NEW BUSINESS:

- a) **Carbon Reduction Program Call for Projects (Action Item):** Rachel stated that HAMPO has CRP funds programmed in current HAMPO FY 2024-27 TIP. Funds have potential to lapse if not obligated/spent by end of fiscal year. The types of projects eligible for funding are transit, transportation demand management, retrofit with light-emitting diode (LED) lighting, alternative fuel, vehicles, capital improvements to intelligent transportation systems, development of carbon reduction strategy. The sole project submitted is Liberty Transit ADA Accessibility Project to complete sidewalk infrastructure upgrades at locations throughout Hinesville. We are seeking funding amount of \$435,031.50. The local match is \$87,007.87. Rachel stated it has been confirmed that the local match is available.

A motion was made by Arnold Jackson to recommend that the Policy Committee approve the proposed Liberty Transit ADA Accessibility Project for available HAMPO Fy24-27 CRP funds. Paul Simonton seconded the motion, and all voted in favor.

- b) **HAMPO FY 2024-27 TIP Admin Modification #4 (Action):** Rachel stated the GDOT Office of Planning requested a new project in FY24-27 TIP. The EV charging station at 1 location between Liberty and McIntosh County. This project is part of the NEVI formula program. Funding is provided by Liberty and Long County and the non-federal match can be fulfilled by public or private funds. There was no public comment received during the 15-day comment period. The TIP amendment will be incorporated into the 2045 MTP.
