2021 UPWP has been revised to include Freight Planning as a priority focus as well as more detailed activities for the upcoming fiscal year.*

- Public Involvement to coincide with the MTP update

*MPO's Response: The Public Involvement of the FY 2021 UPWP has been updated accordingly to coincide with the MTP update.*

### **Section C – Performance Based Planning:**

- PEAs: Please remove the federal PEAs to include acronym and the FHWA/FTA letter in the Appendix as these PEAs are dated. Furthermore, these areas should now be a part of your planning and programming process.

*MPO's Response: PEAs have been removed from the FY 2021 UPWP along with FHWA/FTA letter from the appendix.*

- Planning Activity Factors Matrix: This matrix contain several N/As. Based on the overall metropolitan planning process, some of these tasks should not be N/As for addressing the federal planning factors, Congestion Management for instance. How is this region monitoring and addressing congestion? Currently, this MPO is looking at congestion management as a required product of TMAs instead of identifying activities to address any current and/or future congestion in this region.

*MPO's Response: the FY 2021 Planning Activity Factors Matrix was reviewed, and all updates have been made. The current planning activity factors matrix directly corresponds with the FY 2021 UPWP tasks and activities as outlined in the summary budget table on page 58.*

### **Section D: UPWP Tasks and Phases:**

- 4.11 MTP - Please add amendments to the FY 2045 MTP as potential activities during FY 2021. This can follow the same list of activities as the TIP as the TIP is a subset of the MTP

*MPO's Response: section 4.11 MTP of the FY 2021 UPWP has been updated to include amendment of the FY 2045 MTP as a potential activity during FY 2021*

### **UPWP Budget Summary:**

- There are inconsistencies with naming Systems Planning/Systems Analysis. Please revise for consistency.

*MPO's Response: FY 2021 UPWP Summary budget table was updated to ensure consistency. All system planning references have been changes to system planning.*

## **GDOT Comments**

### **General Comments:**

- FY 2021 Planning Focus Areas: Please also add activities to re-evaluate and update the MPO's MOU (As 2020 Census information becomes available, MPO boundary may change, etc.)

*MPO's Response: MPO has updated FY 2021 UPWP to include MOU update as a planning priority for the upcoming fiscal year.*

- Planning Activity Factors Matrix: As noted by FHWA, The MPO has "n/a" listed for several work elements that do not have funding allocated (congestion management, air quality management, air quality planning, etc.) While these may not require specific documents, the MPO is addressing these elements through the MTP and TIP process. The MPO should consider use the work elements listed in the chart under Section A. UPWP Development and Participation Process (Page 1 of Document)

*MPO's Response: MPO staff has updated FY 2021 planning activity factors matrix to remove all work elements that originally had "n/a" to reflect the FY 2021 UPWP summary budget table and included a footnote explaining the changes.*

### **FY 2021 UPWP Budget Summary:**

- Please fix the minor formatting issues in the table (Subtotal Task 4 heading should be formatted identical to other headings, and make sure the Total Planning Funds are conveyed clearly, to help our Financial Office easily identify these funds for programming).

*MPO's Response: MPO has updated the FY 2021 UPWP to correct formatting of summary budget table as well as highlighted total planning funds for FY 2021 per agencies recommendation.*

- 1.4 Equipment and Supplies: MPO should consider allocating a small amount of funding for this task to prevent any possible budget adjustments that may be needed should any equipment or supplies need to be purchased during the fiscal year.

*MPO's Response: MPO update FY 2021 UPWP summary budget table to include funding for equipment and supplies for FY 2021.*

- Special Studies 4.13: Please only show the amount of special PL funds expected to be spent during FY 2021 instead of the total contract amount

*MPO's Response: MPO has updated summary budget table to reflect MTP funding expected to be spent in FY 2021 instead of the total contract amount. A footnote has also been incorporated noting that these are funding estimates given that the current fiscal year has not ended, and the totals are subject to change based on consultant invoicing for activities through June 30<sup>th</sup>. An administrative modification will be made once the Fiscal Year has ended and all invoices have been received.*

### **Minor comments:**

- Make sure the overall document is corrected edited, formatted, and consistent throughout (page numbers, headers, table of contents, etc.)

*MPO's Response: MPO has reviewed final draft of the FY 2021 UPWP to ensure all formatting errors were addressed and consistent throughout the document.*

- Make sure the Table of contents is formatted to show correct page numbering throughout the document; "Task 2. Public Involvement" does start as page 0, after page 24.

*MPO's Response: MPO has reviewed final draft of the FY 2021 UPWP to ensure all page numbering and formatting errors were addressed and consistent throughout the document.*

Mr. Jeff Ricketson, Executive Director  
Hinesville Area MPO  
100 Main Street, Suite 7520  
Hinesville, GA 31313

Dear Mr. Ricketson:

The following is in response to our receipt of your final Fiscal Year (FY) 2021 Unified Planning Work Program (UPWP) adopted by the Policy Committee on June 11, 2020. Upon our review of the subject document, the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) have determined that the document satisfies the requirements of 23 U.S.C. 134, 49 U.S.C. 5303, 23 CFR Part 450 and 420, 2 CFR Part 200, and other pertinent legislation, regulations, and policies and hereby approve the FY 2021 UPWP.

The FY 2021 UPWP reflects \$97,632.81 of programmed PL Funds. These funds are available upon an approved authorization. The FY 2021 UPWP 5303 funds are consistent with the distribution of FTA 5303 funds as identified by the Georgia Department of Transportation (GDOT) and are available upon award and execution by GDOT of a TEAM planning grant.

Expenditure invoicing and progress reports should be submitted quarterly and/or annually, with copies to the FHWA and FTA. Expenditures incurred without prior authorization will not be reimbursed.

If you have any questions, please contact Ann-Marie Day at 404-562-3639 or Mr. Keith Melton at 404-865-5614.

Sincerely,

for

Moises Marrero  
Division Administrator

## **Memorandum of Understanding**

### **HINESVILLE AREA METROPOLITAN PLANNING ORGANIZATION**

#### **MEMORANDUM OF UNDERSTANDING**

##### **BETWEEN**

The Georgia Cities of Allenhurst, Flemington, Gum Branch, Hinesville, Midway, Riceboro and Walthourville, Liberty and Long counties, Fort Stewart and the Georgia Department of Transportation, in cooperation with the U.S. Department of Transportation,

##### **RELATIVE TO**

The continuing, comprehensive, cooperative urban transportation planning process known as the Hinesville Area Metropolitan Planning Organization (HAMPO).

#### **I. IT IS THE INTENTION OF THE PARTIES:**

##### **A. That the Hinesville Area Metropolitan Planning Organization (HAMPO) is to:**

1. Maintain a continuing, cooperative and comprehensive transportation planning process as defined in Title 23 USC Section 134 that explicitly considers the seven transportation planning factors and results in plans and programs consistent with comprehensively planned development of the urbanized area.
2. Update and revise the 20 Year Multimodal Transportation Plan, to create a fiscally feasible transportation system that integrates thoroughfare development, public mass transportation, air facilities, rail systems, intermodal facilities, bicycle and pedestrian facilities and transportation enhancements; and reflects consideration of the area's comprehensive land use plans and overall social, economic, environmental, and energy conservation plans, goals and objectives.
3. Create a functional relationship between transportation planning and city-county development.

4. Maintain the data obtained in the original data collection phase of the study and any pertinent data collected thereafter on a current level so that existing and forthcoming recommendations may be evaluated and updated periodically.

5. Produce all documents and studies that are necessary to maintain a Certified Transportation Planning Process.

II. **IT IS FURTHER AGREED**, that the areas of responsibility of the aforementioned counties, municipalities, and government agencies shall lay within the study area Boundary established by the Policy Committee of the HAMPO Regional Transportation Study. This area includes the cities of Allenhurst, Flemington, Gum Branch, Hinesville, Midway, Riceboro and Walthourville, all of Liberty County and portions of the unincorporated area of Long County that are adjacent to these cities as well as the cantonment area of Fort Stewart.

III. **IT IS FURTHER AGREED**, that the Metropolitan Planning Organization (MPO) as designated by the Governor of Georgia is the Hinesville Area Metro Planning Organization. The HAMPO shall have the primary responsibility for carrying out the urban transportation planning process and of developing the planning work programs, transportation plan, and transportation improvement program.

IV. **IT IS FURTHER AGREED**, that the Regional Transportation Study shall be coordinated by a Project Director who shall be the Director of the Liberty Consolidated Planning Commission or his designee and the staff of the Liberty Consolidated Planning Commission agency shall serve as staff to the HAMPO program and process. Additional staff resources may be provided, upon request, from the Technical Coordinating Committee (TCC) membership and existing staff resources of the participating agencies and governments. The Project Director shall coordinate all requests under the direction of the Policy Committee.

V. **IT IS FURTHER AGREED**, that the Hinesville Area Metropolitan Organization Policy Committee shall continue to function to adopt appropriate goals, work programs, and plans; and to establish the need, form, and direction of future transportation improvements in the Regional Transportation Study area. The Policy Committee shall be the MPO forum for cooperative decision-making by principal elected and appointed officials of general purpose local government and intermodal transportation providers. The individuals representing the government jurisdictions involved in the HAMPO planning process and other involved agencies shall comprise the Policy Committee. The membership shall be enumerated in the Policy Committee Bylaws. The Policy Committee shall have final authority in the matters of policy and plan adoption for HAMPO.

VI. **IT IS FURTHER AGREED**, that the committee known as the Technical Coordinating Committee (TCC) shall continue to function to assure the involvement of all operating departments, advisory agencies, and multimodal transportation providers concerned with, or affected by, the planning process and subsequent implementation of plans. The technical guidance and direction of the continuing Regional Transportation Study shall be furnished by the TCC. The membership shall be enumerated in the Technical Coordinating Committee Bylaws.

VII. **IT IS FURTHER AGREED**, that the Citizens Advisory Committee (CAC) shall continue to function as a public information and involvement committee, and shall be representative of a cross-section of the community. The CAC shall keep the Policy Committee and the Technical Coordinating Committee informed of the community's perspective and shall also provide information to the community about transportation policies and issues. The membership shall be enumerated in the Citizens Advisory Committee Bylaws.

**VIII. IT IS FURTHER AGREED**, that the various committees meet at significant stages in the planning process in accordance with the bylaws adopted for each committee by the Policy Committee

**IX. IT IS FURTHER AGREED**, that the Georgia Department of Transportation (GDOT), only to the extent that it may be bound by contracts which may hereafter be entered into, shall be responsible for the following:

1. Provide available maps, aerial photographs, charts, and records as deemed necessary to maintain the study.
2. Update and maintain travel simulation models for use in evaluating the metropolitan area's transportation needs. Said models shall be the "official" HAMPO models. The Department shall also provide the expertise and computer software for the above mentioned tasks.
3. Make periodic reviews and evaluations of projected transportation needs; and revisions, when necessary, of the multimodal transportation plan.
4. Aid the MPO in preparation of planning-oriented preliminary engineering, right-of-way, and construction cost estimates where applicable for multimodal projects in the HAMPO 20 Year Transportation Plan.
5. Provide the local agencies with current information concerning the status of planning and implementation of the HAMPO 20 Year Multimodal Transportation Plan.
6. Enter into the cooperative process with all participating agencies, when the need for a major metropolitan investment is identified, to determine the extent of the analyses and define each agency's role in the development of the Major Investment Study (23 CFR § 450.318).

7. Incorporate, without modification, the Georgia portion of the adopted HAMPO Transportation Improvement Program into Georgia's State Transportation Improvement Program; and coordinate with the HAMPO Multimodal Transportation Plan in the development of the Georgia Statewide Transportation Plan.

8. Coordinate with all participating parties an understanding of the development and amendment process for the Transportation Improvement Program and the Statewide Transportation Improvement Program.

9. Annually certify, concurrently with the HAMPO, to the FHWA and the FTA that the HAMPO planning process is addressing the major issues facing the area and is being conducted in accordance with all applicable Federal laws.

10. Provide various types of traffic count data.

11. Provide other assistance as mutually agreed upon.

12. Provide funding availability and proposed project schedules for federally funded projects for use in TIP development.

13. Ensure cooperation with the HAMPO and the Liberty/Long County Transit System in the development and implementation of the six transportation management systems and the traffic monitoring system in Georgia (23 CFR Part 500) as appropriate.

**XI. IT IS FURTHER AGREED**, that the Hinesville Area Metropolitan Organization, only to the extent that it may be bound by contracts which may hereafter be entered into, shall be responsible for the following:

1. Prepare of planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for multimodal projects in the HAMPO 20 Year Transportation Plan.
2. Update and maintain maps showing existing and proposed land use, and make appraisals of actual land use development in comparison with projections.
3. Review zoning and subdivision requests in accordance with the HAMPO Transportation and Land Use Plans.
4. Provide or obtain social and community development plans as may relate to transportation needs.
5. Develop and maintain base and projected population, housing, employment, economic, vehicle and land use data by traffic zone and supply information as requested concerning special generators.
6. Make recommendations for revisions of the HAMPO 20 Year Transportation Plan to conform to new planning goals, objectives, policies, or developments.
7. Periodically review traffic zone boundaries and make appropriate recommendations to the Technical Coordinating Committee and cooperate with the Georgia Department of Transportation in revision of said boundaries.
8. Provide available maps, aerial photographs, charts, records, and directories to the extent possible.
9. Collect, analyze and distribute traffic data such as traffic counts and accident data to the public, governmental agencies, and other parties.
10. Prepare and publish as necessary, a fiscally constrained 20 Year multimodal transportation plan that leads to the development of an integrated intermodal

transportation system that facilitates the efficient movement of people and goods. The transportation plan shall be reviewed and updated at least every five years.

11. Prepare and maintain a financially balanced Three Year Multimodal Transportation Improvement Program (TIP) for Georgia which will be updated annually.

12. Prepare an annual Unified Planning Work Program to document planning activities to be performed in the next fiscal year; in sufficient detail to indicate who will perform the work, the schedule for completion and the products that it will produce.

13. Prepare an annual Performance Report for the comparison of established goals in the Unified Planning Work Program and completed work elements.

14. Compile, maintain, and document data on existing water, air, motor freight and rail terminal and transfer facilities.

15. Prepare and publish as necessary a Public Involvement Process which documents how the MPO will provide complete information, timely public notices, full public access to key decisions, and support early and continuing involvement of the public in the development of plans and TIPs; and meets the criteria specified in 23 CFR Part 450.

And if applicable to HAMPO:

16. If applicable, cooperate with the Georgia Department of Transportation in the development and implementation of the six transportation management systems and the traffic monitoring system (23 CFR Part 500). *The MPO will have the lead responsibility in the development of the Congestion Management System.*

17. If applicable, ensure that the Congestion Management System, the Public Transportation Management System and the Intermodal Management System shall, to the extent appropriate, be part of the metropolitan transportation planning process, and that the results of the six individual management systems shall be considered in the development of the transportation plan and the TIP.

18. Enter into the cooperative process with all participating agencies, when the need for a major metropolitan investment is identified and to determine the extent of the analysis and define each agency's role in the development of the Major Investment Study (23 CFR e450.318).

19. Perform duties as described in the Contract between the Georgia Department Transportation and the HAMPO for the use of planning funds.

20. Annually certify, concurrently with the Georgia Department of Transportation, to the FHWA and the FTA that the HAMPO planning process is addressing the major issues facing the area and is being conducted in accordance with all applicable Federal laws.

21. If applicable, prepare and submit quarterly and annual FTA reports.

**XII. IT IS FURTHER AGREED**, that the County of Liberty within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-evaluation of these items shall be made at least every five (5) years and the results and recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the County of Liberty, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

3. Aid the MPO in developing planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for the HAMPO 20 Year Transportation Plan.

4. Be responsible for the cooperation with the HAMPO insofar as its authority extends.

**XIII. IT IS FURTHER AGREED**, that the County of Long within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-evaluation of these items shall be made at least every five (5) years and the results and recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the County of Long, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

3. Aid the MPO in developing planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for the HAMPO 20 Year Transportation Plan.

4. Be responsible for the cooperation with the HAMPO insofar as its authority extends.

**XIV. IT IS FURTHER AGREED**, that the City of Allenhurst within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-evaluation of these items shall be made at least every five (5) years and the results and recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the City of Allenhurst, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

3. Aid the MPO in developing planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for the HAMPO 20 Year Transportation Plan.

4. Be responsible for the cooperation with the HAMPO insofar as its authority extends.

**XV. IT IS FURTHER AGREED**, that the City of Flemington within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-evaluation of these items shall be made at least every five (5) years and the results and

recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the City of Flemington, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

3. Aid the MPO in developing planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for the HAMPO 20 Year Transportation Plan.

4. Be responsible for the cooperation with the HAMPO insofar as its authority extends.

**XVI. IT IS FURTHER AGREED**, that the City of Gum Branch within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-evaluation of these items shall be made at least every five (5) years and the results and recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the City of Gum Branch, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

3. Aid the MPO in developing planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for the HAMPO 20 Year Transportation Plan.

4. Be responsible for the cooperation with the HAMPO insofar as its authority extends.

**XVII. IT IS FURTHER AGREED**, that the City of Hinesville within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-evaluation of these items shall be made at least every five (5) years and the results and recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the City of Hinesville, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

3. Aid the MPO in developing planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for the HAMPO 20 Year Transportation Plan.

4. Be responsible for the cooperation with the HAMPO insofar as its authority extends.

**XVIII. IT IS FURTHER AGREED**, that the City of Midway within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-

evaluation of these items shall be made at least every five (5) years and the results and recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the City of Midway, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

3. Aid the MPO in developing planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for the HAMPO 20 Year Transportation Plan.

4. Be responsible for the cooperation with the HAMPO insofar as its authority extends.

**XIX. IT IS FURTHER AGREED**, that the City of Riceboro within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-evaluation of these items shall be made at least every five (5) years and the results and recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the City of Riceboro, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

3. Aid the MPO in developing planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for the HAMPO 20 Year Transportation Plan.

4. Be responsible for the cooperation with the HAMPO insofar as its authority extends.

**XX. IT IS FURTHER AGREED**, that the City of Walthourville within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-evaluation of these items shall be made at least every five (5) years and the results and recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the City of Walthourville, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

3. Aid the MPO in developing planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for the HAMPO 20 Year Transportation Plan.

4. Be responsible for the cooperation with the HAMPO insofar as its authority extends.

**XXI. IT IS FURTHER AGREED**, that the County of Liberty within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-evaluation of these items shall be made at least every five (5) years and the results and recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the County of Liberty, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

3. Aid the MPO in developing planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for the HAMPO 20 Year Transportation Plan.

4. Be responsible for the cooperation with the HAMPO insofar as its authority extends.

**XXII. IT IS FURTHER AGREED**, that the County of Long within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-evaluation of these items shall be made at least every five (5) years and the results and recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the County of Long, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

3. Aid the MPO in developing planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for the HAMPO 20 Year Transportation Plan.

4. Be responsible for the cooperation with the HAMPO insofar as its authority extends.

**XXIII. IT IS FURTHER AGREED**, that Fort Stewart either provide or assist the MPO staff in gathering information and data relating to the planning process as may be necessary to insure that Fort Stewart is adequately served by the HAMPO. Such data includes but is not limited to employment, traffic, population, Air Installation Compatible Use Zone (AICUZ), and major street or gate changes.

**XXIV. IT IS FURTHER AGREED**, that:

1. The Study shall be of a continuing, comprehensive, cooperative nature and that all planning decisions shall be reflective of and responsive to the needs and desires of the local communities as well as the programs and requirements of the Georgia Departments of Transportation and the U.S. Department of Transportation.

2. A reappraisal shall be made of the Study whenever there is a significant change in the community's goals and objectives, land use patterns, or travel characteristics, or at least once every five (5) years.

3. The participating agencies shall cooperate in all phases of the Study.

Adequate and competent personnel shall be assigned to insure development of adequate and reliable data.

4. All parties to this agreement shall have access to all study related information developed by the other agencies, including the right to make duplication thereof.

- (2) County Administrator, Liberty County
- (3) City Manager, City of Hinesville
- (4) Chairman, HAMPO Citizen Advisory Committee
- (5) Executive Director, Coastal Region Metropolitan Planning Commission
- (6) Garrison Commander, Fort Stewart

- 1) Any member of the Committee may, at any time, appoint a representative or delegate to act in an official capacity on their behalf. Delegation shall be in writing and shall state the name of the representative and the length of time of the delegation.
- 2) No member of the Committee shall receive compensation or reimbursement for expenses incurred as a result of service in behalf of this Committee.

### **ARTICLE III**

#### **Duties and Responsibilities**

- 1) The Committee shall serve as the forum for cooperative decision-making with regard to transportation-related issues.
- 2) The Committee has the primary responsibility for the formulation of transportation related policies in support of the overall goals and objectives for the transportation study area.
- 3) The duties of the Committee shall include, but not be limited to, the following:
  - a) Secure planning services from individuals or entities as appropriate,
  - b) Review and approve all appropriate Hinesville Area Metropolitan Planning Organization (HAMPO) goals, objectives, plans, programs and studies,
  - c) Ensure that the Long Range Transportation Plan and Transportation Improvement Program is current and responsive to all applicable laws, rules, and regulations,
  - d) Ensure that timely reports are made to inform the public on the progress of the Plan,
  - e) Ensure that a complete Unified Planning Work Program is developed,
  - f) Ensure that all respective agencies, jurisdictions or commissions are kept informed of the progress of the Plan,
  - g) Designate and prioritize all transportation improvement projects recommended in the planning process,
  - h) Provide the liaison between the planning process and the appropriate governmental units, and,
  - i) Designate and alter the membership and operations of the other study committees including the Technical Coordinating Committee and the Citizens Advisory Committee.

### **ARTICLE IV**

#### **Officers and Organization**

- 1) The Policy Committee shall select a Chairperson and Vice-Chairperson from among its members. Such selection shall be by majority of the voting membership.
- 2) In the absence of both the Chairperson and the Vice-Chairperson, the members present for the meeting shall designate, by majority vote, a member to temporarily assume the responsibilities of the Chairpersons for the purpose of conducting the official business of the Committee.
- 3) Selections shall take place at the first meeting of each calendar year at which there is a majority of voting members present. A nominating committee of three (3) will be appointed by the Policy Committee Chair for the specific purpose of the appointment of new officers. The nominating

committee shall present a slate of officers to fill Policy Committee for selection. The selected officers will take office once selected.

- 4) The term of Chairperson and Vice-Chairperson shall be for the calendar year.
- 5) Officers may succeed themselves with no limitation to the number of terms, except that such term will not continue in the event an officer becomes ineligible to be a member of the Policy Committee.
- 6) The Chairperson may at any time establish sub-committees of the Committee. Such sub-committees shall function in a manner similar to the full Committee and in accordance with these By-laws.

## **ARTICLE V**

### **Duties of the Officers**

- 1) The Chairperson shall preside at all meetings of the Committee.
- 2) The Chairperson shall authenticate, by signature, all resolutions and other official contracts and documents resulting from decisions made by the Committee.
- 3) The Chairperson shall appoint a Secretary to the Committee.
- 4) The Chairperson, or a representative designated by the Chairperson, shall represent the Committee at hearings, conferences and other events as required during the conduct of the official business of the Committee.
- 5) The Chairperson shall be the chief policy advocate for the Committee.
- 6) During the absence or disability of the Chairperson or in the event that a vacancy occurs in the office of the Chairperson, the Vice-Chairperson, shall preside over meetings of the Committee and shall exercise the powers and discharge all of the duties of the Chairperson.
- 7) The Secretary, or a designated representative, shall duly record the proceedings of each meeting of the Committee and authenticate, by signature, that they are a true and accurate record of the proceedings and policy decisions.
- 8) The Secretary shall maintain and make available for public inspection all official records and documents of the Committee.
- 9) The Secretary shall provide public notice of all meetings of the Committee as required by law.

## ARTICLE VI

### Meetings

- 1) The Policy Committee meets on the second Thursday of every even numbered month, beginning at the location and time as directed by the Policy Committee.
- 2) Special meetings may be called by the Chairperson when deemed to be in the best interest of the Committee.
- 3) Special meetings may also be called by petition to the Chairperson by a simple majority of members of the Committee. However, a special meeting called in this manner will be subject to the following regulations:
  - The notice of any such meeting shall state the reason(s) that the meeting has been called, the business to be transacted, by whom the meeting is being called, and the time and place of the meeting, and
  - No other business but that specified in the notice may be transacted at such special meeting without the unanimous consent of all members in attendance at such meeting.
- 4) No business may be conducted by the Committee unless a quorum of the membership is present. A minimum of eight (8) voting members of the Committee shall constitute a quorum.
- 5) The Chairperson shall cause a notice to be sent to all members of the Committee at least seven (7) calendar days in advance of the meeting date giving the time and place of the meeting and the preliminary agenda.
- 6) Any regularly scheduled meeting may be cancelled either by the Chairperson or by a majority vote of the members taken during a regularly scheduled meeting.
- 7) The members of the Committee must be given notice at least seven (7) calendar days in advance of the regularly scheduled meeting date when meetings are cancelled.
- 8) The meetings of the Committee shall be conducted in accordance with Roberts Rules of Order. However, any rules formally adopted by the Committee, including these By-laws will have precedence when in conflict with Roberts Rules of Order.
- 9) The agenda for the Committee meetings shall be reviewed/approved by the Chairperson and the order of business shall be at the discretion of the Chairperson.
- 10) Upon petition by a simple majority of members of the Committee, the Chairperson shall place item(s) on the agenda with notice of at least seven (7) calendar days prior to the scheduled date for the meeting.
- 11) Motions, properly seconded and discussed, will be voted on by the members in attendance. Motions will be passed or approved when a simple majority of the members in attendance vote in favor of the motion.

## ARTICLE VII

### **Amendments to these By-laws**

- 1) Motions to modify, change, or repeal these By-laws may be made at any regularly scheduled meeting but any action with regard to such motion may not be taken until the next or subsequent regularly scheduled meeting. All members of the Committee must be notified as soon as possible regarding such motion.
- 2) An affirmative vote by a simple majority of the full voting membership of the Committee is required to modify, change or repeal these By-laws.
- 3) Notwithstanding Section 1, Article VII, a motion to poll all members concerning the alteration or repeal of these By-laws may be made at any regular or special meeting of the Committee provided that the meeting is called in accordance with these By-laws.
- 4) To approve the process of polling all of the members of the Committee, an affirmative vote cast by at least two-thirds of the members in attendance is required.
- 5) Within sixty (60) days of the approval to poll the membership, the Chairperson will conduct the poll in writing by mail or email. The number of members responding to the poll must constitute a quorum. A majority of the respondents must vote affirmatively to modify, change, or repeal these By-laws.
- 6) Action to modify, change or repeal the By-laws will be deemed effective immediately unless specified differently by such change in the By-laws.

## Resolution of Adoption

### RESOLUTION BY THE HINESVILLE AREA METROPOLITAN PLANNING ORGANIZATION POLICY COMMITTEE ADOPTING COMMITTEE BYLAWS AS AMENDED

**WHEREAS**, on February 14, 2007 the U.S. DOT published the final rules incorporating changes to the Code of Federal Regulations due to the passage of the legislation, Safe, Accountable, Flexible, Efficient Transportation Equity Act: a Legacy for Users (SAFETEA-LU) and now Moving Ahead for Progress in the 21st Century (MAP-21), and these require that the Metropolitan Planning Organization, in cooperation with participants in the planning process and others, develop and update as necessary the *Policy, Technical Coordinating and Citizens Advisory Committee Bylaws*; and,

**WHEREAS**, the Hinesville Area Metropolitan Planning Organization is the Metropolitan Planning Organization for the Hinesville urbanized area; and,

**WHEREAS**, the urban transportation planning regulations require that the product of a planning process be certified as in compliance with all applicable requirements of the law and regulations; and,

**WHEREAS**, the staff of the Hinesville Area Metropolitan Planning Organization and the Georgia Department of Transportation have reviewed the organization and activities of the planning process and found them to be in compliance with the requirements of the law and regulation; and,

**WHEREAS**, the locally developed and adopted process for private sector participation has been followed in the development of the; and,

**NOW, THEREFORE, BE IT RESOLVED** that the Hinesville Area Metropolitan Planning Organization Policy Committee adopts the amended *Policy and Technical Coordinating Committee Bylaws* as set forth in the documents attached to this Resolution;

**BE IT FURTHER RESOLVED** that the Hinesville Area Metropolitan Planning Organization Policy Committee finds that the requirements of applicable law and regulation regarding urban transportation planning have been met and authorizes the Executive Director of the Liberty Consolidated Planning Commission to execute a joint certification to this effect with the Georgia Department of Transportation, if necessary.

### **ARTICLE III**

#### **Duties and Responsibilities**

- 1) The Technical Coordinating Committee shall be responsible for the preparation of the Unified Planning Work Program (UPWP), the Transportation Improvement Program (TIP) and the Long Range Transportation Plan (LRTP). It shall review all studies related to transportation within the Hinesville Area Metropolitan Planning Organization (HAMPO), and make recommendations to the Policy Committee and other agencies on the work program and studies.
- 2) The Technical Coordinating Committee shall coordinate all the technical activities in the transportation planning process. The TCC shall provide information on the process of the study to both the Policy and Citizens' Advisory Committees.
- 3) The Technical Coordinating Committee shall review inventories of current data used as input to the planning process.
- 4) The Technical Coordinating Committee shall review the status of activities necessary to keep the study current and report to the Policy Committee regarding such reviews.
- 5) The Technical Coordinating Committee shall make its reviews on the basis of technical sufficiency, accuracy, and completeness of such studies, plans, and programs.
- 6) The Technical Coordinating Committee shall advise the Policy Committee of proposed changes in transportation planning concepts and projects, and shall analyze data collected and prepare reports and findings.
- 7) The Technical Coordinating Committee and participating agencies shall adopt and follow a specific work program and schedule of activities. If any agency identifies a need to deviate from the adopted work program or initiate any special studies that have any bearing on the present or proposed transportation system, it will be the responsibility of the respective Technical Coordinating Committee member to bring this to the attention of the full Committee for consideration, action and/or information.

### **ARTICLE IV**

### **Officers and Organization**

- 1) The Technical Coordinating Committee shall select a Chairperson and Vice-Chairperson from among its members. Such selection shall be by a majority vote.
- 2) In the absence of both the Chairperson and the Vice-Chairperson, the members present for the meeting shall designate, by majority vote, a member to temporarily assume the responsibilities of the Chairpersons for the purpose of conducting the official business of the Committee.
- 3) Selection of the Chairperson and Vice-Chairperson shall take place on the first meeting of the calendar year at which there is a majority of voting members present.
- 4) The term of Chairperson and Vice-Chairperson shall be for the calendar year.
- 5) Officers may succeed themselves with no limitation to the number of terms, except that such term will not continue in the event an officer becomes ineligible to be a member of the Policy Committee.
- 6) Subcommittees may be established by the Technical Coordinating Committee as needed.

## **ARTICLE V**

### **Duties of the Officers**

- 1) The Chairperson shall preside at all meetings of the Technical Coordinating Committee.
- 2) The Chairperson shall authenticate by his signature, minutes of meetings of the Technical Coordinating Committee and its recommendations to the Policy Committee.
- 3) The Chairperson shall appoint a Secretary to the Committee.
- 4) The Chairperson, or a representative designated by the Chairperson, shall represent the Technical Coordinating Committee at hearings, conferences, and other events or designate another member of the Committee to serve in his place.
- 5) During the absence or disability of the Chairperson or in the event that a vacancy occurs in the office of the Chairperson, the Vice-Chairperson, shall preside over meetings of the Committee and shall exercise the powers and discharge all of the duties of the Chairperson.
- 6) The Secretary, or a designated representative, shall duly record the proceedings of each meeting of the Committee and authenticate, by signature, that they are a true and accurate record of the proceedings and policy decisions.

- 7) The Secretary shall maintain and make available with support of HAMPO staff, for public inspection all official records and documents of the Committee.
- 8) The Secretary shall provide public notice for all meetings as provided by law.

## **ARTICLE VI**

### **Meetings**

- 1) The Technical Coordinating Committee meets on the second Thursday of every odd numbered month, at the location and time as directed by the Policy Committee.
- 2) When a voting member represents more than one entity they should be counted as representing each entity separately for the purpose of constituting a quorum. No business may be conducted by the Committee unless a quorum of the voting membership is present. A minimum of 50% of the voting members of the Committee shall constitute a quorum.
- 3) Special meetings may be called by the Chairperson at such times that may be specified for stated purposes. Notice of such meetings shall be given in writing or email to all members at least 48 hours in advance.
- 4) The Chairperson shall cause an electronic notice to be sent to all members of the Committee at least seven (7) calendar days in advance of the meeting date giving the time and place of the meeting and the preliminary agenda.
- 5) Any regularly scheduled meeting may be cancelled either by the Chairperson or by a majority vote of the members taken during a regularly scheduled meeting.
- 6) The members of the Committee must be given notice at least seven (7) calendar days in advance of the regularly scheduled meeting date when meetings are cancelled.
- 7) The meetings of the Committee shall be conducted in accordance with Roberts Rules of Order. However, any rules formally adopted by the Committee, including these By-laws will have precedence when in conflict with Roberts Rules of Order.
- 8) The agenda for the Committee meetings shall be established by the Chairperson and the order of business shall be at the discretion of the Chairperson.
- 9) Should one third (1/3) of the Policy Committee, and/or Citizens Advisory Committee want an item placed on the Technical Coordinating Committee agenda, the Chairperson shall place item(s) on the agenda with notice of at least seven (7) calendar days prior to the scheduled date for the meeting.

- 10) Motions, properly seconded and discussed, will be voted on by the members in attendance. Motions will be passed or approved when a simple majority of the members in attendance vote in favor of the motion.

## **ARTICLE VII**

### **Amendments to these By-laws**

- 1) These By-laws are adopted pursuant to Article III of the Policy Committee By-laws and may be amended from time to time by the Policy Committee on its own or pursuant to recommendation of the TCC.
- 2) Motions to recommend modification to or repeal these By-laws may be made at any regularly scheduled meeting but any action with regard to such motion may not be taken until the next or subsequent regularly scheduled meeting. All members of the Policy Committee must be notified as soon as possible regarding such motion.
- 3) An affirmative vote by a simple majority of the full voting membership of the Policy Committee is required to recommend modifications to or repeal these By-laws.
- 4) Notwithstanding Section 1, Article VII, a motion to poll all members concerning the alteration or repeal of these By-laws may be made at any regular or special meeting of the Policy Committee provided that the meeting is called in accordance with these By-laws.
- 5) To approve the process of polling all of the members of the Policy Committee, an affirmative vote cast by at least two-thirds of the members in attendance is required.
- 6) Within sixty (60) days of the approval to poll the membership, the Policy Chairperson will conduct the poll in writing by mail. The number of members responding to the poll must constitute a quorum. A super majority of the respondents must vote affirmatively to recommend modifications to or repeal these By-laws.

## Resolution of Adoption

### RESOLUTION BY THE HINESVILLE AREA METROPOLITAN PLANNING ORGANIZATION POLICY COMMITTEE ADOPTING COMMITTEE BYLAWS AS AMENDED

**WHEREAS**, on February 14, 2007 the U.S. DOT published the final rules incorporating changes to the Code of Federal Regulations due to the passage of the legislation, Safe, Accountable, Flexible, Efficient Transportation Equity Act: a Legacy for Users (SAFETEA-LU) and now Moving Ahead for Progress in the 21st Century (MAP-21), and these require that the Metropolitan Planning Organization, in cooperation with participants in the planning process and others, develop and update as necessary the *Policy, Technical Coordinating and Citizens Advisory Committee Bylaws*; and,

**WHEREAS**, the Hinesville Area Metropolitan Planning Organization is the Metropolitan Planning Organization for the Hinesville urbanized area; and,

**WHEREAS**, the urban transportation planning regulations require that the product of a planning process be certified as in compliance with all applicable requirements of the law and regulations; and,

**WHEREAS**, the staff of the Hinesville Area Metropolitan Planning Organization and the Georgia Department of Transportation have reviewed the organization and activities of the planning process and found them to be in compliance with the requirements of the law and regulation; and,

**WHEREAS**, the locally developed and adopted process for private sector participation has been followed in the development of the; and,

**NOW, THEREFORE, BE IT RESOLVED** that the Hinesville Area Metropolitan Planning Organization Policy Committee adopts the amended *Policy and Technical Coordinating Committee Bylaws* as set forth in the documents attached to this Resolution;

**BE IT FURTHER RESOLVED** that the Hinesville Area Metropolitan Planning Organization Policy Committee finds that the requirements of applicable law and regulation regarding urban transportation planning have been met and authorizes the Executive Director of the Liberty Consolidated Planning Commission to execute a joint certification to this effect with the Georgia Department of Transportation, if necessary.

## ARTICLE I

### **Name of the Committee**

The name of the organization shall be the Hinesville Area Metropolitan Planning Organization – Citizens Advisory Committee, hereinafter referred to as the Committee.

## ARTICLE II

### **Purpose**

The Citizens' Advisory Committee (CAC) of the Hinesville Area Metropolitan Planning Organization shall advise the Policy Committee on matters of public opinion from individual citizens and citizen groups regarding planned changes to the Transportation Improvement Plan, Unified Planning Work Program and the Long Range Transportation Plan as well as study findings and recommendations.

## ARTICLE III

### **Membership**

Membership in the Committee is made up of eighteen (18) individuals representing nine (9) local governments, Fort Stewart, Savannah Technical College and Armstrong Atlantic State University, Hinesville Campus. Members will serve without compensation.

#### **Voting Members:**

- Town of Allenhurst (1 member)
- City of Flemington (1 member)
- Town of Gum Branch (1 member)
- City of Hinesville (4 members)
- City of Midway (1 member)
- City of Riceboro (1 member)
- City of Walthourville (2 members)
- Liberty County (3 members)
- Long County (1 member)
- Representative, Fort Stewart (1 member)
- Representative, Savannah Technical College (1 member)
- Representative, Armstrong Atlantic State University, Hinesville Campus (1 member)

Membership appointments will be for a term of two (2) calendar years. Unexpired vacancies may be filled as they arise from appointments by the Policy Committee.

Any member in a position that has not been filled for a new term will continue in that position until such position is filled by the Policy Committee.

The number of members shall be eighteen (18). The Policy Committee will strive to have representation from all the member communities of the Hinesville Area Metropolitan Planning Organization.

Unless excused by the Chairperson, any member of the CAC having two consecutive (2) absences from regular meetings during a calendar year shall be removed from the Committee. If a member is in violation of the Committee's attendance policy when he/she is eligible for reappointment, the Chairperson shall send a letter to the Policy Committee recommending that the individual not be reappointed due to a lack of participation. Members are expected to attend regularly.

#### **ARTICLE IV**

##### **Organizational Duties**

- 1) The Citizens' Advisory Committee ensures that citizen participation in the transportation planning process will be met, in accordance with the HAMPO Participation Plan. The CAC functions as a public information and involvement committee. The CAC will participate in the review of social, economic, and environmental considerations that are essential for developing a viable transportation study for the area. The CAC, through establishment of various task forces, subcommittees, and stakeholder groups, and regular committee meetings, should participate in the following:
  - a) Review each year the work of the transportation study including the HAMPO Unified Planning Work Program (UPWP), the Transportation Improvement Plan (TIP), as well as the Long Range Transportation Plan (LRTP).
  - b) Make recommendations as appropriate to the Policy Committee and the Technical Coordinating Committee regarding amendments to the items identified in the preceding paragraph.
  - c) Assess public opinion relative to the transportation study's activities with recommendations to the Policy and Technical Coordinating committees.

#### **ARTICLE V**

##### **Officers and Members Duties**

- 1) The CAC shall select a Chairperson and Vice-Chairperson at the first meeting of the calendar year when a quorum is present by simple majority vote. The term of Chairperson and Vice-Chairperson shall be for the calendar year. The Chairperson and the Vice-Chairperson may serve up to a maximum of three calendar years.
- 2) The Chairperson shall arrange and conduct all meeting of the Committee, appoint subcommittees to function on the behalf of the Committee and represent the Committee on the HAMPO Policy Committee as a non-voting member. The Chairperson shall act as official spokesperson for the CAC; however, this shall not abridge any individuals' rights to freedom of speech on their own behalf. The Chairperson shall have such powers as may be reasonably construed as belonging to the chief of executive of any organization.
- 3) The Vice-Chairperson shall act as Chairperson to conduct any meetings of the Committee in the absence of the Chairperson. This officer shall act on behalf of the Chairperson when requested to do so by the Chairperson. In the event of the absence or inability of the Chairperson to exercise

his/her duties, the Vice-Chairperson shall become acting Chairperson with all the rights, privileges and powers of a duly elected Chairperson, until such time as the Chairperson is able to resume the duties. The Vice-Chairperson or their designate shall represent the Committee on the HAMPO Technical Coordinating Committee as an ex-officio, non-voting member.

- 4) In the event of a vacancy in the office a Chairperson before completion of a term, the Vice-Chairperson shall automatically become Chairperson. If, at any time, the office of Vice-Chairperson becomes vacant, a new Vice-Chairperson shall be elected by a majority of the membership at the first meeting at which there is a vacancy, provided that a quorum is present.

## ARTICLE VI

### Meetings

- 1) The CAC shall meet on the fourth Tuesday of every even numbered month, beginning at 5:30 PM at the location as directed by the Policy Committee.
- 2) Meeting notices shall be e-mailed seven calendar days prior to the meeting outlining the planned agenda. Should there be no business to come before the committee, the officers, by agreement with the members, may cancel the meeting.
- 3) No action of the CAC will become official unless a quorum is present. A quorum shall be 50% of the appointed membership. Vacant memberships shall not be counted towards the quorum.
- 4) A majority vote of the members present shall be required for approval of any action taken by the CAC.
- 5) Special meetings, including special public meetings of this organization, may be called at the discretion of the Chairperson when it is deemed to be in the best interest of the organization. Also one-third (1/3) of the voting members of the HAMPO CAC may petition the Chairperson to call special meetings. Notice of any such meeting shall state the reasons that the meeting has been called, the business to be transacted, by whom the meeting is called, and the time and place of the meeting. The business discussed will be limited to that specified in the notice unless there is unanimous consent of all members present at such meeting.
- 6) The meetings of the Committee shall be conducted in accordance with the rules adopted by the Committee.
- 7) The agenda of the meetings of the HAMPO CAC shall be set by the Chairperson. A member may petition the Chairperson to place an item on the agenda at least seven (7) days before the schedule date for such meeting. The order of business at all regular meetings shall be at the discretion of the Chairperson. The agenda will include a public participation period.
- 8) Meetings are open to the public. Comments by the public are welcome and will be solicited through notices placed in available public media. Public comment at meetings is subject to the committee's rules of order.

## ARTICLE VII

### Amendments to By-laws

- 1) These By-laws are adopted pursuant to Article III of the Policy Committee By-laws and may be amended by the Policy Committee on its own or pursuant to recommendation of the CAC. The CAC shall be informed of any proposed amendments to these by-laws at the regularly scheduled meeting of the CAC prior to final consideration by the Policy Committee.
- 2) Motions to recommend modification to or repeal these By-laws may be made at any regularly scheduled meeting but any action with regard to such motion may not be taken until the next or subsequent regularly scheduled meeting. All members of the Policy Committee must be notified as soon as possible regarding such motion.
- 3) An affirmative vote by a simple majority of the full voting membership of the Policy Committee is required to recommend modifications to or repeal these By-laws.
- 4) Notwithstanding Section 1, Article VII, a motion to poll all members concerning the alteration or repeal of these By-laws may be made at any regular or special meeting of the Policy Committee provided that the meeting is called in accordance with these By-laws.
- 5) To approve the process of polling all of the members of the Policy Committee, an affirmative vote cast by at least two-thirds of the members in attendance is required.
- 6) Within sixty (60) days of the approval to poll the membership, the Policy Chairperson will conduct the poll in writing by mail. The number of members responding to the poll must constitute a quorum. A super majority of the respondents must vote affirmatively to recommend modifications to or repeal these By-laws.
