## INTRODUCTION

---

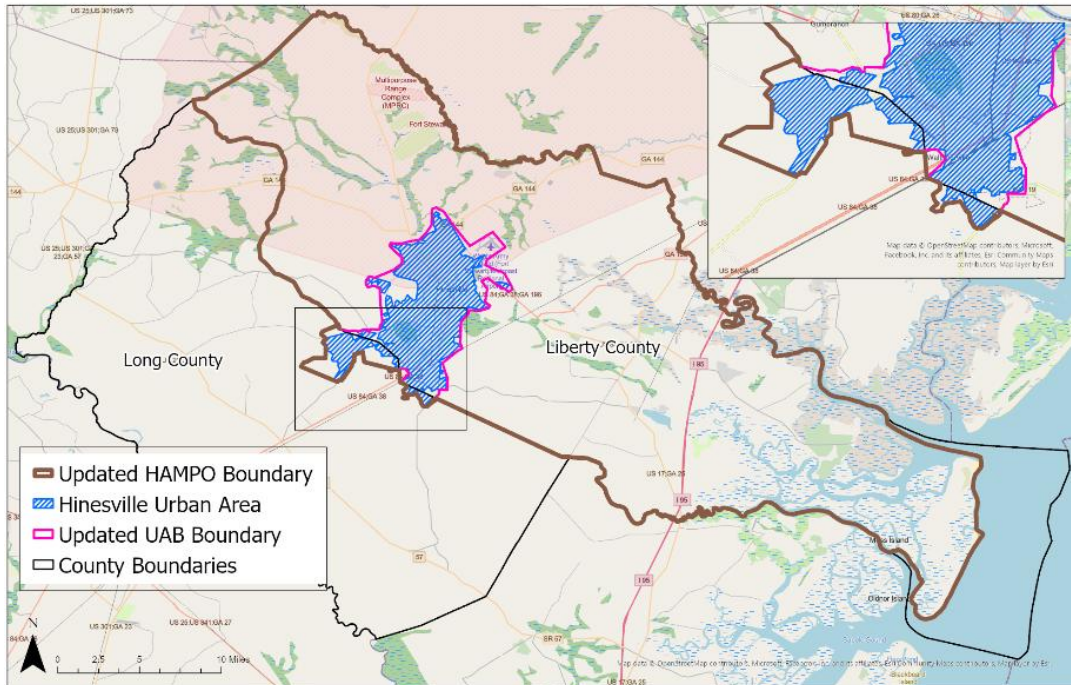

Following the 2000 Census, the Hinesville Area Metropolitan Planning Organization (HAMPO) was established in 2003 as a federally designated transportation planning agency to address transportation planning within the urbanized portions of Liberty and Long Counties. According to federal law, the transportation planning process must be carried out by Metropolitan Planning Organizations (MPOs) for designated urbanized areas that exceed a population of 50,000, as well as the area expected to become urbanized within the next 20 years.

HAMPO is staffed by the Liberty Consolidated Planning Commission (LCPC) and operates under the leadership of a Policy Committee comprised of elected officials and other decision makers from each participating jurisdiction, the Georgia Department of Transportation, and other state and federal agencies. A Technical Coordinating Committee and Citizens Advisory Committee provide valuable input to the Policy Committee on transportation issues. HAMPO is comprised of members representing Fort Stewart, Liberty County, Long County, Hinesville, Allenhurst, Flemington, Gum Branch, Midway, Riceboro and Walthourville. Additional committee members include representatives from the Liberty County School Board, the Liberty County Development Authority, Liberty Consolidated Planning Commission, Liberty Transit, Savannah Technical College, Coastal Regional Commission, Coastal Region MPO (CORE), Federal Highway Administration (FHWA), and the Georgia Department of Transportation (GDOT).

In 2005, the Memorandum of Understanding<sup>1</sup> (MOU) with the Georgia Department of Transportation, affirmed by Governor Perdue, designated the Liberty Consolidated Planning Commission (LCPC) as the recipient and management entity for all planning funds and activities associated with HAMPO. The 2020 census population for the Hinesville Urban Area (UZA) is 53,107, with a total Metropolitan Planning Area (MPA) population of roughly 70,000. In 2024, the updated Urban Area Boundary (UAB) was approved and, the MPA was updated to reflect the 2020 UZA and the 2024 UAB. The updated MPA was approved by the Governor on December 17, 2024, and is shown in the following figure.

## A. UPWP DEVELOPMENT AND PARTICIPATION PROCESS

The FY 2027 Unified Planning Work Program (UPWP) for the Hinesville Area Metropolitan Planning Organization (HAMPO) is a yearly statement of work that lists and explains the transportation planning activities to be performed from July 1, 2026 to June 30, 2027.

All Metropolitan Planning Organizations (MPOs) are required to maintain a continuing, cooperative and comprehensive transportation planning process. All plans and programs, including this Unified Planning Work Program (UPWP), are prepared pursuant to the following:

- The One Big Beautiful Bill Act (OBB), Public Law No. 119-21, July 4, 2025
- The Infrastructure Investment and Jobs Act (IIJA), Public Law No. 117-58, November 15, 2021,
- The Fixing America's Surface Transportation (FAST) Act, Public Law No. 114-94, December 4, 2015,
- The Moving Ahead for Progress in the 21st Century Act (MAP-21), Public Law No. 112-141, July 6, 2012, as amended by the Surface Transportation and Veterans Health Care Choice Improvement Act of 2015, Public Law No. 114-41, July 31, 2015 and other authorizing legislation to be enacted,
- FTA's authorizing legislation in effect in FY 2012 or a previous fiscal year, except as superseded by the FAST Act cross-cutting requirements that apply, and
- Appropriations Acts or Continuing Resolutions funding the U.S. Department of Transportation.

The UPWP functions as a planning document that lists the transportation planning activities for the coming year, reports on previous work, provides fiscal information, assigns responsibilities, and provides guidance for implementation of adopted goals, objectives and planning priorities of the MPO.

The FY 2027 UPWP is organized into five major elements and then subdivided into specific tasks for each element as shown in the following table, conforming with the approved FHWA and GDOT UPWP format.

The development of the annual HAMPO UPWP is a continuous, cooperative, and iterative process. HAMPO staff initiates the process at the start of each fiscal year by notifying the PC, TCC, and CAC members of the timeline and the schedule for input and action items. The annual UPWP development typically adheres to the following schedule but is subject to change.

Note: Schedule represents the typical HAMPO process and is subject to modification

HAMPO continues to promote and encourage public participation in all facets of the MPO planning process. All MPO committee meetings are open to the public, with meeting agendas and materials published in advance. In addition, all planning products are prepared with multiple opportunities for participation throughout the process. This process is governed by the HAMPO Participation Plan (PP) and the HAMPO Memorandum of Understanding (MOU), both which can be found on the HAMPO website at <http://thelcpc.org/hampo-organization/>.

The timeline for reviewing and adopting the UPWP follows the HAMPO committee process and includes a minimum of four (4) public meetings with opportunity for comment, and response to all comments. These public meetings coincide with the regular HAMPO committee meetings as published in the HAMPO annual calendar of meetings.

## **Committees**

HAMPO functions under the leadership of a Policy Committee comprised of decision makers from each participating jurisdiction, the Georgia Department of Transportation, and other local, regional, state, and federal agencies. HAMPO's Technical Coordinating Committee and Citizens Advisory Committee provide valuable input to the Policy Committee on regional transportation issues. Transportation planning activities occur in a coordinated planning environment and achieving this coordination is through the HAMPO Committee structure.

All three committees meet on a regular schedule six times per year. Agendas are distributed seven days in advance and a call for public comment is a standing agenda item at each meeting.

The **Policy Committee (PC)** is made up of the chief elected and appointed officials from all the municipalities within the HAMPO region of Liberty County and urbanized portion of Long County, as well as executives from the local, state and federal agencies concerned with transportation planning. It serves as the forum for cooperative transportation decision-making and establishes transportation related policies in support of the area's overall goals and objectives. The PC reviews and approves all HAMPO activities and studies. The PC is entrusted with ensuring that the HAMPO transportation projects are current and prioritizes transportation projects recommended in the planning process.

The **Technical Coordinating Committee (TCC)** is made up of key government and agency transportation staff members who are involved in technical aspects of transportation planning. The TCC provides technical guidance, reviews and evaluates transportation studies, and provides recommendations to the Policy Committee. The chief elected official of each municipality appoints the TCC representative for their respective jurisdictions.

The **Citizens Advisory Committee (CAC)** is representative of a cross-section of the community and functions as a public information and involvement committee. Committee members review HAMPO programs and studies and provide recommendations to the Policy Committee. The CAC is entrusted with informing the PC of the community's perspective while providing information to the community about transportation policies and issues. CAC members are appointed by the Policy Committee from recommendations from their respective municipality, county or organization. Members are typically active citizens in their jurisdictions with an interest in both community and transportation issues.

The following tables details the HAMPO PC, TCC, and CAC Committee membership.

## **UPWP Amendments**

HAMPO is able to amend its UPWP and budget in two ways:

An administrative modification is authorized by the HAMPO Executive Director to correct clerical errors or adjust the dollar amount in any work element if the overall budget does not increase or decrease by more than 10%. Documentation of an administrative modification is a notification sent to GDOT, FHWA, FTA and the Policy Committee membership and incorporation into the UPWP document.

An amendment requires approval by the MPO Policy Committee for changes to the work scope and/or changes that increases or decreases the overall budget amount by more than 20%. Amendments are presented by resolution to the Policy Committee and require an affirmative vote by a majority of members present to become effective. Documentation of an amendment is a descriptive letter sent to GDOT, FHWA, and FTA and incorporation into the UPWP document.

## **MPO Past Accomplishments**

Throughout fiscal year 2026 the Hinesville Area Metropolitan Planning Organization (HAMPO) worked collaboratively with all committees, staff, and oversight agencies to successfully execute the following tasks:

- Successfully adopted the HAMPO 2050 Metropolitan Transportation Plan (MTP), a federally mandated document required to be updated every five years.
- Supported Liberty Transit in the ongoing implementation of their Transit Development Plan (TDP), a planning document that addresses regional transit needs and provides a blueprint for transit growth in the future.
- Joined RISE regional transportation subcommittee and participated in workforce development meetings as a guest speaker.
- Supported the update of the Comprehensive Liberty Countywide Comprehensive Plan by providing serving on the Stakeholders Committee, providing information and content for the transportation element of the plan, and reviewing draft documentation for consistency with HAMPO plans.
- Maintained a coordinated, comprehensive and continuous multimodal planning process by participating in GAMPO, CRC, CORE MPO and other state and national organizations meetings focused on legislative actions impacting transportation planning and funding.
- Adopted annual performance targets and incorporated into 2050 MTP and 2024 – 2027 TIP through the Administrative Modification process.
- Began development of the FY 2027 – 2030 TIP, a federally-mandated document required to be updated every four years.
- Supported Complete Streets initiatives:
  - Supported local government efforts to implement SS4A recommended projects within a high crash frequency and severity corridor. Efforts include coordination with State Legislators, GDOT Office of Planning and GDOT District 5, and preparation of written reports supporting requests for funding and programming.
  - Coordinated with City of Hinesville / Liberty Transit to identify funding for critical first and last mile sidewalk projects connecting to bus routes.
  - Provided multimodal project recommendations to TSPLOST committee for consideration in November 2025 referendum.

## **B. FY 2027 UPWP Planning Focus Areas**

The overall planning program of FY 2027 UPWP is designed to comply with the requirements of the U.S. Department of Transportation (USDOT) Fixing America’s Surface Transportation Act (FAST Act) as signed into law on December 4, 2015, the Infrastructure Investment and Jobs Act (IIJA), signed into law November 15, 2021, and the recently adopted One Big Beautiful Bill Act (OBB), signed into law July 4, 2025.

Performance based planning and programming remains the primary focus area in 2027. HAMPO, in coordination with state DOTs, is required to set performance measure targets and report on progress in a number of areas including safety, infrastructure condition, congestion reduction, system reliability, freight movement and economic vitality, environmental sustainability, and reduced project delivery delays.

HAMPO’s transportation planning efforts are performance based with ongoing efforts to refine, benchmark and measure our progress against performance measures. The 2027 work program continues the process of defining our performance planning by associating the national goals, planning factors, and performance measures into HAMPO’s proposed work activities. A matrix is provided on pages 23 and 24 that summarizes this effort.

### **Planning Priorities for 2027**

- Continue to prioritize efforts to support local, state, and federal initiatives, and others identified in the 2050 MTP.
- Review and maintenance of MPO’s Bylaws, Participation Plan, and all other administrative documents for the HAMPO to ensure continued compliance with federal and state legislation.
- Maintain multi-year planning schedule to coordinate updates to major planning documents.
- Continue ongoing maintenance of administrative documents ahead of upcoming 2027 self-certification review. Perform continued status and performance reviews associated with UPWP deliverables. This ensures compliance with federal requirements and reinforces HAMPO’s facilitation of the 3-C (Comprehensive, Continuing, and Coordinated) planning process.
- Develop application for GAMPO Special PL funds to update the HAMPO Freight Plan, which highlights the importance of freight in the HAMPO region and provides recommendations to improve access and freight infrastructure to promote growth potential.
- Increased coordination with other coastal MPOs (CORE, BATS, LATS) by inviting them to participate in MPO committee meetings to provide input on joint areas where coordination is needed.

### **Major Planning Documents**

Looking beyond the next fiscal year, HAMPO can anticipate future projects and commitments by developing a schedule of upcoming projects. This allows the MPO to plan for special PL funding applications, prepare for project updates, and maximize staff and consultant efficiency. Major planning documents developed through the activities of the work program are listed in the following table.

| <b>Product</b>                                  | <b>Update Cycle</b> | <b>Current Adoption/<br/>Completion Date</b> | <b>Next Adoption Date</b> |

### C. Performance Based Planning

#### National Goals

The FAST Act goals provide structure and guidance to the nation’s 400+ MPOs to strive towards in their transportation planning efforts. The FAST Act states the following:

Highway National Goals (Highways 23 U.S.C. 150(b)) - It is in the interest of the United States to focus the Federal-aid highway program on the following national goals:

- (1) Safety: To achieve a significant reduction in traffic fatalities and serious injuries on all public roads.
- (2) Infrastructure condition: To maintain the highway infrastructure asset system in a state of good repair.
- (3) Congestion reduction: To achieve a significant reduction in congestion on the National Highway System.
- (4) System reliability: To improve the efficiency of the surface transportation system.
- (5) Freight movement and economic vitality. To improve the National Highway Freight Network, strengthen the ability of rural communities to access national and international trade markets, and support regional economic development.
- (6) Environmental sustainability. To enhance the performance of the transportation system while protecting and enhancing the natural environment.
- (7) Reduced project delivery delays. To reduce project costs, promote jobs and the economy, and expedite the movement of people and goods by accelerating project completion through eliminating delays in the project development and delivery process, including reducing regulatory burdens and improving agencies' work practices.

Transit National Goals 49 U.S.C. 5301(b) - The purposes of this chapter are to:

- (1) Provide funding to support public transportation.

- (2) Improve the development and delivery of capital projects.
- (3) Establish standards for the state of good repair of public transportation infrastructure and vehicles;
- (4) Promote continuing, cooperative, and comprehensive planning that improves the performance of the transportation network.
- (5) Establish a technical assistance program to assist recipients under this chapter to more effectively and efficiently provide public transportation service.
- (6) Continue federal support for public transportation providers to deliver high quality service to all users, including individuals with disabilities, seniors, and individuals who depend on public transportation.
- (7) Support research, development, demonstration, and deployment projects dedicated to assisting in the delivery of efficient and effective public transportation service.
- (8) Promote the development of the public transportation workforce.

## **Planning Factors**

To achieve the national goals of the FAST Act, which have been brought forward through the 2021 Infrastructure Investment and Jobs Act (IIJA), the FY 2026 UPWP work tasks incorporate the ten Federal Planning Factors from the IIJA and the HAMPO goals and objectives as stated in the 2045 MTP. HAMPO will be documenting performance measures to gauge compliance with the goals as shown on the “National Performance Matrix” exhibit on the following pages. This matrix outlines HAMPO’s regional performance measures in context with the national, state, and regional transportation goals as well as the Federal Planning Factors and Measures.

The following goals and objectives are associated with national planning factors and are synthesized from the current HAMPO 2050 MTP.

HAMPO goals and objectives align with the planning factors as follows:

### **National Planning Factors:**

- 1) Support the economic vitality of the metropolitan area, especially by enabling global competitiveness, productivity, and efficiency.  
**2050 MTP Goal:** Promote Economic Development and Support Freight Movement  
**Objectives:**
  - Minimize work trip and congestion delays
  - Enhance Freight Connections
  - Provide Transportation Alternatives
- 2) Increase the safety of the transportation system for motorized and non-motorized users.  
**2050 MTP Goal:** Improve Safety and Security  
**Objectives:**
  - Ensure all transportation systems are structurally and operationally safe and secure
  - Minimize frequency and severity of vehicular crashes
  - Enhance Safe Routes to Schools through multimodal infrastructure improvements
  - Improve safety and accessibility of the non-motorized transportation network

- 3) Increase the security of the transportation system for motorized and non-motorized users.  
**2050 MTP Goal:** Improve Safety and Security  
**Objectives:**
  - Ensure all transportation systems are structurally and operationally safe and secure
  
- 4) Increase the accessibility and mobility of people and for freight.  
**2050 MTP Goal:** Invest in a Multimodal System  
**Objectives:**
  - Provide for a connected bicycle and pedestrian network
  - Maximize accessibility for populations to employment and activity centers
  - Minimize network deficiencies and impacts on efficient freight mobility
  
- 5) Protect and enhance the environment, promote energy conservation, improve quality of life, and promote consistency between transportation improvements and State and local planned growth and economic development patterns.  
**2050 MTP Goal:** Promote Quality of Life and Protect Existing Resources  
**Objectives:**
  - Minimize impacts on wetlands, historic resources, neighborhoods, recreational facilities, and other important resources
  - Support infill development
  - Provide access to essential services
  - Provide access to schools, parks, libraries and other community facilities
  
- 6) Enhance the integration and connectivity of the transportation system, across and between modes, for people and freight.  
**2050 MTP Goal:** Invest in Mobility Options  
**Objectives:**
  - Minimize congestion delays
  - Maximize accessibility for populations to employment and activity centers
  - Provide efficient and reliable freight movement
  - Encourage transportation services for the transportation disadvantaged
  - Encourage multimodal use
  
- 7) Promote efficient system management and operation.  
**2050 MTP Goal:** Promote the deployment of ITS and smart technologies throughout the roadway network and TDM strategies to promote low-cost solutions to congestion relief.  
**Objectives:**
  - Optimize network efficiency through signalization.
  - Utilize technology to enhance network efficiency
  
- 8) Emphasize the preservation of the existing transportation system.  
**2050 MTP Goal:** Promote the Management and Preservation of the existing transportation  
**Objectives:**
  - Require improvements necessary to accommodate future growth in the development review process

- Coordinate with state, regional, and local planning partners
  - Maximize efficiency of signalized intersections
  - Expand the use of Intelligent Transportation Systems
  - Maintain the existing transportation system
- 9) Improve transportation system resiliency and reliability; Reduce or mitigate the storm water impacts of the surface transportation system.  
**2050 MTP Goal:** Promote the resiliency and reliability of the system while promoting transportation projects and practices that minimize stormwater impacts  
**Objectives:**
- Minimize delays due to recurring and non-recurring congestion
  - Coordinate with local and state emergency management agencies
  - Identify vulnerable areas of the system that impact the reliability of travel and identify strategies to address
  - Review transportation projects to ensure minimal stormwater impacts
  - Promote continuity with applicable state and local emergency preparedness plans
  - Prepare Coordinated Incident Responses
- 10) Enhance travel and tourism.  
**2050 MTP Goal:** Provide a transportation network that enhances travel and tourism through regional accessibility  
**Objectives:**
- Promote regional connectivity
  - Promote transportation investments and strategies that provide access to tourist attractions

## **National Performance Measures**

Performance management increases the accountability and transparency of the Federal-aid highway program and provides for a framework to support improved investment decision making through a focus on performance outcomes for the national transportation goals. MPO's coordinate with their state's DOT on data sources and methods to achieve uniformity.

The rule-making process at the federal level established the following performance measures:

- **Fatalities and serious injuries**, both number and rate per vehicle mile traveled on all public roads:
  - 5-year rolling averages for fatality
  - 5-year rolling averages for injury
  - Fatality **rates** by 100 million Vehicle Miles Traveled (VMT)
  - Serious injury **rates** by 100 million VMT
  - Number of Non-motorized Fatalities and Non-motorized Serious Injuries

Data Sources: Georgia Electronic Accident Reporting System, GDOT's GEOCOUNTS traffic data, **HAMPO GIS**, GDOT GIS, GDOT VMT

- **Pavement condition** on the Interstate System and on remainder of the National Highway System (NHS):
  - Interstate pavement condition (MAP-21 requires 5% Max in poor condition)
  - Percentage of pavements on the Interstate System in good condition;
  - Percentage of pavements on the Interstate System in poor condition;
  - Percentage of pavements on the NHS (excluding the Interstate System) in good condition;
  - Percentage of pavements on the NHS (excluding the Interstate System) in poor condition.Data Source: GDOT's Highway Economic Requirements System-State (HERS-ST) model
  
- **Bridge condition** on the NHS:
  - Percentage of NHS bridges classified as in good condition; and
  - Percentage of NHS bridges classified as in poor conditionData Source: National Bridge Inventory (NBI)
  
- Performance of the Interstate System and the remainder of the NHS:
  - **Congestion** is the amount of time during the year when highway users have experienced excessive delay. The measure is the times during the day when vehicles are travelling at speeds below 35 mph for freeways or expressways and 15 mph for all other NHS roadways.
  - **Travel time reliability** is when the longer travel times are no more than 50 percent higher than what would be normally expected by users between the hours of 6:00 a.m. to 8:00 p.m.
  - **Performance** will be measured by percent peak hour travel times that meet expectations for the Interstate System and NHS.Data Source: National Performance Management Research Data Set (NPMRDS)
  
- Freight movement on the Interstate System
  - **Truck Travel Time Reliability (TTTR)**Data Source: National Performance Management Research Data Set (NPMRDS)

## **Regional Performance Measures**

HAMPO will be tracking its performance using both the finalized national measures as listed above and regional performance measures as shown in the National Performance Matrix exhibit on the following pages.

## **Performance Measures Reporting**

HAMPO will issue a report annually stating and tracking progress on the performance measures highlighted in the UPWP. This report will be issued prior to end of the fiscal year.

The following work elements not currently utilized by the MPO have been removed from the FY 2027 Planning Activity Matrix:

- Equipment and Supplies
- Congestion Management
- Transit/Paratransit
- Intermodal Planning
- Air Quality Planning
- Highway Planning
- ITS
- Air Quality Management
- Model Development and Applications

These work elements have been collapsed into other UPWP tasks for FY 2027, all of which addresses each element and the associated planning activities factors as detailed in the respective task description for FY 2027.

## D. UPWP TASKS AND PHASES

---

The following sections detail the work program by elements and tasks for fiscal year 2027.

### **Task 1: ADMINISTRATION**

---

The administrative elements for FY 2027 are the implementation of an effective administrative structure to carry out the goals and objectives of the HAMPO Policy Committee and the UPWP. The overall objective is to facilitate and coordinate the transportation planning process of the MPO in compliance with federal and state laws and requirements. The operation of HAMPO is accomplished through the coordination and communication of program goals and objectives among the area residents, HAMPO staff, local elected officials and staff, Georgia Department of Transportation, Federal Highway Administration, Federal Transit Administration, representatives of Fort Stewart, Coastal Region Metropolitan Planning Organization, Coastal Regional Commission, and other federal and state planning partners.

#### **1.1. Program Coordination**

**Objective:** This element provides resources to establish an effective and equitable decision-making environment by coordinating the regional planning activities of the HAMPO with neighboring MPO's, departments within the Liberty Consolidated Planning Commission, Liberty County and its municipalities, Long County, local and regional transit providers, GDOT, the Georgia Association of Metropolitan Planning Organizations (GAMPO), Coastal Regional Commission (CRC), Federal oversight agencies, and other transportation stakeholders.

**Previous Work:** The FY 2026 staff activities are detailed below:

- Coordinated with oversight agencies to prepare for regularly scheduled HAMPO committee meetings and attended monthly coordination calls with GDOT and FHWA.
- HAMPO staff attended GAMPO meetings hosted in-person on September 25-26, 2025, and during Spring 2026.
- HAMPO Executive Director participated in regularly scheduled CORE MPO meetings and provided reciprocal opportunity to present updates at HAMPO Policy Committee meetings.
- Facilitated and coordinated study activities and requests for information for the HAMPO 2050 MTP, **list other plans we helped with.**
- HAMPO staff provided the necessary consultation, analysis and staff support to conduct the federally mandated Metropolitan Transportation Planning process and coordinated the process and products with the efforts of the LCPC, Georgia DOT, Liberty County and its municipalities, Long County, Liberty Transit, Coastal Regional Commission, Liberty Economic Development Authority, Federal Highway Administration and Federal Transit Administration.
- HAMPO staff coordinated with peer MPOS within the Coastal Region on planning activities in the HAMPO area. Peer MPOs include the Coastal Region MPO and the Brunswick Area Transportation Study (BATS) MPO.

**FY 2027 Activities:** HAMPO staff will work with GDOT and other agencies and jurisdictions to provide and maintain a coordinated, comprehensive, and continuous multimodal planning process. Staff will perform the following actions:

- Participate with GAMPO, CRC, CORE MPO and other state and national organizations on the role of MPOs in statewide and metropolitan transportation planning, legislative actions impacting transportation planning, and funding.
- Function as the local expert in transportation, assisting planning partners in transportation project development, sharing planning products, and providing a forum for regional decision making.
- Host HAMPO policy, technical, and citizens committee meetings and HAMPO subcommittee meetings.
- Facilitate and document coordination of study activities and requests for information.
- Coordinate the transportation planning process with other MPOs, Georgia Department of Transportation, Georgia Ports Authority, Coastal Regional Commission, and other stakeholders. This coordination may occur via telephone, electronic mail, and/or in-person meetings.
- Coordinate with peer MPOs within the Coastal Region on planning activities in the HAMPO area. Peer MPOs include the Coastal Region MPO and the Brunswick Area Transportation Study (BATS) MPO.
- Participate in Georgia Association of Metropolitan Planning Organization meetings and PL Funds Review Committee meetings typically scheduled in March and September at the GDOT Headquarters in Atlanta, GA or via teleconference.
- Facilitate and make available annual update of System Performance Report.
- Continue to coordinate with FHWA, FTA, GDOT as well as regional and local planning partners to implement Performance Based Planning and Programming according to the One Big Beautiful Bill (OBB), published final rules, and to consult with other planning officials responsible for other types of planning activities.

**Products:**

- Correspondence, memoranda, presentations, informational flyers, and policy recommendations in support regional cooperation and coordination.

**Transportation Planning Related Activities of other Agencies:**

FHWA, FTA, GDOT – Webinars, Conference Calls, Workshops, Committee Meetings

GAMPO – Semi-Annual Work Sessions; PL Funds Review Committee Meetings

GDOT, Liberty County, Long County, City of Hinesville, City of Flemington, City of Walthourville, City of Allenhurst, City of Riceboro, City of Midway, City of Gum Branch

**Target Start and End Dates: July 1, 2026 – June 30, 2027**

**Lead Agency: HAMPO**

**Funding FY 2027:**

| 1.1 Program Coordination |            |          |          |           |
|--------------------------|------------|----------|----------|-----------|
| Agency                   | Federal \$ | State \$ | Local \$ | Total \$  |
| FHWA                     | 17,800.00  | -        | 4,450.00 | 22,250.00 |

## 1.2. Operations and Administration

Objective: The objective for this task is to manage the HAMPO work program, conduct accurate record keeping and documentation of MPO activities, and perform general administrative activities of the MPO.

**Previous Work:** FY 2026 activities are detailed below:

- Annual MPO certifications and audits were filed.
- Drafted and achieved approval of the budget and local match.
- Maintained budgetary reporting including timesheet documentation.
- Maintained MPO project files and records.
- Processed MPO related correspondence and regulatory reports.
- Provided the necessary consultation, analysis, and staff support to conduct the federally mandated metropolitan transportation planning process.
- Staffed all MPO meetings and provide the necessary administrative support to ensure their efficient function.
- Developed meeting materials for all HAMPO meetings, including agendas, sign-in sheets, supporting materials, PowerPoint presentation slides, and minutes.
- Executed all official documents and filed/published as appropriate to meet Federal and State requirements.
- Developed advertisements to meet Federal and State requirements as detailed in the Participation Plan.
- Maintained all project files and records in both hard copy and electronic formats.
- Developed FY 2026 Quarterly and Annual Reports and submitted to GDOT and FHWA as documentation for reimbursement requests.
- Maintained the HAMPO website and related content.
- Reviewed HAMPO Committee membership to identify vacancies and worked to revise the roster as needed to best facilitate the 3-C planning process.
- Developed administrative documents for FY 2026.
- Completed the MPO Self Certification Review Questionnaire.

**FY 2027 Activities:** In FY 2027, this task will provide for the administrative and operational tasks for HAMPO. Tasks include:

- Perform general administrative tasks necessary to facilitate the 3C planning process.
- Develop meeting materials for all HAMPO meetings, including agendas, sign-in sheets, supporting materials, PowerPoint presentation slides, and minutes.

- Prepare and achieve approval of the local match budget.
- Process financial transactions and timecards.
- Maintain MPO project files and records.
- Process MPO related correspondence and regulatory reports.
- Maintain the HAMPO website and related content.
- Execute all official documents and file/publish as appropriate to meet Federal and State requirements.
- Develop advertisements to meet Federal and State requirements as detailed in the Participation Plan.
- Maintain all project files and records.
- Develop FY 2027 Quarterly and Annual Reports and submit to GDOT and FHWA as documentation for reimbursement requests.
- Review HAMPO Committee membership to identify vacancies and work to revise the roster as needed.
- Review and update of existing MPO bylaws to facilitate new performance planning legislation.

**Products:**

- Committee presentations, agendas, sign-in sheets, supporting materials, and minutes.
- MPO quarterly and annual reports / certifications.
- Digital and hard-copy records for MPO activities and reporting.
- General administration records.
- Updated HAMPO bylaws, membership rosters, and MOU.
- Calendar year meeting schedule

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** This is a continuing activity for the fiscal year. July 1, 2026 – June 30, 2027

**Lead Agency:** HAMPO

**Funding FY 2027:**

| 1.2 Operations, Admin. |            |          |          |           |

### 1.3. Training/Employee Education

**Objective:** Maintain professional competency and improve the knowledge of the MPO’s staff in transportation planning through conferences, workshops, and educational programs.

**Previous Work:** In FY 2026, staff attended the following training opportunities:

- GDOT Intermodal BlackCat Grant Training

- GDOT Transit Subrecipient Workshop
- Attendance at GPA, GTA, AMPO, GAMPO, and APA conferences.
- Attended GIS training courses.
- Staff participated in webinars on specialized topics such as public involvement, performance measures, freight, and other transportation topics.

**FY 2027 Activities:** This is a continuing activity in FY 2027 to provide education and training for MPO staff to enable the MPO to effectively carry out the transportation planning process.

- Participate in webinars on specialized topics such as performance measures and other transportation topics.
- Attend conferences and workshops including AMPO, GPA, GTA, APA, and GAMPO.
- Attend GDOT and FHWA sponsored training opportunities when available.
- Conduct staff led training for newly appointed committee members and new HAMPO staff members.

**Products:**

- Attendance at various training opportunities, meetings and conferences.
- Travel documentation and trip reports.
- Training materials acquired at conferences.

**Transportation Planning Related Activities of other Agencies:** None

**Target Start and End Dates:** This is a continuing activity for the fiscal year. July 1, 2026 – June 30, 2027

**Lead Agency:** HAMPO

**Funding FY 2027:**

**1.4. Equipment and Supplies**

**Objective:** The objective of this task is to provide HAMPO the necessary technological equipment and data collection equipment to carry out the transportation planning process.

**Previous Work:** There were not any equipment purchases in FY 2026.

**Project Description:** No equipment purchases are projected for FY 2027.

### 1.5. Contracts/Grants

**Objective:** The objective for this task is to apply for and achieve approval of highway planning assistance grants. In support of the grants, maintain records as required under Federal and State regulations for contracts administered by the MPO.

**Previous Work:** The FY 2026 staff activities are detailed below:

- The FY 2025 highway planning assistance contract was closed by issuing the final reimbursement and final report
- Prepared and submitted the quarterly reimbursements and status reports for FY 2026.
- Staff activities were submitted in timesheet format for review against UPWP tasks and bills coded accordingly.
- Staff maintained a monthly meeting schedule to track Federal and State grants currently open and coordinate annual audit proceedings and documentation.
- Development of Special PL Funding grant application and facilitation of contract execution for resulting funding.
- Managed RFP development, publication, and selection process for discretionary funded planning projects.

**FY 2027 Activities:** FY 2027 contract and grant activities are anticipated to be consistent with FY 2027 tasks.

- Quarterly grant status reports and reimbursements will be prepared and submitted for open contracts.
- Closeout reports will be prepared and filed for FY 2026 contracts ready for closeout.
- Special PL funding applications and approvals will be facilitated for projects identified through the collaborative planning process administered by the MPO.
- Identify key funding sources and opportunities through new Federal legislation, including the recently passed OBB.

**Products:**

- Quarterly and final status reports and reimbursements
- Meeting notes for monthly financial officer coordination

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** This is a continuing activity for the fiscal year. July 1, 2026 – June 30, 2027

**Lead Agency:** HAMPO

**Funding FY 2027:**

| 1.5 Contracts/Grants |            |          |          |          |

## 1.6. UPWP

**Objective:** Develop an annual planning work program for HAMPO that meets, or exceeds local, federal, and state requirements.

### **Previous Work:**

- Developed the draft and final FY 2027 UPWP with updated goals and objectives from the 2050 MTP
- Prepared meeting materials for HAMPO CAC, TCC, and PC meetings to facilitate adoption of the FY 2027 UPWP
- Prepared public and agency comment period materials and circulated to HAMPO planning partners and the public.
- Documented comments and included them HAMPO comment log as meeting materials and an appendix to the final FY 2027 UPWP.

### **FY 2027 Activities:**

- Prepare and update the annual UPWP including work tasks, cost estimates and financial reports.
- Coordinate with HAMPO Committees as well as State and Federal transportation agencies for their input to achieve an approved document.
- Track the progress of objectives in the UPWP to ensure compliance with the approved tasks.
- Ensure timely submittal for compliance with the 30-day reviews by USDOT for any documents requiring public participation.

### **Products:**

- Draft and Final FY 2028 UPWP
- Meeting materials supporting HAMPO adoption of the UPWP
- Comment logs documenting feedback from oversight agency review and public comment periods
- Documentation of Administrative Modifications and/or Amendments to the FY 2027 UPWP, as needed

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** The UPWP is a continuous work effort throughout the fiscal year with the major milestone of Policy Committee consideration of approval during their April 2026 meeting. A detailed planning and adoption schedule can be seen on page 2 of this document. July 1, 2026 – June 30, 2027

**Lead Agency:** HAMPO

**Funding FY 2027:**

## **Task 2: PUBLIC INVOLVEMENT**

---

The HAMPO Policy Committee recognizes that public involvement is the essential component of the MPO planning process. The committee will continue to support implementing innovative programs to educate and involve citizens over the next year to increase awareness and citizen participation.

### **2.1. Community Outreach/Education**

**Objective:** The objective of community outreach and education is to accomplish community input into the transportation planning process in accordance with the updated HAMPO 2021 Participation Plan.

**Previous Work:**

- Maintained HAMPO website content to ensure opportunities for participation in the planning process were advertised and accessible.
- Based on recommendations from member agencies, the Policy Committee appointed new members to the Citizens Advisory Committee.
- Provided planning and project information at the request of the general public, local governments or agencies.
- Conducted HAMPO Planning 101 training for newly elected officials and newly appointed CAC members.
- Staff maintained the transportation comment log and presented these comments to the committees for input and concurrence.

**FY 2027 Activities:**

- Meet with community groups and individuals, as well as the media, to provide information on the current HAMPO planning program, identified transportation deficiencies, and community issues and concerns related to transportation.
- Continue to assess the MPO webpage to ensure accuracy and ease of access for the public.
- Continue to promote open seats for the CAC to ensure adequate representation of the community in the MPO planning process.
- Accept general comments and complaints from the public and facilitate review and response procedures with HAMPO Committee oversight.
- Facilitate public comment periods for the development and maintenance of the FY 2027 – 2030 TIP.
- Facilitate public comment periods for periodic updates to HAMPO documents, including the 2050 MTP, FY 2024 – 2027 TIP, FY 2027 – 2030 TIP, FY 2026 and 2027 UPWPs, and other required updates.
- Continue to utilize the HAMPO website as a forum for public engagement and information sharing.

**Products:**

- Comment log documentation
- Compliance documentation for HAMPO 2021 Participation Plan
- Regular and special called CAC meetings
- Documentation of community presentations

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** This is a continuing activity for the fiscal year. July 1, 2026 – June 30, 2027

**Lead Agency:** HAMPO

**Funding FY 2027:**

| 2.1 Community Outreach/Education |            |          |          |          |

## 2.2. Underserved Communities/Title VI

Objective: Accomplish full and fair participation by underserved communities in the transportation decision-making process. During project planning and development prevent the denial of, reduction in or significant delay in the receipt of transportation improvements by minority and low-income populations; prevent disproportionate impacts to the minority and/or low-income populations in transportation services and projects. Be the ADA advocate for the community and educate the community on Civil Rights.

### **Previous Work:**

- Completed annual Title VI report and submitted to GDOT for review and concurrence.
- Numerous development projects were reviewed with comments made to improve the ADA path of travel for access and pedestrian circulation.

### **FY 2027 Activities:**

- Continue to reach out to the Limited English Proficiency and the other underserved communities for inclusion in the transportation planning process.
- Communicate with the Citizens Advisory Committee and other parties such as schools, health agencies, and non-profits through public involvement techniques to increase participation and public outreach to the underserved communities.
- Complete Title VI annual report and submit to GDOT for review and concurrence.
- Perform screening of HAMPO website for opportunities to improve user experience for members of the disabled and LEP community.

**Product:**

- ADA compliance reviews on new developments
- GDOT Title VI assurances and outreach documentation
- Annual Title VI report

**Transportation Planning Related Activities of other Agencies:**

**Target Start and End Dates:** July 1, 2026 – June 30, 2027

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

| 2.2 Underserved Communities / Title VI |            |          |          |           |
|--|------------|----------|----------|-----------|
| Agency                                 | Federal \$ | State \$ | Local \$ | Total \$  |
| FHWA                                   | 8,938.18   | 0.00     | 2,234.54 | 11,172.72 |

**2.3. Participation Plan**

Objective: The objective of the Participation Plan is to ensure full and fair participation by all communities in the transportation decision-making process. This process is detailed in the adopted HAMPO 2018 Participation Plan.

**Previous Work:**

- Reviewed Participation Plan requirements in preparation for TIP Amendments and ongoing community engagement.
- Reviewed and updated current Participation Plan to ensure compliance with new federal and state legislations and 2020 US Census data.
- Completed public participation documentation for the FY 2024-2027 TIP amendment process

**FY 2027 Activities:**

- Continue the evaluation and facilitation of any HAMPO plan or project for compliance with the adopted Participation Plan.
- Monitoring and implementation of public comment periods associated with FY 2024 – 2027 TIP Amendments
- Monitoring and implementation of public comment periods associated with the development and maintenance of the FY 2027 - 2030 TIP
- Evaluate the effectiveness of public comment periods held for 2050 MTP and FY 2027 – 2030 TIP

**Product:**

- Public participation documentation for the FY 2024-2027 TIP if amended

- Public participation documentation for the draft FY 2027 – 2030 TIP
- Updated Participation Plan

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** July 1, 2026 – June 30, 2027

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

| 2.3 Participation Plan |            |          |          |          |
|------------------------|------------|----------|----------|----------|
| Agency                 | Federal \$ | State \$ | Local \$ | Total \$ |
| FHWA                   | 5,200.00   | 0.00     | 1,300.00 | 6,500.00 |

## **Task 3: DATA COLLECTION**

Data collection, organization, and analysis are critical to the MPO decision making process. Data collection and analysis includes population trends, socioeconomic information, current and future land use data, environmental factors, transportation networks, jurisdictional boundaries, road centerline data, traffic counts, accidents and other data needed for effective transportation planning.

### **3.1. Socio-Economic Data**

**Objective:** The objective of maintaining HAMPO’s socio-economic data is to accomplish presentation of quality data for use with the PP, Title VI and transportation planning to prioritize transportation investments and identify/mitigate negative impacts from projects. The 2020 census has presented both opportunities and challenges to improve the data quality and HAMPO will be working with partners to assist in this critical effort.

**Previous Work:**

- Accessed and analyzed latest US Census Bureau American Community Survey Socio-economic data for use in support of grants, TIP, MTP, multi-modal and transit planning.

**FY 2027 Activities:**

- Continue to update and maintain the socio-economic data records in ArcGIS data server upon the release of updated US Census Bureau data.
- Monitor land use permitting and development activities in the MPO region to identify any substantial developments disproportionate with future SE assumptions.

- Provide SE data and maps in digital format to participating agencies, organizations, and planning partners.

**Product:**

- Series of GIS layers that represent socio-economic data for the HAMPO region.
- Documentation of land use permitting, and development activities used to develop and update SE data for on-going transportation planning needs.
- Transmittal memos and digital file packages for requested data transfers.

**Transportation Planning Related Activities of other Agencies:**

**Target Start and End Dates:** July 1, 2026 – June 30, 2027

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

| 3.1 Socio-Economic Data |            |          |          |          |

**3.2. Land Use Monitoring**

Objective: The objective of land use monitoring is to provide expertise to the development community and our member agencies to mitigate the impacts to the transportation network from development. This is accomplished by review and comment on development plans, traffic studies, and reports in support of the Metropolitan Transportation Plan. Maintenance of land use information is included in this task.

**Previous Work:**

- Additional projects were reviewed to ensure compliance with the requirements of the MTP.
- Maintained records for all new land development permits and certificates of occupancy for use in SE data development and performance-based planning efforts.
- Supported LCPC efforts to update zoning and development codes to include requirements for traffic impact analysis and mitigation measures.
- Supported Liberty County Comprehensive Plan update by participating in Committee meetings and providing technical data to inform future land use decisions.

**FY 2027 Activities:**

- Continue ongoing coordination of the land use planning activities of Liberty Consolidated Planning Commission with the comprehensive transportation planning activities of the MPO.
- Continue to review site plans and traffic studies in conjunction with the development review process initiated by LCPC.

- Perform enhanced analysis and coordination with planning partners for developments with perceived impacts to the HAMPO transportation network.
- Continue to support Liberty County Comprehensive Plan update by participating in Committee meetings and providing technical transportation data to inform future land use decisions.

**Products:**

- Traffic studies, reports and review comments based on development proposals
- Updated land use data for GIS mapping to assist in transportation planning efforts and transit system monitoring
- Liberty County Comprehensive Plan coordination summaries and data transmittals

**Transportation Planning Related Activities of other Agencies:**

- Georgia Department of Transportation (coordination of state highway encroachment permits)
- Liberty Consolidated Planning Commission

**Target Start and End Dates:** July 1, 2026 – June 30, 2027

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

**3.3. Air Quality Management**

HAMPO is not in a non-attainment and maintenance area so this section is not applicable.

**3.4. Transportation Surveys, Models, and Analysis**

**Objective:** Seek public comment on levels of service for highways and multimodal by use of surveys, maintain current data for the travel demand model (TDM), and provide the data set for project analysis and/or prioritization.

**Previous Work:**

- Performed planning level audits and assessments for public comments / complaints regarding the MPO highway and multimodal network.
- Performed modeling support for requests from GDOT, local public agencies, transit operators, and other planning partners.

**FY 2027 Activities:**

- Continue to provide ongoing modeling support for requests from GDOT, local public agencies, transit operators, and other planning partners as needed.
- System level multimodal analysis, as needed to support the MPO’s 3C planning process.
- Review of SE Data, TDM outputs and results, and modeling scenarios

**Product:**

- Transmittal memos and digital file transfers for model data and multimodal analysis, as needed

**Transportation Planning Related Activities of other Agencies:**

**Target Start and End Dates:** July 1, 2026 – June 30, 2027.

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

**3.5. System Monitoring**

Objective: The objective for this sub-element is to gather and analyze data including traffic volumes and accidents for performance-based planning. HAMPO efforts also include in-house traffic counting to supplement or verify GDOT's annual count effort.

**Previous Work:**

- Utilized “GEARS” (Georgia Electronic Accident Reporting System) data for system monitoring.
- Utilized “TADA” (Traffic Analysis and Data Application) data for system monitoring.
- Utilized Numetric data for system monitoring.
- Updated the GIS data set (maps) using GDOT’s prior year, traffic study and HAMPO traffic counts and posted these to the web site for access by the developers.
- Updated system performance report and coordinated with MPO staff on uploading it to the website.
- Provided post implementation system performance reporting for projects in CST phase or recently completed.

**FY 2027 Activities**

- Continue to utilize “GEARS” (Georgia Electronic Accident Reporting System), Numetric, and Traffic Analysis and Data Application (TADA) data for system monitoring.
- Update system performance report and publish it to the website.
- Continue post implementation system performance reporting for projects in CST phase or recently completed.
- Continue to coordinate with GDOT District 5 on Lump Sum safety projects.

**Product:**

- System performance report
- Post implementation summaries for projects with completed CST phase and adequate post implementation data available for analysis
- Coordination meetings with GDOT District 5 staff regarding safety projects

**Transportation Planning Related Activities of other Agencies:**

GDOT District 5 – Programming, design and construction of safety projects

GDOT – Collection, processing, and publication of data in Numetric, TADA and GEARS web-based data applications.

Collaboration for annual System Performance Report update.

**Target Start and End Dates:** July 1, 2026 – June 30, 2027.

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

## Task 4: System Planning

System planning is an integral part of HAMPO’s planning process as the Policy Committee considers solutions to transportation issues facing the Metropolitan Planning Area. During FY 2027, HAMPO will continue to work with partner agencies to implement the Transportation Improvement Program and Metropolitan Transportation Plan. HAMPO will also address other transportation issues such as bicycle and pedestrian access, freight planning, and inter-modal connectivity to improve the overall transportation system.

### 4.1. Congestion Management

HAMPO is not a Transportation Management Area so this task is not applicable.

### 4.2. Transit/Paratransit

Transit and paratransit planning is conducted utilizing 49 U.S. Code § 5303 funding. See task 5 of this report for additional information.

#### **4.3. Intermodal (i.e. airports and ports)**

Intermodal planning activities are incorporated in sections 4.5 Bicycle and Pedestrian Planning, 4.10 Freight Planning, and 4.11 Metropolitan Transportation Plan Development.

#### **4.4. Air Quality**

HAMPO is not in a non-attainment and maintenance area so this task is not applicable.

#### **4.5. Bike/Ped**

**Objective:** The objective of this element is to ensure that pedestrian and bicycle facilities are addressed at the planning stage for new projects and that the gaps in the existing network are identified and closed as funding or other opportunities arise. This element is closely coordinated with transit planning. See element 5.4.

##### **Previous Work:**

- Coordinated with HAMPO members to encourage pursuit of LAP Certification and applications for TAP grant funding for multimodal projects.
- Coordinated with TSPLOST committee to ensure multimodal projects are prioritized for implementation.
- Supported Liberty Transit's infrastructure program in the identification and construction of first and last mile connectivity projects including sidewalks and safety infrastructure for pedestrians.
- Supported East Coast Greenway and Coastal Georgia Greenway by sharing information and funding opportunities with local planning partners and MPO committee members.

##### **FY 2027 Activities:**

- Continue to support East Coast Greenway and Coastal Georgia Greenway by sharing information and funding opportunities with local planning partners and MPO committee members.
- Screen land development submittals for multimodal infrastructure.

##### **Product:**

- Identification and notification of funding for pedestrian and bike projects
- Land development review ensuring inclusion of bicycle and pedestrian facilities where feasible
- Communication with GDOT District 5 for incorporation of bicycle and pedestrian facilities in maintenance projects, where feasible.

**Transportation Planning Related Activities of other Agencies:** GDOT Planning and District 5 – Coordination when bicycle and pedestrian programming is requested

**Target Start and End Dates:** July 1, 2026 – June 30, 2027.  
This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

| 4.5 Bike/Ped |            |          |          |          |
|--------------|------------|----------|----------|----------|
| Agency       | Federal \$ | State \$ | Local \$ | Total \$ |
| FHWA         | 4,000.00   | 0.00     | 1,000.00 | 5,000.00 |

#### 4.6. Model Development and Applications

HAMPO’s travel demand model (TDM) was updated in FY 2025 in support of the 2050 Metropolitan Transportation Plan; therefore, no work is included in FY 2027.

#### 4.7. GIS Development and Applications

**Objective:** This sub-element provides the resources necessary to maintain HAMPO’s Geographic Information System (GIS) platform that is used to prepare exhibits that are specific and relevant to the transportation planning process. UPWP elements such as system monitoring and socioeconomic data contribute to the GIS platform and are then presented holistically with other data sets. Combining multiple layers together through GIS produces map exhibits that are critical to the transportation planning process.

**Previous Work:**

- Produced GIS exhibits throughout the year primarily to support agenda items for the HAMPO committees, public and stakeholder engagement, and HAMPO web site graphics.
- Developed TIP project summary maps and project sheet maps
- Updated traffic count maps and major road tractor trailer freight movements using line symbology.
- Utilized local land use data, collected in the Land Use Monitoring task efforts, to produce local development maps for Liberty County, Long County and all local municipalities.

**FY 2027 Activities:**

- Continue to maintain the HAMPO GIS database and layers
- Map exhibits as needed to support the 3C MPO planning process

- Work collaboratively with City of Hinesville GIS Department and Liberty County Tax Assessors GIS team to ensure consistency with transportation and land use data sets
- Continue to perform GIS assessments, and mapping for PP, Title VI Plan, and LEP analysis, based on US Census 2020 count data

**Product:**

- Map exhibits that support the 3C MPO planning process, prepared for project evaluations and committee presentations

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** July 1, 2026 – June 30, 2027.

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

| <b>4.7 GIS Development and Applications</b> |            |          |          |          |

| FHWA  | 6,400.00   | 0.00     | 1,600.00 | 8,000.00 |

**4.8. Highway Planning**

Work on this task is included in the TIP, MTP and other UPWP sections.

**4.9. Intelligent Transportation System (ITS)**

As deployment of ITS systems becomes a national reality, HAMPO will add this element to advocate for installation of transportation features in support of ITS. Opportunities to increase knowledge on Intelligent Transportation Systems are included in the training element.

**4.10. Freight Planning**

**Objective:** The objective of freight planning is to ensure that intermodal system planning for the freight component is included in the metropolitan transportation planning process. This includes implementation and support of the MTP projects to increase freight efficiency; obtaining input from freight stakeholders; GDOT, neighboring MPOs, ports, and the public.

**Previous Work:**

- Monitored Georgia Ports Authority growth through “State of the Ports” presentations and website publications.

- Utilized NPMRDS data to identify bottle necks in the MPO region.
- Coordinated with Liberty County Economic Development Authority regarding improvements needed to facilitate growth of local freight-based industries
- Reviewed freight recommendations included in the 2050 MTP and the HAMPO Safety Action Plan and ensure opportunities for input by Fort Stewart Military Installation, GDOT Freight Division, and Liberty County Economic Development Authority.

**FY 2027 Activities:**

- Continue to monitor development and growth at Port of Savannah and Port of Brunswick as well as associated regional enhancements.
- Coordinate with planning partners regarding operational upgrades recommended in the HAMPO Freight Study.
- Manage the development of the HAMPO Freight Study.
- Manage the implementation of the 2050 MTP with freight planning efforts and focuses, including eastern Liberty County freight intensive development and associated network improvements/projects.

**Product:**

- Documentation of meetings regarding freight supportive operational enhancements

**Transportation Planning Related Activities of other Agencies:** none

**Target Start and End Dates:** July 1, 2026 – June 30, 2027.

This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

| 4.10 Freight Planning |            |          |          |          |

**4.11. Metropolitan Transportation Plan**

**Objective:** In accordance with the IIJA and other federal regulations; maintain the HAMPO Metropolitan Transportation Plan (MTP) in good standing; incorporate the ten Planning Activity Factors in the transportation planning process and implement the MTP projects and policies on an ongoing basis.

**Previous Work:**

- Maintained and updated the HAMPO performance based, multimodal 2050 MTP.

- Amended the 2050 MTP to include updated GDOT 2026 Safety Performance Measures
- Developed website content for MTP Amendment / Modification publications

**FY 2027 Activities:**

- Staff will support implementation of the 2050 MTP
- Staff will continue to maintain, amend, update, and implement the 2050 through amendments and administrative modifications

**Product:**

- 2050 MTP amendments and administrative modifications

**Transportation Planning Related Activities of other Agencies:** FHWA, GDOT Planning and GDOT Intermodal – review and comment on amendments and administrative modifications

**Target Start and End Dates:** July 1, 2026 – June 30, 2027.  
Maintenance of the MTP is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

| 4.11 Metropolitan Transportation Plan |            |          |          |          |

**4.12. Transportation Improvement Plan**

**Objective:** To develop and maintain a Transportation Improvement Program (TIP) in cooperation with local and state planning partners.

**Previous Work:**

- Performed 2024 -2027 TIP Amendments and Administrative Modifications, as required
- Began development of the FY 2027 – 2030 TIP

**FY 2027 Activities:**

- Develop the draft and final FY 2027-2030 TIP
- Perform TIP Amendments and Administrative Modifications as required to the existing FY 2024-2027 TIP
- Publish the annual list of obligated projects
- Provide status for current projects at each HAMPO committee meeting

**Product:**

- Draft and final 2027 – 2030 TIP
  - Draft and final document
  - HAMPO committee meeting slides
  - Public comment period materials and documentation
  - Website content for TIP, including links to draft documents
  
- 2024 – 2027 TIP Amendments and Administrative Modifications
  - Amended/Modified document
  - HAMPO committee meeting slides
  - Public comment period materials and documentation (Amendments only)
  - Website content for TIP Amendment / Modification publications

**Transportation Planning Related Activities of other Agencies:** GDOT Planning review and comment of draft materials

**Target Start and End Dates:** July 1, 2026 – June 30, 2027.  
Maintenance of the TIP is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

**4.13. Special Transportation Studies**

**Objective:** The sub-element represents any PL or 5303 special planning studies that provide the MPO with the capability to develop planning studies to meet identified needs and locally identified transportation initiatives. The MPO will also respond to requests from other agencies or the general public and address planning needs not otherwise covered in the UPWP.

**HAMPO Freight Plan Update**

**Objective:**

Develop an update to the existing standalone HAMPO Freight Plan, a document that identifies the freight network in the HAMPO region, evaluates freight-specific needs, and provides opportunities to improve those needs.

**Description:**

- HAMPO is located between two major ports in the State of Georgia: the Port of Savannah and the Port of Brunswick. In addition to these ports, HAMPO contains important STRAHNET corridors and freight networks to deliver goods throughout the region and country. This plan will assess the current freight network, current land uses, and identify opportunities for improving freight movement in the HAMPO region. No funding has been identified for the HAMPO Freight Plan Update. GAMPO Special PL funding applications will be considered for future UPWPs.

**Previous Work:**

- Coordinated with MPO Committees regarding potential GAMPO Application
- Developed GAMPO application to secure Special PL funding to complete the HAMPO Freight Plan Update.
- Developed a scope of work for the HAMPO Freight Plan Update.
- Reviewed and incorporated feedback from MPO and oversight agencies for the Freight Plan Update.

**FY 2027 Activities:**

- Release RFP and selection of consultant team to develop HAMPO Freight Plan.
- Support consultant team in development of HAMPO Freight Plan Update and incorporating feedback from MPO and oversight agencies.

**Product:**

- HAMPO Freight Plan Update

**Transportation Planning Related Activities of other Agencies:** Coordination with GDOT Planning, GDOT Intermodal, FHWA, CORE MPO, Georgia Ports Authority,

**Target Start and End Dates**

- July 1, 2026 – June 30, 2027.

**Lead Agency:** HAMPO

**4.14. Increasing Safe and Accessible Transportation Options Program**

**Objective:** To develop an Increasing Safe and Accessible Transportation Options prioritization plan, including standards and policies that ensure safe and adequate accommodations for multimodal users of the transportation system. This is a new requirement for MPOs, to use at least 2.5% of their

planning and research funds to adopt Increasing Safe and Accessible Transportation Options standards and policies.

**Previous Work:**

- A prioritization plan was developed during the HAMPO Bicycle and Pedestrian Plan update.
- Maintenance and implementation of prioritization plan.
- Provided HAMPO Committees states update on prioritization plan efforts.
- Performed public engagement efforts.

**FY 2027 Activities:**

- Continue ongoing maintenance and implementation of prioritization plan.
- Provide updates to HAMPO Committees.
- Incorporate Safety Action Plan into existing and future MPO processes.
- Continue monitoring activities and projects identified in Safety Action Plan.

**Product:**

- Increasing Safe and Accessible Transportation Options prioritization plan with updated amendments and administrative modifications

**Transportation Planning Related Activities of other Agencies:** GDOT Planning, FHWA review and comment of draft materials

**Target Start and End Dates:** July 1, 2026 – June 30, 2027.

## Task 5: TRANSIT PLANNING

Transit planning is funded per an annual federal section 5303 planning assistance grant to provide for effective, affordable and accessible public transportation options and alternatives in the Metropolitan Planning Area.

Our objectives are to:

- Provide planning, administration, and coordination in support of transit and associated public infrastructural improvements both regionally and inside the Metropolitan Planning Area.
- Improve mobility by expanding modal choice through increased transit and alternative transportation facilities and services with emphasis on underserved populations.
- Integrate walkability planning into development, local, HAMPO and regional plans.

## 5.1 Program Support and Administration

(FTA - ALI code 44.21.00)

*FTA C 8100.1C Activity Line Item Description:*

*“Include basic overhead, program support, and general administrative costs directly chargeable to the FTA project; examples include direct program support, administration, interagency coordination, citizen participation, public information, local assistance, and Unified Planning Work Program (UPWP) development. (If direct program administrative and support costs are included in each work or activity, do not enter them a second time in this category)”.*

### Objective:

To administer and operate the MPO transit planning process by coordinating MPO functions with Georgia Department of Transportation, the Federal Transit Administration and all involved stakeholders, including time and financial accounting for MPO transit planning-related activities during the fiscal year.

Provide regional coordination for transit planning and efforts to increase ridership for transit systems with continued emphasis on coordination between our transit providers. There are currently seven “local” transit systems in our region with each striving to accomplish their specific mission. Urban systems are Liberty Transit and Chatham Area Transit. Rural service is provided by Coastal Regional Coaches. Other government sponsored systems are the school bus system and Veterans services. Private systems are taxi services and medical transport.

### Previous Work (FY 2026):

- MPO Committee meetings
- GAMPO Annual Spring and Fall Conference
- GPA Planning Conference
- Core MPO and CRC Policy meetings
- LCPC Financial Audit Report

- FY 2026 5303 Quarterly Status Reports, and Reimbursements and Close Out
- FY 2027 UPWP Development

**Description:**

This is a continuing annual activity providing the administrative and operational tasks for HAMPO in the following areas:

**Administration:**

- Host all HAMPO committee and sub-committee meetings (policy, technical, and citizens) with agendas, minutes, mailings, presentations and staff reports
- Maintain time and financial records
- Maintain project files
- MPO related correspondence
- Maintain HAMPO Web Site

**Training/Employee Education:**

- Attend and participate in conferences and trainings on planning factors and emphasis areas.
- Attend GIS training courses to improve visualization techniques.
- Webinars on specialized transit topics
- Attend Title VI training

**Contracts and Grants:**

- Annual and final status reports and reimbursements
- 5303 FY 2027 transit planning assistance grant administration
- 5303 FY 2028 transit planning assistance grant development

**Unified Planning Work Program:**

- Coordinate with HAMPO Committees as well as State and Federal transportation agencies for their input to achieve an approved document
- Track the progress of objectives in the UPWP to ensure compliance with the approved tasks
- Adhere to the requirements of the MPO certification
- Submit for compliance review and approval documents such as TIP's, Contracts, RFP's etc.
- 5303 FY 2027 transit UPWP administration
- 5303 FY 2028 transit UPWP development

**Public Involvement, Title VI and Participation Plan:**

- Ensure that citizens have been provided with adequate, appropriate and meaningful opportunities to participate in the MPO planning and decision-making process.
- Meet with community groups, individuals as well as the media to reach a broader cross section of the public
- Facilitate public information meetings on transportation projects
- Ensure that outreach activities are made available in English and Spanish for the 2020 Census defined LEP population that exceeds the 5% threshold for Spanish speaking.
- Continually improve HAMPO's website for ease of access and current Title VI documents
- Be the ADA advocate and educator for the community

- Use Geographic Information Systems (GIS) mapping to locate underserved populations within the MPA to assess the benefits and burdens of existing and planned transportation system investments on these populations.
- Coordinate with the 5307 fixed route system operator (Liberty Transit) to improve their Title VI beyond the state template minimums. This is critical to support their efforts to improve complimentary paratransit service (CPS), Associated Transit Improvements and service changes.

**Products:**

- 5303 Grant Status Reports and Reimbursements
- HAMPO and Transit Steering Committee Meetings
- Presentations to Community Groups and meeting with citizens
- News releases on HAMPO work products

**Transportation Planning Related Activities of other Agencies:**

- Liberty Transit Steering Committee

**Start/Finish Dates:**

- Administration is an ongoing task for the fiscal year: July 1, 2026 – June 30, 2027

**Lead Agency:** HAMPO

**Funding FY 2027:**

## **5.2 Long Range Transportation Planning (MTP) - System Level**

**(FTA - ALI code 44.23.01)**

*FTA C 8100.1C Activity Line Item Description:*

*“a. Long Range Transportation Planning (LRTP)—System Level. Include only the costs of activities specifically emphasizing long range transportation system planning and analysis; examples include long range travel forecasting and modeling including appropriate data base development and maintenance for transportation in the entire metropolitan area or State, system analysis, sketch planning, system plan development, reappraisal or revision, and all long-range Transportation System Management (TSM) activities.*

*b. Long Range Transportation Planning (LRTP)—Project Level. Include only the costs of examples include corridor and subarea studies, cost effectiveness studies, feasibility and location studies, and the preparation of related draft environmental impact studies.”*

### **Objective:**

In accordance with IJIA and other federal regulations, perform transit planning in accordance the approved 2050 Metropolitan Transportation Plan (MTP) and supplements. Transit planning will in accordance with the national transit goals, and Planning Activity Factors to support the MTP.

### **Previous Work:**

- Providing support for the implementation of the 2050 MTP in accordance with Participation and Title VI Plan.
- Coordinating with GDOT and local partners in prioritizing and implementing projects in the MTP and TIP, including meetings and conducting analysis where needed for a comprehensive and coordinated MTP.
- Monitored US Census Bureau population and employment count data and updated MPO maps to reflect changes in Urbanized Area and Urban Planning Area boundaries.

### **FY 2027 Activities:**

Activities focus on long range transit planning for the Metropolitan Planning Area. In FY 2027, work on will include:

- Continue implementation the 2050 MTP in accordance with Participation and Title VI Plan.
- Develop reports and information to fund transit improvements throughout the MPA.
- Continue to work with GDOT and local partners in prioritizing and implementation of projects in the MTP and TIP.
- Oversee amendments and administration to the 2050 MTP after adoption as needed.
- Provide reports and meeting minutes from TDP meetings.

### **Products:**

- Report on implementation of 2050 MTP in quarterly and annual status reports.
- Amendments and Administrative Modifications to the 2050 MTP for incorporation of performance measures and updated targets.
- Summaries from TDP meetings.

**Transportation Planning Related Activities of other Agencies:**

- GDOT Transit - Coordination with the State’s MTP and for performance measures.
- Transit Planning per the Group Asset Management Plan

**Start/Finish Dates:**

- July 1, 2026 – June 30, 2027. This is a continuing activity for the fiscal year.

**Lead Agency:** HAMPO

**Funding FY 2027:**

**5.3 Short Range Transportation Planning (SRTP)**

(FTA - ALI code 44.24.00)

*FTA C 8100.1C Activity Line Item Description:*

*“Include only the costs of activities specifically emphasizing short range transportation system or project planning and analysis proposed in the next three to five years; examples include management analyses of internal operations such as management/administration, maintenance, personnel, and labor relations; service planning including appropriate data base development and maintenance; Transportation Development Plan (TDP) preparation; financial management planning, including alternative fare box policies; and all short range Transportation System Management (TSM) activities including vanpool/ridesharing, high occupancy vehicles, parking management.”*

**Objective:**

Provide planning support to the local urbanized transit system to encourage strategic management and operations improvements to facilitate increased access to citizens wishing to utilize public transportation.

**Previous Work:**

- Coordinated 5307 Associated Transit Improvements for sidewalk improvements and ADA barrier removal for improved access to bus stops. Achieved funding in FY 2024, 2025, 2026
- Completed Transit Coordination .
- Maintained and updated socio-economic GIS databases.
- Attended Liberty Transit Steering Committee meetings and provided advanced review and comment on action items.
- Aggregated transit ridership data and presented monthly performance updates to HAMPO committees.

- Supported updates to Liberty Transit’s Title VI policy and complaint forms.
- Supported Liberty Transit in the development of responses to GDOT Audit. Provided review and comment on development plans, traffic studies, and reports which impact the MPA’s multi modal transportation network.

**FY 2027 Activities:**

- Support Liberty Transit by identifying short term operational issues such as low on-time performance, low ridership routes and stops, and misaligned route schedules for shift-based employment and university classes.
- Coordinate with Liberty Transit to identify issues and opportunities that require short term service modifications after implementation of new service changes.
- Review of development plans for transit opportunities and adequacy of multi-modal infrastructure.

**Product:**

- Perform GIS collection, organization, and mapping analysis. Data collection includes population trends, socioeconomic information, current and future land use data, environmental features, transportation networks, jurisdictional boundaries, and other data needed for effective transportation planning.
- 5307 Sidewalk project planning
- Reports and other documents and supporting documentation will be prepared and provided to GDOT as needed.
- Seek public comment on levels of service for highways and multimodal by use of surveys, maintain current data for the traffic demand model (TDM), and provide the data set for project analysis and/or prioritization.
- Development plans reviewed for transit opportunities and adequacy of multi-modal infrastructure.

**Transportation Planning Related Activities of other Agencies:**

- Liberty Transit Steering Committee - coordination and professional staff support
- GDOT Transit - coordination

**Target Start and End Dates:**

- This is a continuing activity for the fiscal year: July 1, 2026 – June 30, 2027

### 5.4 Transportation Improvement Program (TIP)

(FTA - ALI code 44.25.00)

*FTA C 8100.1C Activity Line Item Description:*

*“Include only the costs of activities specifically emphasizing TIP development and monitoring”*

**Objective:**

To develop and maintain a Transportation Improvement Program (TIP) in cooperation with local and state planning partners.

**Previous Work:**

- Maintenance and update of FY 2024-2027 TIP
  - Amended to include GDOT Safety Performance Measures and Targets
  - Amended to include updated budget and project totals
  - Amended to include new Amendment and Administrative Modification requirements

**Description:**

- In FY 2027, HAMPO will develop a draft and a final FY 2027-2030 TIP
  - Document will go through several rounds of public involvement and comment periods
  - Feedback and coordination with oversight agencies will help guide the development of the TIP update
- HAMPO will continue maintain and update via administrative modifications or amendments the current FY 2024-2027 TIP.
- Completion of status reports of current projects to be provided at HAMPO committee meetings.

**Product:**

- Draft and final FY 2027-2030 TIP
- Amended or Admin Modified FY 2024-2027 TIP
- Status reports of current projects provided at HAMPO committee meetings

**Transportation Planning Related Activities of other Agencies:** GDOT Planning

**Target Start and End Dates**

## **5.5 Other Activities**

(FTA - ALI code 44.27.00)

*FTA C 8100.1C Activity Line Item Description:*

*“Include only the costs of those activities whose primary emphasis is unrelated to the specific types of activities described above”*

### **Objective:**

This task covers the miscellaneous planning, programming, and implementation activities that staff may be required to perform throughout the year.

### **Description:**

- In FY 2026, HAMPO worked collaboratively with Liberty Transit and other regional service providers to seek alternative funding methods to support the ongoing efforts of the Transit Supportive Infrastructure program.

**There are no Other Activities planned for FY 2027.**

## **Unfunded Projects**

This section lists projects that have been identified but lack funding to move forward. These projects include the following:

### **HAMPO Bicycle & Pedestrian Plan Update**

#### **Objective:**

Develop an update to the existing standalone HAMPO Bicycle & Pedestrian Plan, a document that identifies the bike and pedestrian network in the HAMPO region, evaluates multimodal-specific needs, and provides opportunities to improve those needs.

#### **Description:**

- HAMPO is a region that is home to people of all ages and abilities, with Fort Stewart also being located within the MPO planning area. Having well developed bicycle and pedestrian infrastructure is important for residents to improve health outcomes, provide alternative means of transportation, and provide recreational opportunities for all. This plan will assess the current bicycle and pedestrian network, current land uses, and identify opportunities for improving multimodal infrastructure in the HAMPO region. No funding has been identified for the HAMPO Bike & Ped Plan Update. GAMPO Special PL funding applications will be considered for future UPWPs.

#### **Previous Work:**

- Completed previous Bike & Pedestrian Plan in 2023.

**Future Activities:**

- Continue work on HAMPO Bike & Ped Plan Update and incorporating feedback from MPO and oversight agencies.

**Product:**

- HAMPO Bicycle & Pedestrian Plan Update

**Transportation Planning Related Activities of other Agencies:** Coordination with GDOT Planning, GDOT Intermodal, FHWA, CORE MPO

**Target Start and End Dates**

- No identified target and start dates, is contingent on submittal of GAMPO application

**Lead Agency:** HAMPO

**HAMPO 2055 MTP Update**

**Objective:**

Develop an update to the existing HAMPO 2050 MTP, the federally-mandated document that identifies how the metropolitan area will manage and operate a multi-modal transportation system (including transit, highway, bicycle, pedestrian, and accessible transportation) to meet the region’s economic, transportation, development and sustainability goals for a 20 year planning horizon, while remaining fiscally constrained.

**Description:**

- HAMPO is the metropolitan planning organization that is responsible for conducting the 3-C (continuing, comprehensive, and cooperative) metropolitan transportation planning process for the Hinesville metropolitan area. As an MPO, HAMPO is required by federal legislation to develop a fiscally constrained metropolitan transportation plan that identifies how the region will manage and operate a multimodal transportation system. No funding has been identified for the HAMPO 2055 MTP. GAMPO Special PL funding applications will be considered for future UPWPs.

**Previous Work:**

- Completed and adopted the HAMPO 2050 MTP in FY 2026.
- Developed GAMPO application to secure Special PL funding to complete the HAMPO 2050 MTP.
- Developed a scope of work for the HAMPO 2050 MTP.
- Reviewed and incorporated feedback from MPO and oversight agencies for the HAMPO 2050 MTP.

**Future Activities:**

- Develop HAMPO 2055 MTP

**Product:**

- HAMPO 2055 MTP

**Transportation Planning Related Activities of other Agencies:** Coordination with GDOT Planning, GDOT Intermodal, FHWA, CORE MPO

### **HINESVILLE AREA METROPOLITAN PLANNING ORGANIZATION**

### **MEMORANDUM OF UNDERSTANDING**

#### **BETWEEN**

The Georgia Cities of Allenhurst, Flemington, Gum Branch, Hinesville, Midway, Riceboro and Walthourville, Liberty and Long counties, Fort Stewart and the Georgia Department of Transportation, in cooperation with the U.S. Department of Transportation,

#### **RELATIVE TO**

The continuing, comprehensive, cooperative urban transportation planning process known as the Hinesville Area Metropolitan Planning Organization (HAMPO).

#### **I. IT IS THE INTENTION OF THE PARTIES:**

A. That the Hinesville Area Metropolitan Planning Organization (HAMPO) is to:

1. Maintain a continuing, cooperative and comprehensive transportation planning process as defined in Title 23 USC Section 134 that explicitly considers the seven transportation planning factors and results in plans and programs consistent with comprehensively planned development of the urbanized area.
2. Update and revise the 20 Year Multimodal Transportation Plan, to create a fiscally feasible transportation system that integrates thoroughfare development, public mass transportation, air facilities, rail systems, intermodal facilities, bicycle and pedestrian facilities and transportation enhancements; and reflects consideration of the area's comprehensive land use plans and overall social, economic, environmental, and energy conservation plans, goals and objectives.
3. Create a functional relationship between transportation planning and city-county development.

4. Maintain the data obtained in the original data collection phase of the study and any pertinent data collected thereafter on a current level so that existing and forthcoming recommendations may be evaluated and updated periodically.

5. Produce all documents and studies that are necessary to maintain a Certified Transportation Planning Process.

II. **IT IS FURTHER AGREED**, that the areas of responsibility of the aforementioned counties, municipalities, and government agencies shall lay within the study area Boundary established by the Policy Committee of the HAMPO Regional Transportation Study. This area includes the cities of Allenhurst, Flemington, Gum Branch, Hinesville, Midway, Riceboro and Walthourville, all of Liberty County and portions of the unincorporated area of Long County that are adjacent to these cities as well as the cantonment area of Fort Stewart.

III. **IT IS FURTHER AGREED**, that the Metropolitan Planning Organization (MPO) as designated by the Governor of Georgia is the Hinesville Area Metro Planning Organization. The HAMPO shall have the primary responsibility for carrying out the urban transportation planning process and of developing the planning work programs, transportation plan, and transportation improvement program.

IV. **IT IS FURTHER AGREED**, that the Regional Transportation Study shall be coordinated by a Project Director who shall be the Director of the Liberty Consolidated Planning Commission or his designee and the staff of the Liberty Consolidated Planning Commission agency shall serve as staff to the HAMPO program and process. Additional staff resources may be provided, upon request, from the Technical Coordinating Committee (TCC) membership and existing staff resources of the participating agencies and governments. The Project Director shall coordinate all requests under the direction of the Policy Committee.

V. **IT IS FURTHER AGREED**, that the Hinesville Area Metropolitan Organization Policy Committee shall continue to function to adopt appropriate goals, work programs, and plans; and to establish the need, form, and direction of future transportation improvements in the Regional Transportation Study area. The Policy Committee shall be the MPO forum for cooperative decision-making by principal elected and appointed officials of general purpose local government and intermodal transportation providers. The individuals representing the government jurisdictions involved in the HAMPO planning process and other involved agencies shall comprise the Policy Committee. The membership shall be enumerated in the Policy Committee Bylaws. The Policy Committee shall have final authority in the matters of policy and plan adoption for HAMPO.

VI. **IT IS FURTHER AGREED**, that the committee known as the Technical Coordinating Committee (TCC) shall continue to function to assure the involvement of all operating departments, advisory agencies, and multimodal transportation providers concerned with, or affected by, the planning process and subsequent implementation of plans. The technical guidance and direction of the continuing Regional Transportation Study shall be furnished by the TCC. The membership shall be enumerated in the Technical Coordinating Committee Bylaws.

VII. **IT IS FURTHER AGREED**, that the Citizens Advisory Committee (CAC) shall continue to function as a public information and involvement committee, and shall be representative of a cross-section of the community. The CAC shall keep the Policy Committee and the Technical Coordinating Committee informed of the community's perspective and shall also provide information to the community about transportation policies and issues. The membership shall be enumerated in the Citizens Advisory Committee Bylaws.

**VIII. IT IS FURTHER AGREED**, that the various committees meet at significant stages in the planning process in accordance with the bylaws adopted for each committee by the Policy Committee

**IX. IT IS FURTHER AGREED**, that the Georgia Department of Transportation (GDOT), only to the extent that it may be bound by contracts which may hereafter be entered into, shall be responsible for the following:

1. Provide available maps, aerial photographs, charts, and records as deemed necessary to maintain the study.

2. Update and maintain travel simulation models for use in evaluating the metropolitan area's transportation needs. Said models shall be the "official" HAMPO models. The Department shall also provide the expertise and computer software for the above mentioned tasks.

3. Make periodic reviews and evaluations of projected transportation needs; and revisions, when necessary, of the multimodal transportation plan.

4. Aid the MPO in preparation of planning-oriented preliminary engineering, right-of-way, and construction cost estimates where applicable for multimodal projects in the HAMPO 20 Year Transportation Plan.

5. Provide the local agencies with current information concerning the status of planning and implementation of the HAMPO 20 Year Multimodal Transportation Plan.

6. Enter into the cooperative process with all participating agencies, when the need for a major metropolitan investment is identified, to determine the extent of the analyses and define each agency's role in the development of the Major Investment Study (23 CFR § 450.318).

7. Incorporate, without modification, the Georgia portion of the adopted **HAMPO Transportation Improvement Program into Georgia's State Transportation Improvement Program; and coordinate with the HAMPO Multimodal Transportation Plan in the development of the Georgia Statewide Transportation Plan.**

8. Coordinate with all participating parties an understanding of the development and amendment process for the Transportation Improvement Program and the Statewide Transportation Improvement Program.

9. Annually certify, concurrently with the HAMPO, to the FHWA and the FTA that the HAMPO planning process is addressing the major issues facing the area and is being conducted in accordance with all applicable Federal laws.

10. Provide various types of traffic count data.

11. Provide other assistance as mutually agreed upon.

12. Provide funding availability and proposed project schedules for federally funded projects for use in TIP development.

13. Ensure cooperation with the HAMPO and the Liberty/Long County Transit System in the development and implementation of the six transportation management systems and the traffic monitoring system in Georgia (23 CFR Part 500) as appropriate.

**XI. IT IS FURTHER AGREED, that the Hinesville Area Metropolitan Organization, only to the extent that it may be bound by contracts which may hereafter be entered into, shall be responsible for the following:**

1. Prepare of planning-oriented preliminary engineering, right-of-way and construction cost estimates where applicable for multimodal projects in the HAMPO 20 Year Transportation Plan.
2. Update and maintain maps showing existing and proposed land use, and make appraisals of actual land use development in comparison with projections.
3. Review zoning and subdivision requests in accordance with the HAMPO Transportation and Land Use Plans.
4. Provide or obtain social and community development plans as may relate to transportation needs.
5. Develop and maintain base and projected population, housing, employment, economic, vehicle and land use data by traffic zone and supply information as requested concerning special generators.
6. Make recommendations for revisions of the HAMPO 20 Year Transportation Plan to conform to new planning goals, objectives, policies, or developments.
7. Periodically review traffic zone boundaries and make appropriate recommendations to the Technical Coordinating Committee and cooperate with the Georgia Department of Transportation in revision of said boundaries.
8. Provide available maps, aerial photographs, charts, records, and directories to the extent possible.
9. Collect, analyze and distribute traffic data such as traffic counts and accident data to the public, governmental agencies, and other parties.
10. Prepare and publish as necessary, a fiscally constrained 20 Year multimodal transportation plan that leads to the development of an integrated intermodal

transportation system that facilitates the efficient movement of people and goods. The transportation plan shall be reviewed and updated at least every five years.

11. Prepare and maintain a financially balanced Three Year Multimodal Transportation Improvement Program (TIP) for Georgia which will be updated annually.

12. Prepare an annual Unified Planning Work Program to document planning activities to be performed in the next fiscal year; in sufficient detail to indicate who will perform the work, the schedule for completion and the products that it will produce.

13. Prepare an annual Performance Report for the comparison of established goals in the Unified Planning Work Program and completed work elements.

14. Compile, maintain, and document data on existing water, air, motor freight and rail terminal and transfer facilities.

15. Prepare and publish as necessary a Public Involvement Process which documents how the MPO will provide complete information, timely public notices, full public access to key decisions, and support early and continuing involvement of the public in the development of plans and TIPs; and meets the criteria specified in 23 CFR Part 450.

And if applicable to HAMPO:

16. If applicable, cooperate with the Georgia Department of Transportation in the development and implementation of the six transportation management systems and the traffic monitoring system (23 CFR Part 500). *The MPO will have the lead responsibility in the development of the Congestion Management System.*

17. If applicable, ensure that the Congestion Management System, the Public Transportation Management System and the Intermodal Management System shall, to the extent appropriate, be part of the metropolitan transportation planning process, and that the results of the six individual management systems shall be considered in the development of the transportation plan and the TIP.

18. Enter into the cooperative process with all participating agencies, when the need for a major metropolitan investment is identified and to determine the extent of the analysis and define each agency's role in the development of the Major Investment Study (23 CFR e450.318).

19. Perform duties as described in the Contract between the Georgia Department Transportation and the HAMPO for the use of planning funds.

20. Annually certify, concurrently with the Georgia Department of Transportation, to the FHWA and the FTA that the HAMPO planning process is addressing the major issues facing the area and is being conducted in accordance with all applicable Federal laws.

21. If applicable, prepare and submit quarterly and annual FTA reports.

**XII. IT IS FURTHER AGREED**, that the County of Liberty within its official jurisdiction be responsible for the following:

1. Maintain and keep current records of fiscal operations and abilities, administrative practices, and laws and ordinances that affect and concern transportation. A re-evaluation of these items shall be made at least every five (5) years and the results and recommendations which could affect the HAMPO program will be coordinated with the Technical and Policy Committees.

2. When appropriate and as authorized by the governing authority of the County of Liberty, provide funding for right-of-way acquisition and clearance that may be required for HAMPO construction projects and be the agent responsible for acquiring said right-of-way.

- (3) City Manager, City of Hinesville
- (4) Chairman, HAMPO Citizen Advisory Committee
- (5) Executive Director, Coastal Region Metropolitan Planning Commission
- (6) Garrison Commander, Fort Stewart

- 1) Any member of the Committee may, at any time, appoint a representative or delegate to act in an official capacity on their behalf. Delegation shall be in writing and shall state the name of the representative and the length of time of the delegation.
- 2) No member of the Committee shall receive compensation or reimbursement for expenses incurred as a result of service in behalf of this Committee.

### ARTICLE III

#### **Duties and Responsibilities**

- 1) The Committee shall serve as the forum for cooperative decision-making with regard to transportation-related issues.
- 2) The Committee has the primary responsibility for the formulation of transportation related policies in support of the overall goals and objectives for the transportation study area.
- 3) The duties of the Committee shall include, but not be limited to, the following:
  - a) Secure planning services from individuals or entities as appropriate,
  - b) Review and approve all appropriate Hinesville Area Metropolitan Planning Organization (HAMPO) goals, objectives, plans, programs and studies,
  - c) Ensure that the Long Range Transportation Plan and Transportation Improvement Program is current and responsive to all applicable laws, rules, and regulations,
  - d) Ensure that timely reports are made to inform the public on the progress of the Plan,
  - e) Ensure that a complete Unified Planning Work Program is developed,
  - f) Ensure that all respective agencies, jurisdictions or commissions are kept informed of the progress of the Plan,
  - g) Designate and prioritize all transportation improvement projects recommended in the planning process,
  - h) Provide the liaison between the planning process and the appropriate governmental units, and,
  - i) Designate and alter the membership and operations of the other study committees including the Technical Coordinating Committee and the Citizens Advisory Committee.

### ARTICLE IV

#### **Officers and Organization**

- 1) The Policy Committee shall select a Chairperson and Vice-Chairperson from among its members. Such selection shall be by majority of the voting membership.
- 2) In the absence of both the Chairperson and the Vice-Chairperson, the members present for the meeting shall designate, by majority vote, a member to temporarily assume the responsibilities of the Chairpersons for the purpose of conducting the official business of the Committee.
- 3) Selections shall take place at the first meeting of each calendar year at which there is a majority of voting members present. A nominating committee of three (3) will be appointed by the Policy Committee Chair for the specific purpose of the appointment of new officers. The nominating

committee shall present a slate of officers to fill Policy Committee for selection. The selected officers will take office once selected.

- 4) The term of Chairperson and Vice-Chairperson shall be for the calendar year.
- 5) Officers may succeed themselves with no limitation to the number of terms, except that such term will not continue in the event an officer becomes ineligible to be a member of the Policy Committee.
- 6) The Chairperson may at any time establish sub-committees of the Committee. Such sub-committees shall function in a manner similar to the full Committee and in accordance with these By-laws.

## ARTICLE V

### **Duties of the Officers**

- 1) The Chairperson shall preside at all meetings of the Committee.
- 2) The Chairperson shall authenticate, by signature, all resolutions and other official contracts and documents resulting from decisions made by the Committee.
- 3) The Chairperson shall appoint a Secretary to the Committee.
- 4) The Chairperson, or a representative designated by the Chairperson, shall represent the Committee at hearings, conferences and other events as required during the conduct of the official business of the Committee.
- 5) The Chairperson shall be the chief policy advocate for the Committee.
- 6) During the absence or disability of the Chairperson or in the event that a vacancy occurs in the office of the Chairperson, the Vice-Chairperson, shall preside over meetings of the Committee and shall exercise the powers and discharge all of the duties of the Chairperson.
- 7) The Secretary, or a designated representative, shall duly record the proceedings of each meeting of the Committee and authenticate, by signature, that they are a true and accurate record of the proceedings and policy decisions.
- 8) The Secretary shall maintain and make available for public inspection all official records and documents of the Committee.
- 9) The Secretary shall provide public notice of all meetings of the Committee as required by law.

## ARTICLE VI

### Meetings

- 1) The Policy Committee meets on the second Thursday of every even numbered month, beginning at the location and time as directed by the Policy Committee.
- 2) Special meetings may be called by the Chairperson when deemed to be in the best interest of the Committee.
- 3) Special meetings may also be called by petition to the Chairperson by a simple majority of members of the Committee. However, a special meeting called in this manner will be subject to the following regulations:
  - The notice of any such meeting shall state the reason(s) that the meeting has been called, the business to be transacted, by whom the meeting is being called, and the time and place of the meeting, and
  - No other business but that specified in the notice may be transacted at such special meeting without the unanimous consent of all members in attendance at such meeting.
- 4) No business may be conducted by the Committee unless a quorum of the membership is present. A minimum of eight (8) voting members of the Committee shall constitute a quorum.
- 5) The Chairperson shall cause a notice to be sent to all members of the Committee at least seven (7) calendar days in advance of the meeting date giving the time and place of the meeting and the preliminary agenda.
- 6) Any regularly scheduled meeting may be cancelled either by the Chairperson or by a majority vote of the members taken during a regularly scheduled meeting.
- 7) The members of the Committee must be given notice at least seven (7) calendar days in advance of the regularly scheduled meeting date when meetings are cancelled.
- 8) The meetings of the Committee shall be conducted in accordance with Roberts Rules of Order. However, any rules formally adopted by the Committee, including these By-laws will have precedence when in conflict with Roberts Rules of Order.
- 9) The agenda for the Committee meetings shall be reviewed/approved by the Chairperson and the order of business shall be at the discretion of the Chairperson.
- 10) Upon petition by a simple majority of members of the Committee, the Chairperson shall place item(s) on the agenda with notice of at least seven (7) calendar days prior to the scheduled date for the meeting.
- 11) Motions, properly seconded and discussed, will be voted on by the members in attendance. Motions will be passed or approved when a simple majority of the members in attendance vote in favor of the motion.

## ARTICLE VII

### Amendments to these By-laws

- 1) Motions to modify, change, or repeal these By-laws may be made at any regularly scheduled meeting but any action with regard to such motion may not be taken until the next or subsequent regularly scheduled meeting. All members of the Committee must be notified as soon as possible regarding such motion.
- 2) An affirmative vote by a simple majority of the full voting membership of the Committee is required to modify, change or repeal these By-laws.
- 3) Notwithstanding Section 1, Article VII, a motion to poll all members concerning the alteration or repeal of these By-laws may be made at any regular or special meeting of the Committee provided that the meeting is called in accordance with these By-laws.
- 4) To approve the process of polling all of the members of the Committee, an affirmative vote cast by at least two-thirds of the members in attendance is required.
- 5) Within sixty (60) days of the approval to poll the membership, the Chairperson will conduct the poll in writing by mail or email. The number of members responding to the poll must constitute a quorum. A majority of the respondents must vote affirmatively to modify, change, or repeal these By-laws.
- 6) Action to modify, change or repeal the By-laws will be deemed effective immediately unless specified differently by such change in the By-laws.

## ARTICLE VIII

### Meeting Remotely and Virtually

- 1) In the event of public health or other public emergencies, in-person committee meetings will be suspended, and be held virtually via an online platform accessible to the general public.
- 2) Committee members may participate in virtual meetings with simultaneous live audio/video.
- 3) Proxy members will be identified at the start of committee meetings in a verbal roll call.
- 4) A quorum consists of a simple majority of the committee's members, who can vote on action items virtually by a verbal yes or no.
  - a. Nay votes will be documented by HAMPO staff,
  - b. Committee members will announce themselves when making or seconding a motion.
- 5) If committee members lose connection, the chairperson may call a brief recess while attempts are made to reconnect with the committee member.
- 6) Committee members will be provided with meeting materials digitally, with the general public receiving access to these materials via the HAMPO website.

- 7) Virtual committee meeting web-links and telephone access numbers will be published on meeting agendas and made available to the public on the HAMPO website. This method allows the general public to participate in the meeting, with a standing agenda item to receive comments from the public.
- 8) Public comments can be issued during MPO meetings, posted online, or submitted via telephone, email or U.S. Mail.
- 9) Comments received from the general public via telephone, email, U.S. Mail, or posted online, will be shared with the committee by HAMPO staff.

### ARTICLE III

#### **Duties and Responsibilities**

- 1) The Technical Coordinating Committee shall be responsible for the preparation of the Unified Planning Work Program (UPWP), the Transportation Improvement Program (TIP) and the Long Range Transportation Plan (LRTP). It shall review all studies related to transportation within the Hinesville Area Metropolitan Planning Organization (HAMPO), and make recommendations to the Policy Committee and other agencies on the work program and studies.
- 2) The Technical Coordinating Committee shall coordinate all the technical activities in the transportation planning process. The TCC shall provide information on the process of the study to both the Policy and Citizens' Advisory Committees.
- 3) The Technical Coordinating Committee shall review inventories of current data used as input to the planning process.
- 4) The Technical Coordinating Committee shall review the status of activities necessary to keep the study current and report to the Policy Committee regarding such reviews.
- 5) The Technical Coordinating Committee shall make its reviews on the basis of technical sufficiency, accuracy, and completeness of such studies, plans, and programs.
- 6) The Technical Coordinating Committee shall advise the Policy Committee of proposed changes in transportation planning concepts and projects, and shall analyze data collected and prepare reports and findings.
- 7) The Technical Coordinating Committee and participating agencies shall adopt and follow a specific work program and schedule of activities. If any agency identifies a need to deviate from the adopted work program or initiate any special studies that have any bearing on the present or proposed transportation system, it will be the responsibility of the respective Technical Coordinating Committee member to bring this to the attention of the full Committee for consideration, action and/or information.

### ARTICLE IV

### **Officers and Organization**

- 1) The Technical Coordinating Committee shall select a Chairperson and Vice-Chairperson from among its members. Such selection shall be by a majority vote.
- 2) In the absence of both the Chairperson and the Vice-Chairperson, the members present for the meeting shall designate, by majority vote, a member to temporarily assume the responsibilities of the Chairpersons for the purpose of conducting the official business of the Committee.
- 3) Selection of the Chairperson and Vice-Chairperson shall take place on the first meeting of the calendar year at which there is a majority of voting members present.
- 4) The term of Chairperson and Vice-Chairperson shall be for the calendar year.
- 5) Officers may succeed themselves with no limitation to the number of terms, except that such term will not continue in the event an officer becomes ineligible to be a member of the Policy Committee.
- 6) Subcommittees may be established by the Technical Coordinating Committee as needed.

### **ARTICLE V**

#### **Duties of the Officers**

- 1) The Chairperson shall preside at all meetings of the Technical Coordinating Committee.
- 2) The Chairperson shall authenticate by his signature, minutes of meetings of the Technical Coordinating Committee and its recommendations to the Policy Committee.
- 3) The Chairperson shall appoint a Secretary to the Committee.
- 4) The Chairperson, or a representative designated by the Chairperson, shall represent the Technical Coordinating Committee at hearings, conferences, and other events or designate another member of the Committee to serve in his place.
- 5) During the absence or disability of the Chairperson or in the event that a vacancy occurs in the office of the Chairperson, the Vice-Chairperson, shall preside over meetings of the Committee and shall exercise the powers and discharge all of the duties of the Chairperson.
- 6) The Secretary, or a designated representative, shall duly record the proceedings of each meeting of the Committee and authenticate, by signature, that they are a true and accurate record of the proceedings and policy decisions.

- 7) The Secretary shall maintain and make available with support of HAMPO staff, for public inspection all official records and documents of the Committee.
- 8) The Secretary shall provide public notice for all meetings as provided by law.

## ARTICLE VI

### Meetings

- 1) The Technical Coordinating Committee meets on the second Thursday of every odd numbered month, at the location and time as directed by the Policy Committee.
- 2) When a voting member represents more than one entity they should be counted as representing each entity separately for the purpose of constituting a quorum. No business may be conducted by the Committee unless a quorum of the voting membership is present. A minimum of 50% of the voting members of the Committee shall constitute a quorum.
- 3) Special meetings may be called by the Chairperson at such times that may be specified for stated purposes. Notice of such meetings shall be given in writing or email to all members at least 48 hours in advance.
- 4) The Chairperson shall cause an electronic notice to be sent to all members of the Committee at least seven (7) calendar days in advance of the meeting date giving the time and place of the meeting and the preliminary agenda.
- 5) Any regularly scheduled meeting may be cancelled either by the Chairperson or by a majority vote of the members taken during a regularly scheduled meeting.
- 6) The members of the Committee must be given notice at least seven (7) calendar days in advance of the regularly scheduled meeting date when meetings are cancelled.
- 7) The meetings of the Committee shall be conducted in accordance with Roberts Rules of Order. However, any rules formally adopted by the Committee, including these By-laws will have precedence when in conflict with Roberts Rules of Order.
- 8) The agenda for the Committee meetings shall be established by the Chairperson and the order of business shall be at the discretion of the Chairperson.
- 9) Should one third (1/3) of the Policy Committee, and/or Citizens Advisory Committee want an item placed on the Technical Coordinating Committee agenda, the Chairperson shall place item(s) on the agenda with notice of at least seven (7) calendar days prior to the scheduled date for the meeting.

- 10) Motions, properly seconded and discussed, will be voted on by the members in attendance. Motions will be passed or approved when a simple majority of the members in attendance vote in favor of the motion.

## **ARTICLE VII**

### **Amendments to these By-laws**

- 1) These By-laws are adopted pursuant to Article III of the Policy Committee By-laws and may be amended from time to time by the Policy Committee on its own or pursuant to recommendation of the TCC.
- 2) Motions to recommend modification to or repeal these By-laws may be made at any regularly scheduled meeting but any action with regard to such motion may not be taken until the next or subsequent regularly scheduled meeting. All members of the Policy Committee must be notified as soon as possible regarding such motion.
- 3) An affirmative vote by a simple majority of the full voting membership of the Policy Committee is required to recommend modifications to or repeal these By-laws.
- 4) Notwithstanding Section 1, Article VII, a motion to poll all members concerning the alteration or repeal of these By-laws may be made at any regular or special meeting of the Policy Committee provided that the meeting is called in accordance with these By-laws.
- 5) To approve the process of polling all of the members of the Policy Committee, an affirmative vote cast by at least two-thirds of the members in attendance is required.
- 6) Within sixty (60) days of the approval to poll the membership, the Policy Chairperson will conduct the poll in writing by mail. The number of members responding to the poll must constitute a quorum. A super majority of the respondents must vote affirmatively to recommend modifications to or repeal these By-laws.

## **ARTICLE VIII**

### **Meeting Remotely and Virtually**

- 10) In the event of public health or other public emergencies, in-person committee meetings will be suspended, and be held virtually via an online platform accessible to the general public.

## ARTICLE I

### **Name of the Committee**

The name of the organization shall be the Hinesville Area Metropolitan Planning Organization – Citizens Advisory Committee, hereinafter referred to as the Committee.

## ARTICLE II

### **Purpose**

The Citizens' Advisory Committee (CAC) of the Hinesville Area Metropolitan Planning Organization shall advise the Policy Committee on matters of public opinion from individual citizens and citizen groups regarding planned changes to the Transportation Improvement Plan, Unified Planning Work Program and the Long Range Transportation Plan as well as study findings and recommendations.

## ARTICLE III

### **Membership**

Membership in the Committee is made up of eighteen (18) individuals representing nine (9) local governments, Fort Stewart, Savannah Technical College and Armstrong Atlantic State University, Hinesville Campus. Members will serve without compensation.

#### Voting Members:

- Town of Allenhurst (1 member)
- City of Flemington (1 member)
- Town of Gum Branch (1 member)
- City of Hinesville (4 members)
- City of Midway (1 member)
- City of Riceboro (1 member)
- City of Walthourville (2 members)
- Liberty County (3 members)
- Long County (1 member)
- Representative, Fort Stewart (1 member)
- Representative, Savannah Technical College (1 member)
- Representative, Armstrong Atlantic State University, Hinesville Campus (1 member)

Membership appointments will be for a term of two (2) calendar years. Unexpired vacancies may be filled as they arise from appointments by the Policy Committee.

Any member in a position that has not been filled for a new term will continue in that position until such position is filled by the Policy Committee.

The number of members shall be eighteen (18). The Policy Committee will strive to have representation from all the member communities of the Hinesville Area Metropolitan Planning Organization.

Unless excused by the Chairperson, any member of the CAC having two consecutive (2) absences from regular meetings during a calendar year shall be removed from the Committee. If a member is in violation of the Committee's attendance policy when he/she is eligible for reappointment, the Chairperson shall send a letter to the Policy Committee recommending that the individual not be reappointed due to a lack of participation. Members are expected to attend regularly.

#### ARTICLE IV

##### **Organizational Duties**

- 1) The Citizens' Advisory Committee ensures that citizen participation in the transportation planning process will be met, in accordance with the HAMPO Participation Plan. The CAC functions as a public information and involvement committee. The CAC will participate in the review of social, economic, and environmental considerations that are essential for developing a viable transportation study for the area. The CAC, through establishment of various task forces, subcommittees, and stakeholder groups, and regular committee meetings, should participate in the following:
  - a) Review each year the work of the transportation study including the HAMPO Unified Planning Work Program (UPWP), the Transportation Improvement Plan (TIP), as well as the Long Range Transportation Plan (LRTP).
  - b) Make recommendations as appropriate to the Policy Committee and the Technical Coordinating Committee regarding amendments to the items identified in the preceding paragraph.
  - c) Assess public opinion relative to the transportation study's activities with recommendations to the Policy and Technical Coordinating committees.

#### ARTICLE V

##### **Officers and Members Duties**

- 1) The CAC shall select a Chairperson and Vice-Chairperson at the first meeting of the calendar year when a quorum is present by simple majority vote. The term of Chairperson and Vice-Chairperson shall be for the calendar year. The Chairperson and the Vice-Chairperson may serve up to a maximum of three calendar years.
- 2) The Chairperson shall arrange and conduct all meeting of the Committee, appoint subcommittees to function on the behalf of the Committee and represent the Committee on the HAMPO Policy Committee as a non-voting member. The Chairperson shall act as official spokesperson for the CAC; however, this shall not abridge any individuals' rights to freedom of speech on their own behalf. The Chairperson shall have such powers as may be reasonably construed as belonging to the chief of executive of any organization.
- 3) The Vice-Chairperson shall act as Chairperson to conduct any meetings of the Committee in the absence of the Chairperson. This officer shall act on behalf of the Chairperson when requested to do so by the Chairperson. In the event of the absence of inability of the Chairperson to exercise

his/her duties, the Vice-Chairperson shall become acting Chairperson with all the rights, privileges and powers of a duly elected Chairperson, until such time as the Chairperson is able to resume the duties. The Vice-Chairperson or their designate shall represent the Committee on the HAMPO Technical Coordinating Committee as an ex-officio, non-voting member.

- 4) In the event of a vacancy in the office a Chairperson before completion of a term, the Vice-Chairperson shall automatically become Chairperson. If, at any time, the office of Vice-Chairperson becomes vacant, a new Vice-Chairperson shall be elected by a majority of the membership at the first meeting at which there is a vacancy, provided that a quorum is present.

## ARTICLE VI

### Meetings

- 1) The CAC shall meet on the second Thursday of every odd numbered month, beginning at 5:30 PM at the location as directed by the Policy Committee.
- 2) Meeting notices shall be e-mailed seven calendar days prior to the meeting outlining the planned agenda. Should there be no business to come before the committee, the officers, by agreement with the members, may cancel the meeting.
- 3) No action of the CAC will become official unless a quorum is present. A quorum shall be 50% of the appointed membership. Vacant memberships shall not be counted towards the quorum.
- 4) A majority vote of the members present shall be required for approval of any action taken by the CAC.
- 5) Special meetings, including special public meetings of this organization, may be called at the discretion of the Chairperson when it is deemed to be in the best interest of the organization. Also one-third (1/3) of the voting members of the HAMPO CAC may petition the Chairperson to call special meetings. Notice of any such meeting shall state the reasons that the meeting has been called, the business to be transacted, by whom the meeting is called, and the time and place of the meeting. The business discussed will be limited to that specified in the notice unless there is unanimous consent of all members present at such meeting.
- 6) The meetings of the Committee shall be conducted in accordance with the rules adopted by the Committee.
- 7) The agenda of the meetings of the HAMPO CAC shall be set by the Chairperson. A member may petition the Chairperson to place an item on the agenda at least seven (7) days before the schedule date for such meeting. The order of business at all regular meetings shall be at the discretion of the Chairperson. The agenda will include a public participation period.
- 8) Meetings are open to the public. Comments by the public are welcome and will be solicited through notices placed in available public media. Public comment at meetings is subject to the committee's rules of order.

## ARTICLE VII

### Amendments to By-laws

- 1) These By-laws are adopted pursuant to Article III of the Policy Committee By-laws and may be amended by the Policy Committee on its own or pursuant to recommendation of the CAC. The CAC shall be informed of any proposed amendments to these by-laws at the regularly scheduled meeting of the CAC prior to final consideration by the Policy Committee.
- 2) Motions to recommend modification to or repeal these By-laws may be made at any regularly scheduled meeting but any action with regard to such motion may not be taken until the next or subsequent regularly scheduled meeting. All members of the Policy Committee must be notified as soon as possible regarding such motion.
- 3) An affirmative vote by a simple majority of the full voting membership of the Policy Committee is required to recommend modifications to or repeal these By-laws.
- 4) Notwithstanding Section 1, Article VII, a motion to poll all members concerning the alteration or repeal of these By-laws may be made at any regular or special meeting of the Policy Committee provided that the meeting is called in accordance with these By-laws.
- 5) To approve the process of polling all of the members of the Policy Committee, an affirmative vote cast by at least two-thirds of the members in attendance is required.
- 6) Within sixty (60) days of the approval to poll the membership, the Policy Chairperson will conduct the poll in writing by mail. The number of members responding to the poll must constitute a quorum. A super majority of the respondents must vote affirmatively to recommend modifications to or repeal these By-laws.

## ARTICLE VIII

### Meeting Remotely and Virtually

- 19) In the event of public health or other public emergencies, in-person committee meetings will be suspended, and be held virtually via an online platform accessible to the general public.
- 20) Committee members may participate in virtual meetings with simultaneous live audio/video.
- 21) Proxy members will be identified at the start of committee meetings in a verbal roll call.
- 22) A quorum consists of a simple majority of the committee's members, who can vote on action items virtually by a verbal yes or no.
  - e. Nay votes will be documented by HAMPO staff,
  - f. Committee members will announce themselves when making or seconding a motion.
- 23) If committee members lose connection, the chairperson may call a brief recess while attempts are made to reconnect with the committee member.

- 24) Committee members will be provided with meeting materials digitally, with the general public receiving access to these materials via the HAMPO website.
- 25) Virtual committee meeting web-links and telephone access numbers will be published on meeting agendas and made available to the public on the HAMPO website. This method allows the general public to participate in the meeting, with a standing agenda item to receive comments from the public.
- 26) Public comments can be issued during MPO meetings, posted online, or submitted via telephone, email or U.S. Mail.
- 27) Comments received from the general public via telephone, email, U.S. Mail, or posted online, will be shared with the committee by HAMPO staff.
