## PROJECT LOCATION

# Hinesville Area Metropolitan Planning Organization FY 2050 Metropolitan Transportation Plan Update

**Project Identification:** 627

**Project Description:** EG Miles Pkwy Crossing Improvements

**Primary Work Type:** Safety Enhancements

**Sponsor:** City of Hinesville

**Project Detail Description:**

This countermeasure would require the installation of crosswalks and overhead signs along the EB approach of SR 196. This has the potential to address rear end collisions.
